To The Special Officer, District Board,
Rannad, at Madura.

Through The Headmaster, S.S. Board High School,
Rajapalayam.

Honoured Sir,

your

I beg to submit the following few lines for Honour's kind
perusal and favourable consideration:

I am a Secondary grade teacher of about 28½ years' service, of
which my service in private schools comes to about 4 years and that in
this District Board comes to about 24½ years. During these 28½ years,
I have worked to the best of my ability, and to the satisfaction of
my superiors. As for my qualifications, I possess Intermediate Exa-
mination certificate, with Mathematics, Physics and Chemistry as my
optional subjects. I possess the T.S.L.C. certificate completed in
the first class. I passed the Matriculation Examination of the Madura
Tamil Sangam, 1908, first in the First Class; and I was awarded a
medal for passing first. I have twice acted as a Census Supervisor
and a red entry was made in my conduct sheet for my conscientious and
good work. During my service as a teacher, I handled Fourth Form for
two years, Vernacular Translation and Composition IV Form for two
years and Vernacular Translation and composition, VI Form for four
years.

I complete my 55th year in the coming December 1947, my date
of birth being 30-12-1892. My son is studying in the Fourth Univer-
sity class and my daughter in the Fourth Form this year; and I have
to educate them. So I beg to request that your Honour will be graci-
ously pleased to permit me to serve for one more year from 30-12-47
and thus encourage me. I assure your Honour that with the Almighty's
help, I will do my duty to the entire satisfaction of my authorities
and thus prove myself worthy of your favour. I have herewith en-
closed my medical certificate.

Rajapalayam,
6th July 1947

I beg to remain,
Honoured Sir,
Your most obedient servant

2. Under ordinary circumstances, a petition of this kind cannot be entertained. But this teacher's assistance has become a need just now, when L.T. hands are not available for the additional sectional vacancies or acting vacancies that arise in the high school department of the school, year after year. The teacher is an experienced Intermediate-trained hand with Mathematics and Tamil as his special subject of study, for handling IV Form. For all practical purposes he is as good as an L.T. Therefore in the last one or two years when the appointment of an additional mathematics L.T. was delayed or impossible, due to his non-availability, this teacher was taken up for 6 or 7 periods to do Elementary Mathematics for Form IV and Vernacular Translation and composition for VI Form and but for this stop-gap arrangement the work of high school classes could not have been carried on with any degree of satisfaction. A similar need having arisen in the current school year too, he has been allotted 6 periods of Elementary Mathematics work in IV Form and 1 period of Vernacular Translation and Composition in VI Form.

3. Thus in the interests of the school there is need to retain him in service for one or two years more that is, until the dearth of L.T. hands disappears. I therefore recommend that the Government be addressed to exempt him from the age rule regarding retirement and extend his period as a special case by one year from 30-12-47.
