With reference to our interview on Friday regarding Mr. R. Padmanabhan's training at your Works. I find from this candidate's papers that his period of training is not to exceed 12 months. We shall, therefore, be able to avail ourselves of your kind offer to accept him for one year only at a premium of 50 guinees.

The question whether it would be better for this candidate to do four months in each of three sections, or one year in any one particular section would be discussed when he arrives in England, and you have the opportunity of finding out exactly how much and what he already knows.

I am returning herewith the rough draft which I borrowed from you. The Apprenticehsip Form would either be filled in by the candidate on his arrival here, or we could have it sent off to India to be signed by him before coming here, as it suits your convenience.

As I was out of my permanent station, I received your letter redirected only today

I learn from this letter that my practical training is arranged with messers W. Machie & Co Ltd., London and that it commenses on the 8th September. In order that I may reach London by that day they advise that I should leave India by the "Franconia" saili from Bombay on the 9th August '47.

[illegible] As already warned by the government in their G.O. No. 1451/46 (Edn.) and subsequent circulars that I should not resign the present job, till I got definite orders from the government, I have made no arrangements at all for terminating my contracted service with The Tata Iron and Steel Coy. Ltd. I have entered into a contract with the above company for a period of five years from Feb '46, and, the contract requires me to serve on them one calender month's notice in case

I leave their services during the contracted period. The earliest Calender month will only be in the month of September as August is just started and I do not wish to resign my job unless I get definite orders from you again to do so, and it is not possible for me to start immediately by "Franconia". If a postponement of my departure is arranged, and if I am informed in time of it, by the 31st August 47, I may give the Company the required notice on the 1st September '47 itself for the termination of service. Then I will be in a position to sail on the first week of October, at the earliest. If my training is postponed further, I request, sufficient time is given to me to allow for the notice period.

In the light of the above difficulties, ~~and~~ I request you to ~~allow for the~~ consider my case favourably and arrange for the postponement of my voyage.

Reference this Department Memo of even number dated March 5th. 1947, and your letter No. 19251.C-2/47-1 EDUCATION, dated April 29, 1947, regarding Mr. R.PADMANABHAM, Madras Government 1946-47 sponsored Scholar.

2. The Government of India note that the Provincial Government accept the arrangements made for Mr. Padmanabham in the U.K. for one year's training in the manufacture of D.C. and A.C. Motors, high tension D.C. Motor Generators, etc., and they have no objection to the arrangements since the latter are approved by the Provincial Government. The Government of India would, however, like to have their presumption confirmed that as mere practical training is outside the scope of the Overseas Scholarships scheme, the Provincial Government will bear the entire cost of training in respect of this scholar. The Overseas Scholarships are awarded for essentially educational courses, though in many cases practical training in varying ~~degrees~~ measures may form an integral part of those courses. A further general condition of the award of these Scholarshi is naturally that suitable places can be secured in institutions abroad for the selected Scholars. If, in any case, suitable arrangements cannot be made or it is found that there is no suitable educational course in the subject for which a Scholar has been selected, that scholarship will have to be cancelled, though the Government of India would be most reluctant to cancel the award of a scholarship

p

once made, even though provisionally, unless they had explored all avenues and were forced to the conclusion that arrangements for training, in accordance with the purpose and scope of the Overseas Scholarships scheme were not possible. In such case, however, if arrangements are possible only for practical training and if the Provincial Government are prepared to send the Scholar on their own, the Government of India will be prepared to offer their co-operation and assistance ~~kmx~~ in every other way, though they are unable to share the cost of training in view of the purpose and scope of the scheme. As the Provincial Government are already aware, practical training, as such, falls within the purview of Labour Department and not of this Department, but this Department will be willing to make these arrangements made in the case of Scholars originally selected under the Overseas Scholarships scheme.

P

I am directed to invite a reference to the Correspondence resting with the Memorandum from the G of I No. F. 7-8/46-O.D IV dt 20-8-47 on the subject mentioned above. When ~~communicate~~ ~~intimating~~ ~~communicating~~ the offer of Messrs Machie and Co. London to admit Mr. R. This Govt. therefore proceeded on the footing that it was under the Scheme and made all arrangements regarding Mr. Padmanabhan's passage to the United Kingdom. If ~~they~~ the Govt of India had, even when the offer was sent, indicated that they considered ~~that~~ the training to be outside the Scheme, this Govt. could have requested the G of I to make any other suitable arrangement ~~as to~~ in regard to his admission ~~as could be~~ such as would be consistent with the Scheme. pp30-31 cF

