No. ROC. 2297/E/47 dated 5th March 1948.

Sir,

SUB:- Endowment = Government College, Kumbakonam
 "The Dr.S. Rangachari's Art Scholarships
 Endowment Fund at Kumbakonam" = Amendments
 to Scheme = Proposed.

REF:- G.O.No.MS. 1258, Education and P.H. dated
 13th June 1936.

As a result of the conversion of 3½ percent securities into 3 percent conversion loan, the interest realised on the "The Dr.S. Rangachari's Art Scholarships Endowment Fund at Kumbakonam" is reduced = vide letter No. TCE.673, dated 21st October 1947 of the Accountant-General Madras (copy enclosed). To keep down the expenditure to the funds available, either the period for which the scholarship is tenable has to be reduced, or the rate of scholarship should be reduced by the Administrators of the Fund when awarding the scholarships. The present scheme does not actually provide for a reduction in the value of the scholarship. In consultation with the Government Solicitor, I therefore, suggest the following amendment to rule 6 of the scheme for the administration of the fund.

FOR: "Each Scholarship shall be of the monthly value of Rs.15/- while the holder thereof is in the Intermediate in Arts Classes and of Rs.20/- while the holder thereof is in the B.A. Classes".

AMEND: "Each scholarship shall be of the monthly value of Rs.15 or Rs.20 (or such amounts as the interest on the fund shall permit) while the holder thereof is in the Intermediate in Arts Classes or in the B.A. or B.Sc. Classes respectively."

An application for the amendment of the Rule from the Principal, Government College, Kumbakonam, who is the co-administrator of the fund with me is enclosed.

2. The scholarships for 1947--48 have been sanctioned by me in anticipation of the approval of the amendment restricting the expenditure to the interest amount available.

The 3½ percent securities in which the funds of the above endowments were invested were notified for discharge by conversion into the 3 percent conversion loan 1946. The annual interest accruing to each fund is therefore not sufficient to meet the expenses on the award of the scholarships indicated in your proceedings noted above. The interest accruing annually to the credit of each endowment is furnished below and the scholarships may kindly be limited to these amounts and your proceedings modified accordingly.

Necessary payment order will be issued on receipt of your revised sanction in each case.

Letter from the DPI No. 2297/~~22~~^E/47 dated 5-3-48.

Memorandum No. 27182 A-2 Edn. dated 24.5.48

The new clause 6 proposed in the letter read above proceeds on the assumption that a student of the B.Sc. class also is eligible for a scholarship. But neither the existing clause 6 nor the other clauses of the scheme make any reference to a student of that class. If the intention is to make students of the B.Sc. class also eligible for a scholarship, apart from amending the existing clause 6, some of the other clauses of the scheme for the administration of the fund also will have to be suitably modified.

2. Apparently the intention is that power should be taken to reduce the value of the scholarship to such amount as the interest accruing on the Fund shall permit. If so, it has been suggested that, it would be sufficient if a proviso to clause 6 of the scheme on the following lines is added:-

"Provided that the value of the scholarship awardable under this clause may be reduced to such amount as the interest accruing on the Fund shall permit".

The DPI is requested to offer his remarks on the suggestion and also on ~~para~~ above paragraph 1

To the DPI,
Madras.

New Clause 6 proposed in the draft proceeds on the assumption that a student of the B.Sc. class also is eligible a scholarship. But neither the existing clause 6 nor the other clauses of the scheme make any reference to a student of that class. If the intention is to make students of the B.Sc. class also eligible for a scholarship, apart from amending the existing clause 6, ^{and of} the other clauses of the scheme for the administration of the Fund also will have to be suitably modified.

2. Apparently the intention is that power should be taken to reduce the value of the scholarship to such amount as the interest accruing on the Fund shall permit. If so, it would be sufficient to add a proviso to clause 6 of the scheme on the following lines:—

"Provided that the value of the scholarship awardable under this clause may be reduced to such amount as the interest accruing on the Fund shall permit"

Subject to the remarks in paragraph 1 above and for the reasons stated in paragraph 2 above, the amendment may be recast as follows:—

"In the said scheme, to clause 6, the following proviso shall be added, namely:—

"(Here enter the proviso at A above)"."
