Subject:-

Examinations - Government Technical Examinations in Shorthand and Typewriting in certain regional languages twice a year - proposals submitted.

R.C.No.159-D/48.

Station:-- Madras.

Dated 12th June 1948

From (Name):-- Sri D.S. REDDI, M.A., (Oxon)., M.B.E.,
(Designation): Commissioner for Government Examinations, Madras.

To

The Secretary to Government,
Education and Public Health Department,
Fort St. George, Madras.

Sir,

I have the honour to state that Government in their notification No.29 published on pages 85 to 88 of the Fort St. George Gazette, dated 29-1-1924 decided to conduct technical examination in Shorthand in Tamil, Telugu, Malayalam and Kanarese. In G.O.No.2296, Education, dated 13-12-1926 Government ordered the conduct of the examination in Oriya also. In their order No.1484 Education, dated 7-8-1940 Government ordered that the examinations in Tamil Typewriting and Telugu Typewriting may be continued as a permanent measure.

2. At present, Government Technical Examinations in Shorthand in Tamil, Telugu and Malayalam, and in Typewriting, in Tamil and Telugu are conducted once a year by both Lower and Higher grades. Requests have been received by me from certain Commercial Institutions to conduct these examinations also twice a year as in the case of the examinations in English Typewriting and Shorthand. The Chairman of the Board of Examiners in Commerce who was consulted in the matter agrees to the above suggestion.

3. Though the number of candidates appearing for these examinations is not large even now, with the importance now given to the Regional languages, the demand for Shorthand writers and typists in the Regional languages is bound to increase in the near future. Already Government are trying as an experimental measure interdistrict correspondence in regional languages in two districts in this Presidency. In order to give wide scope for selection of candidates qualified in Shorthand and Typewriting in the regional languages, I am of opinion that these examinations should be conducted twice a year with effect from October 1948 onwards.

4. On the financial side, I may state that all the examinations conducted by the Commissioner put together yield a profit to Government and by conducting these examinations twice a year, Government will not have to incur any additional expenditure over and above the total income of the Department.

5. After receipt of orders from Government I shall submit suitable amendments to the notification regarding conduct of Government Technical Examinations.

I have the honour to be,
Sir,
Your most obedient servant,

M. Anganayakulu