I am directed to invite reference to my letter No.46178 C2/47-5 Edn., dated 9-8-47, on the subject noted above. In thi Department's Memo. of even number dated 9-8-47, Mr. R. Padmanabhan was asked to give notice to his employers on 1-9-4 of his intention to leave their service on the expiry of one month after that date and to keep himself ready to sail by an passage that might be offered to him, after 1-10-47. Subsequ ly, in their Memo. No.F.7-8/46-ODIV dated 20-8-47, the Govt. India stated that they were unable to share the cost of train of the scholar in view of the purpose and scope of the scheme In view of the decision of the Govt. of India, Mr.R. Padmanabh had to be warned that he should not give notice to his employ on 1-9-47 as previously instructed. He was later informed th the question of sending him to the United Kingdom for advance studies was still under correspondence with the Govt. of Indi and that, if and when a definite decision was reached, he would be informed sufficiently early so as to allow him to make the necessary arrangements.

2. The telegram from the Govt. of India agreeing to share the cost of the candidate's training and asking him to accept a passage by S.S. Asturias was received on the 3rd. October. On communication of the telegram to the candidate, h has wired that one Calendar month's notice is required to h Employers and he is, therefore, unable to start by Asturias. This Gov consider that the scholar cannot normally be expected to accep the passage at such a short notice in view of the circumstanc stated in para 1 above. Subject:- Overseas Scholarships 1946-47 - Madras Government Scheme - Mr. R.Padmanabhan.

Sir,

pp 24-25 ante

With reference to your letter No. 46178/C2/47-7 Edn., dated 25th September 1947 on the above subject, I am directed to state that the Government of India have agreed as a very special case to share the cost of training in respect of Mr. Padmanabhan;

pp 17-18 ante

It is, however, necessary to refer to you our letter No. F.7-8/46.O.D.IV, dated 20th August for a clear picture of the purpose and scope of the overseas Scholarships Scheme. It may, be emphasized again that the Overseas Scholarships are awarded for essentially educational purposes and if in any case suitable arrangements cannot be made in accordance with the purpose and scope of the scheme, that scholarship has to be cancelled. But, as stated in the abovementioned letter, the Government of India, are most reluctant to cancel the award of a scholarship once made. The Government of India, therefore, finally agreed to accept your proposal as a very special case. It is, however, hoped that the Provincial Government will not take this as a precedent for any future recommendation outside the scope of the Overseas Scholarsh scheme as explained in this Ministry's letter referred to above.

I have the honour to be,

In Memo No. 49921-C2/46-2 Edn, of 4.9.46, Sri R. Padmanabhan was awarded a scholarship by this Govt in 1946-7 for advanced studies in the U.K. in "Manufacture of Electric fans, small motors and Starters". ~~since then~~ The candidate is employed in the Tata Iron & Steel Co Ltd, Jamshedpur. He has to give one month's notice to his ~~employers~~ to leave their service and consequently he was not able to accept the passages arranged for him in the two boats which sailed from Bombay on 9.8.47 and 8.8.47. He was therefore asked to give one month's notice to his employers from 1.11.47 and to keep himself in readiness to sail at short notice after 1.12.47. In Dec '47 the candidate's parent informed Messrs Thos Cook & Son that the candidate had decided not to avail himself of the scholarship offered to him and the passage arranged for him in the boat which sailed from Bombay on 12.12.47 was therefore cancelled. This Govt have now decided to withdraw the scholarship awarded to the candidate

OVERSEAS SCHOLARSHIP - 1946-47 - Mr. R. Padmanabhan.

--

Mr. R. Padmanabhan is a candidate selected in 1946-47 for the award of an overseas scholarship in "Electrical Engineering - manufacture of Electric fans, small motors and starters." The High Commr. in the U.K. has arranged for the candidate's training at Messrs. W. Mackie & Co., Ltd., London. The training commences on 8-9-1947. In memo dated 23-7-1947 Mr. Padmanabhan was therefore asked to keep himself ready to sail to the U.K. accepting the first passage that may be offered to him by Messrs. Thos. Cook & Son, the Travel Agents. ~~He has now been~~ The Travel Agents have offered him a passage by s.s. Franconia sailing from Bombay on 9-8-1947. In his letter on pages 10-11 c.f. ~~he~~ Mr. Padmanabhan states that it is difficult for him to accept the passage on 9-8-1947, as he is now under a contract with his employers, which requires him to give one calendar month's notice for leaving the service and there is hardly any time left for fulfilling this condition. He requests that a postponement of his departure may be arranged so that he may give due notice to his employers of his intention to resign.

