From

Mrs. J. Moses B.A.L.T.,
Inspectress of Girls' Schools,
Second Circle, Nellore.

To
The Director of Public Instruction,
Madras.

Sir,

In February 1947 on the eve of my departure, students of Queen Mary High School wanted to present me an address and its container, a cylindrical silver casket about 2" in diameter and 8" in length costing about Rs.60/- or Rs.70/- I declined with thanks. Two weeks afterwards they brought it to me again ^{promising} stating that they would refer the matter to the Director of Public Instruction, Madras about this presentation. I could not displease the affectionate students and accepted the same on the above condition. Since the present was not of daily use I forgot about the matter afterwards.

Now I have come to know that the students have not referred the matter to you. So I am now placing the facts before you and awaiting your orders as to its disposal.

I beg to remain,

Sir,

Your most obedient servant,

Mrs. J. Moses B.A.L.T.,
Inspectress of Girls' Schools,
Second Circle, Nellore.
