REF:- G.O.No.1146, Education, dated 7th May 48.

With reference to paragraphs 4 and 5 of the G.O. quoted above, I have the honour to submit herewith a copy of letters RC.No.143/48 dated 28th May 1948 and RC.No.145/48 dated 5th June 1948 from the Principal, Queen Mary's College, Madras and state as follows:

2. The Queen Mary's College is a residential institution in which more or less all the students will take part in some physical activity or other. It is not possible for one Physical Directress to manage the students numbering in all over 600. The employment of a Physical Training Instructress in the college to assist the Physical Directress is both necessary and desirable.

3. The Principal, Queen Mary's College has explained the nature of extra work involved in the Physics and Chemistry Laboratories due to the introduction of practical examinations. The need for individual attention in order to equip each student with suitable training from the beginning of the course has resulted in doubling the volume of work done by the Attenders.

4. I request that the Government may be pleased to sanction the employment of One Physical Training Instructress and 2 Attenders in the Queen Mary's College from the beginning of the academic year 1948--49.

for DIRECTOR OF PUBLIC INSTRUCTION.

Copy of letter RC.No.143/48 dated 28th May 1948 from the Principal, Queen Mary's College, Madras to the Director of Public Instruction, Madras.

SUB:- Opening of new courses in 1948--49.

REF:- Your proceedings RC.No.1304/K.2/47 dated 11th May 1948 communicating G.O.No.1146, Education, dated 7th May 1948.

With reference to paragraph 4 of the G.O. asking me to justify the need for a Physical Training Instructress, I have the honour to submit that the strength of the Intermediate Classes next year will approximately be 427.

The strength of the B.A. and B.Sc. Classes together will be 180.

The total strength of the college will thus be about 427 plus 180 or 607.

The recommendation of the recent University Commission regarding the Physical Education is as follows:

"Though compulsory physical exercises are limited to the Intermediate students, all students of the college should be encouraged to participate in games or athletics."

The College is a residential and all the students in the college take part in games and physical exercises.

The work is too much for one Physical Directress to cope with and the efficiency will be impaired especially with such a large number of students.

It is therefore imperative that the Physical Directress should be assisted by a Physical Instructress and I request that the post of Physical Training Instructress may kindly be sanctioned from 1st July 1948.

Copy of letter RC.No.145/48 dated 5th June 1948 from the Principal, Queen Mary's College, Madras to the Director of Public Instruction, Madras.

SUB:- Additional attenders for the Physics and Chemistry department, etc.

REF:- Para 5 of G.O.No.1146, Education, dated 7th May 1948 communicated in Proceedings RC.No.1304/K.2/47 dated 11th May 1948.

With reference to the above, I have the honour to submit that though the number of students in Physics and Chemistry has doubled there has been no increase in the number of attenders. The increase in the strength has necessitated the practical to be done in three batches. This has naturally thrown too much work on the existing attenders in respect of arrangement of apparatus, supply of chemicals etc., cleaning the apparatus and replacing them in their respective places.

Prior to the introduction of the University practical 2 students were coupled for one experiment and hence the number of apparatus and materials issued was only half. Now each student has to do the experiment individually and should have more intensive training. Hence arrangement has to be made for double the number.

In addition to the Practical Classes the laboratory has to be kept tidy, the apparatus etc. have to be cleaned and kept in their proper places. The work is too much for the existing staff to cope with and I request that the attenders asked for may kindly be sanctioned from 1st July 1948.