It is for consideration whether Mr. Padmanabhan may be asked to give the ~~reqd.~~ required notice to his employers ~~before, say, 15-8-1947~~ on 1st Sept. 1947 and to keep himself ready to sail by any passage that may be offered to him after ~~15-9-1947~~ 1. 10. 47. He may also be warned that if he failed to accept that passage also the scholarship awarded to him will have to be withdrawn. The Govt. of India may be informed of the position and they may be requested to arrange to keep the offer of Messrs. Mackie & Co., open till the candidate's arrival in London, which will probably be by about the ~~middle~~ end of October 1947. For orders.

~~Public~~ Dept. may see for remarks.

EDUCATION AND PUBLIC HEALTH DEPT.

Please see the notes above and the memo. from the Govt. of India on pages 17-18 cf. The subject of study offered to Mr. R. Padmanabhan is "Electrical Engineering - manufacture of electric fans, small motors and starters". This subject was proposed by Devt. in consultation with the Director of Industries and Commerce. The Dev. Dept. had also suggested that ~~the Scholar's postgraduate~~ University of London would be suitable for the Scholar's postgraduate study and Crompton Engineering Co. for the Scholars works training. The High Commr. for India in London could not arrange for Mr. Padmanabhan's admission in the University of London "as ~~training in~~ Universities do not train students for manufacture of articles". As the most appropriate course for "manufacture of electric fans, small motors and starters" would be works training the High Commr. tried to place Mr. Padmanabhan ~~admi~~ in a suitable firm in the U.K. He conveyed the offers of two firms for Mr. Padmanabhan to this Govt. The Govt. accepted the offer of one of the firms, Messrs. Machie & Co. Ltd. and asked

the High Commr. (thro' the G. of India) to arrange accordingly. Now the Govt. of India state that as Mr. Padmanabhan is to get only practical training, which is outside the scope of their Overseas scholarships scheme, this Govt. should bear the entire cost of the candidate's training or the scholarship awarded to the candidate should be cancelled.

66

It does not seem the Govt. would agree to bear the entire cost of Mr. Padmanabhan's training. The other alternative, viz. cancellation of the scholarship may be considered.

The scholarship was originally offered to Mr. Padmanabhan on a provisional basis subject to the availability of admission in institutions abroad and passage. But on 25-7-47 the candidate was informed that admission was arranged for him in Messrs. Machie & Co., Ltd., London and he was asked to proceed to the U.K. by 8th Septr. 1947. A passage also was secured for him by s.s. Franconia on 9-8-47. But as Mr. Padmanabhan could not accept a passage by s.s. Franconia, he applied to the Govt. for permission to sail after 1-10-47 giving one month's calendar notice to his present employers on 1-9-47. This was agreed to. It is not clear if the Govt. will be in order ~~to cancel~~ the scholarship now. The position stated at "P" on pages 17-18 c.f. will not apply to this case. Devt, Fin.? & Legal may see for remarks. In the meanwhile, a draft telegram to Mr. Padmanabhan asking him not to give notice to his employers on 1-9-47 is put up for appl.

Mr.R.Padmanabhan is a candidate selected in 1946-7 for the award of an overseas scholarship in 'Electrical Engineering - manufacture of electric fans, small motors and starters' in the University of London in the United Kingdom. But as the Universities do not train students for the manufacture of articles, the High Commissioner for India secured for him a place in a private firm in the United Kingdom viz., Messrs. W.Mackie & Co.,Ltd.,London for undergoing training for a period of one year at a cost of 50 guineas(Rs 700). This Govt. accepted the above arrangement on the presumption that the Govt.of India would bear half of the expenditure under the overseas scholarships scheme. The candidate who is now employed under the ~~Tatas~~ Tata Iron & Steel Co. is asked to keep ready for sailing early in October. But the Govt.of India now inform that the practical training arranged for the candidate falls outside the scope of the overseas scholarship scheme which is essentially intended for educational courses and that this Govt should bear the entire cost of the training of the candidate and that the Govt.of India will give co-operation and assistance in every other ways - please see their memorandum on pp.17-18 c.f. The question has now arisen whether in the circumstances, the scholarship may be cancelled or whether the candidate may be allowed to proceed to U.K. at the full cost of this Govt. The Secretary, E& P.H. is of the opinion that in the

P.t.o.

special circumstances noted by him on pp.3-4 above the Govt.of India may be urged to bear half of the expenditure and that in the case the Govt.of India refuse we may bear the entire cost of the training of the candidate. Development agree with the proposals of E.& P.H.

