Station M.A.D.R.A.S., Dated the 24th Day of MAY 19 48.

From (Name) SRI. D.S. REDDI, M.A. (OXON), M.B.E.,

(Designation) DIRECTOR OF PUBLIC INSTRUCTION,

To The Secretary to the Government of Madras,

EDUCATION & PUBLIC HEALTH Department.

Sir,

I have the honour to state that the present accommodation available in the Basic Training School, Perianaickenpalayam is very limited and hence additional accommodation is necessary for conducting the basic training course for the teachers deputed from Government Service etc. for re-training. Hence the management of the Ramakrishna Vidyalaya, Perianaickenpalayam proposes to construct a building as per plan enclosed with this alteration, namely there will be no partition wall. This building is expected to house one section of the training school with provision for conducting a model class. The approximate cost of the building would

- 2 -
would be about Rs.16,000/-. I request the Government
approve of this expenditure during the current financial
year and to permit me to pay the full cost of the building
as grant-in-aid to the ~~ix~~ institution since it will be
transferred to the privatemanagement from 1st June 1948.

2. I have called for the detailed plans and
estimates from the Mission. On receipt of the same, I
shall give my formal approval for the construction of the
building.

3. The sum of Rs.16,000/- required for the
payment of grant can be met from the provision of nine
lacs sanctioned by the Government for the expansion
of basic education.

4. I request the favour of early orders in
the matter.

Perianaickenpalayam - grant for construction
of a building.

Ref:- From Mr D.P.S R.C. No. 390-31/48
dated 24.5.48.

The Basic Training school at
Perianaickenpalayam which has ^{till now} ~~still~~ been
conducted as a govt. institution will be
retransferred to Sri. Ramakrishna Mission
with effect from 1.6.48. Orders relating to
the retransfer have already been issued
in G.O. No. 1688 Edn. dated 26.7.47. The
govt. have agreed to sanction a grant
from provincial funds to cover the entire
expenditure on the school ^{so long as it continues to} ~~The D.P.S. now~~
reports that the management proposes to construct
a building for ^{providing} additional accommodation
to the retransferees. The cost of the building
has been estimated at Rs. 16000. The Director
requests that the proposal may be approved and
he may be allowed to pay the full grant
to the institution.

2. In view of the orders in the above G.O.,
the D.P.S's proposal may be accepted.

approval of the Govt. to the proposal to pay a full grant to the management of the Basic Training School at Perianaickenpalayam towards the cost of constructing ^{proposed} a building to accommodate teachers deputed from Govt. Service for re-training. The estimated cost of the building is Rs 16,000/- Govt. support the proposal in view of the order of the Govt. referred to at B up/above.

2. It is not clear ~~how~~ ^{newly} whether the Govt. have undertaken to bear in full the cost of construction of buildings to be put up ^{newly} for the Mission. The order in P.O. 1688 Eon D 26.7.47 merely provided that the Govt. would meet the expenditure in full on the running of the school. It would seem that this would apply only to the maintenance of the school, and not to large-scale non-recurring expenditure ~~on the school~~ ^{on the school} after the date of transfer, such as the construction of buildings. The usual basis of grant for private management for building schemes is only one half of the actual expenditure. If E.S.B. therefore consider that a full grant should be given in this case, ~~as a departure from the usual practice,~~ ^{treating it as a special} in the interests of basic education, they may be requested to circulate the case to H.M.(Fin) also. (For funds, pl. see para 3 on p. 24.)

\$6.48 If the building proposed to be constructed
is required solely for the teachers' department
for basic training, a full grant may be
granted — see letter of the SPJ on Pgs. 15-18 CF
of 70 1688 SDN 26 7.47 and the notes and orders in
circulation on Pgs. 13-20 of the same file ^{regarding} ~~the~~
~~also the need for the construction of a store room,~~
the construction of a store room, a shed and a hostel block.
It is not known whether the school authorities
have ever asked for a grant for the hostel building
and if so, whether the L.A. has agreed to give

a full front. If the Anti-Slavery Society
agreed to make a full front for expenditure on
buildings, required for the ^{the} basic training course, orders
should be taken in consultation in this case,

Portion 'A' on Finance Department's note on p.2 ante:

The orders of Govt. are that the Basic Training School at Perianaickenpalayam should be given a grant from provincial funds to cover the entire expenditure incurred on the school as long as it continues to train teachers in Basic education.

The building now proposed is to provide accommodation for teachers retrained in basic education. In the circumstances the management is eligible for a full grant for the building.

Portion 'B' on pp.2-3 ante:- The D.P.I. has been asked to inform the management that it may arrange for the construction of a building for use as a hostel after the school has been re-transferred to it and claim a grant after the completion of the building. The Director has stated that the school may be handed over to the management on 1--6--48. It is now too early for the management to construct the building and claim a grant.

not the file may now be circulated to H.M.(Edn.) and
