From (Name) SRI. D.S. REDDI, M.A. (OXON), M.B.E.,
(Designation) DIRECTOR OF PUBLIC INSTRUCTION,

To The Secretary to the Government of Madras,

EDUCATION & PUBLIC HEALTH Department.

Sir,

In their order cited above, Government approved the proposal to take up the building "AMIR MUNGIL", Mount Road, Madras for locating the City College Students' Hostel.. This building has been repaired and improved and the hostel will start functioning here from the ensuing academic year.

So long as the hostel was in 'KEITH LODGE' San Thome, it was managed by a Committee consisting of Professor K. Swaminathan, Sri. M. Satyanarayana, Secretary, Hindi Prachara Sabha and, Sri. Appa Rao representing the Students' Congress - Vide G.O. Ms. No. 2123-Edn., Dated 1-10-47

pp15-16 / (y)

- P.T.O. -

There was no official Warden or Deputy Warden for the Hostel. With the starting of the hostel in "Amir Munsil" from July 1948 it would be more desirable from every point of view, efficiently, discipline and economy, that Government themselves take up the management of the hostel and appoint a Warden and a Deputy Warden. It has been reported by Professor K. Swaminathan, that he is not ~~effective~~ in the present set up as he is vaguely responsible to Government and has no real power or authority over the members and staff. I therefore, recommend that Government kindly approve the proposal to run the hostel under the direct control of this Department from the academic year 1948-1949 and also sanction the employment of a Warden and Deputy Warden for the Hostel on an allowance of Rs.15/- and Rs.50/- a month respectively.

2. Professor Swaminathan reports that for the smooth and efficient working of the hostel, it is essential to have the services of a reliable Deputy Warden who must be paid an allowance of Rs.50/- a month and that the Warden may be honorary and may, if necessary, be paid a conveyance allowance of Rs.15/- a month. I agree to this view. As it is the Deputy Warden who has to attend to the day-to-day working of the hostel, the proposal to pay him an allowance of Rs.50/- a month is reasonable and may be approved by Government. The allowance of Rs.15/- a month proposed for the honorary Warden is for conveyance. Professor Swaminathan will be the Honorary Warden of the hostel. I am asking him to select a suitable officer from the staff of the Presidency College for the post of Deputy Warden and to report his name for approval.

3. I shall submit a further report to Government regarding the rent to be collected from the students after the hostel is started.

4. I request the VERY URGENT ORDERS OF GOVERNMENT, on this letter as the hostel has to be started shortly.

K. Swaminathan
for DIRECTOR OF PUBLIC INSTRUCTION.

Resolution-Rout.

The Govt approve of the proposal of the D. P. J. that the hostel for city college students to be opened in the "Amir Munsil", Mount Road should be ~~under~~ direct Govt management instead of under a committee ~~management~~.

2. The Govt also approve the Director's proposal that Prof. K. Swaminathan should be appointed as the warden of the hostel and that a suitable member of the staff of the Presidency College should be appointed as Dy warden.

3. Prof. Swaminathan will be granted a conveyance allowance of Rs 15 p.m so long as he continues to be the warden of the hostel. A warden allowance of Rs 30 ~~per month~~ will be granted to the Deputy warden if ^{he} is a member

In G.O. No: 2123 Edn D. 1.10.47 the Govt sanctioned
the taking over on lease of a building, Keith
Lodge, San Thome, for a period of two years
for locating a hostel for ^{the} city college students.
(men). It was also ordered that the building
should be handed over to the hostel which
should be managed by a committee consisting
of Prof K. Swaminathana, Cii M. Sathyanarayana
Scij, Hindi Prachar Sabha and Cii Appa Rao
representing the students Congress. The ^{entire}
expenditure on account of the hostel was
to be met by the students.

f 35 (J)

As the number of students in the
hostel was very low (20) and as ^{these students} ~~they~~ found
it difficult to pay a rent of Rs 350 p.m.
for the building another building,
Amin Mangil, Mount Road, on a cheaper
rent (Rs 250 p.m) was taken on lease for
the hostel. The Govt also sanctioned an
expenditure not exceeding Rs 5000/- on
carrying out certain alterations and
improvements to this building. The entire
expenditure on account of the hostel
except the expenditure on repairs and
improvements is to be met by the students
themselves.

In the circumstances explained in

W/ the allowances to the warden and Deputy warden may be met from Provincial funds. It may be mentioned here that only a rent of Rs 10 per m was collected from each student in the 'Keith Lodge' hotel and that the Govt paid the balance of the rent for the building from Provincial funds. 2. The proposal to grant a conveyance allowance to the warden and the appointment of a Deputy warden on an allowance of Rs 50 p.m. to a member on the staff of the Presidency College involve an extra cost of about Rs 780 p.a.