2. The cost of training which this Govt. will have to bear, if the Govt.of India refuse to share half to half, will be approximately as shown below:-

Cost of training	50 guineas	or Rs 700
Maintenance charges in U.K	400 pounds	or Rs 5300
plus concessions of passage, etc.		Rs 1000 roundly.
		Rs 7000

In the special circumstances of the case this department may also agree with the proposals of E.& P.H. // 3 The general scheme for sanctioning overseas scholarship in 1946-7 was sanctioned after observing the new service procedure. 'New Service' procedure need not be observed in this case. The case may be circulated to H.M.(Finance). [The total expenditure is only Rs 7000 non-recurring and no reference to S.F.C. is necessary].

See below

4 The case may be ~~returned to E.& P.H.~~ passed on to Legal.

RS 2.9.47

29.47

It seems to me that there is much to be said for the point of view expressed by India in their letter at pp 17-18 of and that this case is one of practical training in industry which does not qualify for scholarship. I very much doubt if India will change their view.

If India do not change their view we will have gained nothing. ~~[illegible]~~ In case this individual is not eligible for a "scholarship" but has to be paid, as an industrial trainee by this Govt, will we be able to give his scholarship to someone else. If we can, and India agree, this would perhaps be more profitable. India may perhaps be addressed on this point.

68

If the Govt consider that it is in the interests of the Provincial Govt that industrial training in manufacture of electric fans, motors etc should be given to Mr Padmanabhan, and that such training cannot be given in India itself, then ~~the question of the~~ we may agree to bear the cost of the deputation and training.

The candidate was one of those selected during the year 1946-47 for foreign studies - See page 9 of flag (J). Under paragraph 3 of G.O. No.1451 Education dated 25-7-1946, each candidate has to execute a bond with two sureties. It is not known whether any bond has been executed in this case and whether the provisional offer has been confirmed. If a bond has been executed, the Government could cancel it only for the reasons set out at A on page 9 of (f).

It is clear from the above G.O. that the selection is only provisional and is subject to the availability of admissions to the institutions abroad and passages, and that in the event of either the admission or passages not becoming available, the provisional offers could be withdrawn. It would seem therefore that the offer could be withdrawn until the award of scholarship is confirmed. However, the notes of Development and E. & P.H. show that the intention is that the training is necessary and should be given. It is therefore unnecessary to pursue the question of the Government's liability in the event of the cancellation of the arrangement.

The notes from page 3 ante may be perused. The Develop.Deptt. agree to this Department's suggestion that the Government of India ~~may~~ may be addressed in the first instance as at 'M' on pages 3 to 4 ante and that if they do not agree to share half the cost, the entire expenditure on the training of the scholars may be met by this Government. The Fin.Department also agree to this subject to the remarks of the Deputy Secretary on pages 6 to 7 ante.

A

With reference to the Deputy Secretary's remarks, it may be pointed out that the scholarship cannot be granted to any other candidate as the subject itself, being one relating to industrial training, does not come within the scope of the scholarship scheme. The Finance Deputy Secretary apparently means that the scholarship may be granted for some other subject. In another connection the Govt.of India have already stated that scholarships for fresh subjects cannot be given now. It may also be stated that ~~this~~ it may not be possible to given the training required in India itself. The Devep.Department consider that the subject ~~xx~~ is an important one. In the circumstances for orders whether the proposal at 'A' above will be approved. If the Govt.of India refuses to share the cost of the training, the total expenditure that would have to met by the Provincial Government will be Rs. 7,000/-.

This letter had not reached the Govt. Probably it ~~had been~~ might have been lost in transit. This letter, if it had reached the Govt., would have served the purpose of having given sufficient notice for the cancellation of the passage. Anyhow, ~~it~~ the letter from Messrs Thos Cook & Son Ltd ~~would~~ on p72 cf would prove that the Scholar's father had given sufficient notice ~~as~~ to the Travel Agents and that they, in their turn had cancelled the passage offered on the 12th of Dec. 47 in time, presumably avoiding any loss on account of the cancellation. In the foregoing circumstances, the candidate cannot be penalised for what he had done. However, it would appear from 'A' on p17 ⓣ that the concurrence of the C. of I. is necessary to accept the explanation offered by the candidate for his inability to avail of the passage. They may be consulted.

2. The question arises whether Mr. Padmanabhan should be offered a fresh passage to enable him to join Messrs W. Mackie & Co. Ltd. London. This offer of admission was made ~~even as back~~ ~~in~~ July 47 ~~and~~ The Scholar had been refusing to accept passage after passage offered to him since August 47 ~~and~~ for some reason or the other and the Govt. [illegible] asking the C. of I.

Vide [illegible]

to make arrangements for keeping the offer open till the scholar arrived in the U.K. The last time, the C. of I. were addressed in the matter was in Oct 47 – Vide the Letter on pp 40-41 cf. As it is more than six months since the offer of admission ~~is~~ was made ~~and~~ ~~as~~ It may not be possible for Mr. Padmanabhan to reach the U.K. before the end of February ~~at~~ the earliest in view of passage difficulties. and it is quite probable that Messrs Mackie & Co. may be reluctant to keep the offer open for another one or two months as the case may be. It may also be seen from the letter on p84 cf. that Mr. Padmanabhan does not seem to be keen on availing himself of the scholarship ~~in view~~ ~~of~~ as he has not replied pointedly to the reference whether he has decided to relinquish the scholarship. Judging from the past, it is submitted that this Govt. as well as the C. of I. will be put to unnecessary trouble if the scholar were to refuse the next passage that may be offered to him. ~~In the circumstances, it is for consideration whether the Scholarship may be awarded to him may be cancelled with ref. to the Memo. on p66 cf on the ground that he had failed to comply with the instructions contained therein~~ For orders whether the scholar may be asked to avail whether he wants the scholarship at all. Please see the portion side-lined 'A' on p72 cf. Dev and Fin. may see for remarks before circulation.

The G of I have again reminded whether Mr. Padmanabhan's scholarship still stands or has been ~~called~~ cancelled. The matter is pending with Messrs Thos Cook & Son, Madras, who have

been asked to furnish ~~certain~~ copies of certain letters written by the scholar and his parent asking them to cancel passage arrangements made for the scholar. The Travel Agents last stated that the relevant file could not be located and that a search was being made for it. As the Govt of I want an immediate reply regarding this scholar they may be informed of the position. A draft letter is submitted for approval. A copy may be sent to Messrs Thos Cook who may be requested to expedite reply.

The ~~question~~ of ~~the~~ acceptance of the scholarship by ~~R. Padh~~ Padmanabhan has been pending for nearly a year. I do not think this is necessary. I think the letters at p 84 & the 72 & 74 Cf are sufficient warrant for us to cancel the scholarship. Scholarship cancelled.

Sri R. Padmanabhan is a candidate selected in 1946-7 for the award of an overseas scholarship in "Electrical Engg. Manufacture of electric fans, small motors and starters" in the University of London. But as the Universities do not train students for the manufacture of articles, the High Commr for India secured for him a place in a private firm in London for undergoing training for a period of one year. The arrangement was accepted by this Govt on the presumption that half the expr would be borne by the Govt of I as usual. The candidate was asked to keep himself in readiness and to accept the first passage that might be offered to him by the Travel Agents so as to reach U.K early in Sep '47.

pp 7-8 Cf

2. The candidate is employed under the Tatas at Jamshedpur and as he had to give one month's notice to his employers he could not accept the ~~first~~ passages offered to him on 9-8-47 and 8-8-47. The candidate was then asked to give one month's notice to his employers from 1.11.'47 and to keep himself in readiness to

p 62 Cf

(F III)

sail at short notice after 1.12.47.

3. In Dec 47 the Travel Agents reported that as they had been advised by the Candidate's parents that the candidate has decided not to avail himself of the scholarship offered to him they have cancelled the passage arranged for the scholar in the boat which left Bombay on 12.12.47. The candidate who was asked to explain has stated that on account of a sudden bereavement in his family he could not accept the passage. It has been decided that the scholar should not be penalised for the loss, if any, to the Govt on account of the cancellation of the passage if the Govt of India also accepted the candidate's explanation. The matter has been referred to the G of I & their reply is awaited. pp 72 cf pp 84 cf pp 86-87 cf

4. As the scholar has been unable to accept the passage for one reason or other as it is reported that his parent has advised the Travel Agents that he has decided not to avail himself of the scholarship, it is considered that there is sufficient ground to cancel the scholarship. DEO and DPI agree with the Dept that the scholarship may be cancelled. It is presumed that the cancellation of the scholarship will not involve any loss to the Govt as the Travel Agents had been given sufficient notice by the Candidate's parent to cancel the passage without incurring loss. Orders may be obtained in circulation whether the scholarship may be cancelled. The G of I have enquired now whether the scholarship still ~continues~ stands or has been cancelled. The file may be circulated to H.M (Edn) & H.M (~Fin~ Ind) pp 72 cf pp 18-19 ante pp 98 cf