In October 1947 when the Govt. sanctioned the taking over on lease of a building 'Keith Lodge', it was specifically ordered that the building should be handed over to the hostel which should be managed by a Committee and that the entire expenditure on account of the hostel was to be met by the students. The payment of allowances for the warden and the Dy. warden were apparently not contemplated. The proposal of the D.P.I. supported by Edn. & P.H. thus involve an unnecessary extra cost to Govt. The Govt. have already evinced necessary interest in starting the hostel and as pointed out by Edn. & P.H. some expenditure seems to have been incurred as being inevitable - vide 'X' above. The payment of extra allowances to the staff on this account seems an extra burden on the Provincial finances and this deptt. may advise against the proposal.

P70

the letter in the of the D.P.I. reports that the system of management of the hotel by a committee has not been successful and recommends that the hotel may be taken under the direct control of the Govt and that a warden and Deputy warden may be appointed for the hotel. The Director proposes that Prof. Swaminathan may be appointed as Warden with a conveyance allowance of Rs 15 p.m. and that a suitable member of the staff of the Presidency College may be appointed as the Dy warden on an allowance of Rs 50 p.m.

The hotel was placed under committee management with reference to the minute of H. C. (Edn) on pages 21-22 of go NO 2123 Edn 8. There is force in the Director's argument that proper control cannot be exercised if somebody is not put in direct charge of the hotel. It seems that the proposal to appoint Prof. Swaminathan as warden of the hotel may be accepted. The conveyance allowance of Rs 15 p.m. proposed is quite reasonable and may be accepted.

As regards allowance of Dy warden, the warden allowances sanctioned to Dy wardens in hotels attached to Govt hostels are Rs 15 p.m. if the Dy warden belongs to the Sub. Edd. Service and Rs 30 p.m. if he belongs to the H.E.S. It seems sufficient if these rates are adopted.

For orders. As Govt have already incurred Rs. 780 in starting this hotel and also incurred some expenditure on this hotel the expenditure on account of the warden.

3. As regards the rate of allowances proposed the following remarks are sub.

(a) The strength of the hostel in Feby. last is stated to be 20. It is not clear whether the strength will increase when the hostel is shifted to the new residence in ~~Mx~~ "Amir Munsil", Mount Road. The employment of a warden and a deputy warden seem therefore superfluous. It may in this connection be remarked that there is a Govt. College (for Muslims) in Mount Road, and it is for consideration whether in the place of a Professor or a member on the staff of the Presidency College, another of this college in the neighbourhood may not be asked to attend to these duties and in addition to the Committee of management, if and when the strength of the hostel expands. Edn. & P.H. may be requested to consider the suggestion, if it is eventually decided to run the hostel and incur necessary expenditure from the Provincial funds.

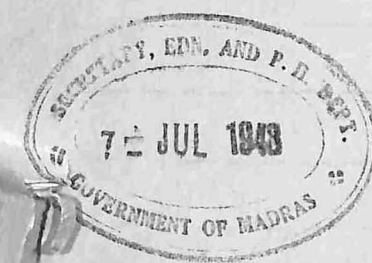

(b) The payment of a separate conveyance allowance of Rs 15 to the warden is also a new item of expenditure. In the G.O. on p.15 C.F. of (Y) ^{it may be seen that} the hostel is to be managed by a Committee consisting of Prof. K. Swaminathan, Sri M. Sathyanarayana, Secy. Hindi Prachara Sabha and Mr. Apparao representing the Students' congress. The payment of an extra conveyance allowance to one of them was not contemplated and if allowed in one case may lead to similar claims from other members. As it is not usual to sanction conveyance allowance for such purposes from Provincial funds, this deptt. may advise against the proposal.

4. With the above remarks the case may be returned to Edn. & P.H.

The D.P.I. has proposed that the City College Students' Hostel to be opened in Amir Manzil, Mount Road may be under direct Government management instead of under a committee management and that the Warden may be given a conveyance allowance of Rs.15/- a month and the Dy. Warden may be given an allowance of Rs.50/- a month. This Department while agreeing that the Hostel may be under direct Government management, has accepted the proposal to give an allowance of Rs.15/- to the Warden ^{but proposes to} and the allowance to the Deputy Warden may be reduced to Rs.30/- a month. The Finance Department do not agree to the payment of conveyance allowance to the Warden and an allowance to the Deputy Warden.
