Station Madras, Dated the 21--6--1948 19

From (Name) Sri D.S. Reddi, M.A., (Oxon),

(Designation) Director of Public Instruction

To The Secretary to the Government of Madras,  
EDUCATION & PUBLIC HEALTH Department.

Sir,

Ref: G.O.No. Ms 32 Edn., dated 5--1--1948.

---  
In G.O. referred to above, Government sanctioned additional staff for my office, consisting of two Superintendents and 8 clerks especially in connection with the assessment of teaching and other grants to secondary schools under private and local bodies management notwithstanding my request for further staff made in my letter R.C.No. 676 F/47 dated 9-10-1947 for increase in work in other section. No doubt Government have since sanctioned further staff for the office, but they are for special reasons, i.e. for work newly started like Basic Education and Adult Education. So the need for more staff for the increased work for the office as a whole has still to be met. I have as far as possible -- undertaken a re-distribution of the work of all the sections in the office and still find that the staff is not at all adequate and needs further strengthening. However, I am prepared to wait for some more time so that I shall be in a position to report to Government in more detail, regarding the minimum additional staff required further for my office as required in para 2 of the G.O. No Ms 32 Education, dated 5th January 1948.

2. Meanwhile, I request that Government may be pleased to sanction the further continuance of the staff sanctioned in their order referred to above with effect from 15th July 1948 Fore-noon (as the present sanction expires on 14-7-1948 A.M). In support of this request, I have the honour to invite the attention of Government to my letters R.C. No. 534 Fl/47, dated 16--7--1947, 10-10-1947 and 14-12-1947 wherein I have detailed the reasons for the necessity of the staff sanctioned. It may be seen therefrom that the work assigned to the staff is of a permanent nature and that therefore their further continuance is necessary. I may also mentioned in this connection that for the same reason the staff may be sanctioned for a longer period than six months so that I may not have the need to address Government in this regard every now and then. I need not mentioned that without the additional staff it will not be possible to carry on the work of assessment of teaching and other grants to Secondary schools.

3. I request the favour of very early orders in the matter as the present sanction for the additional staff expires on 14--7--1948.

I have the honour to be, Sir,  
Your most obedient servant,

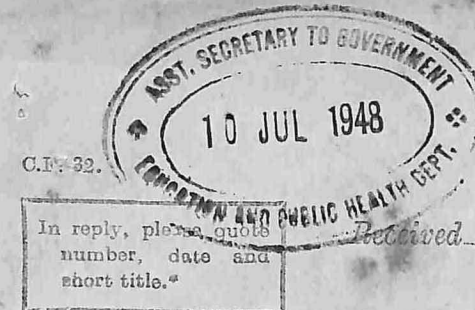

For Director of Public Instruction.

Please see the reference from the D.P.S. in the C.F. and the note of E.H.H. above. For the increase of work in D.P.S. office in G.O. 32 Edn of 5.1.48 the following staff were sanctioned for a period of 6 months in the first instance.

- 1) Two Superintendents (Gr II)
- 2) Four W.D. Clerks and
- 3) Four L.D. Clerks.

While sanctioning the above staff, the D.P.S. was informed that proposals for the Continuance of the above staff beyond the period of six months, should be supported with a statement showing in one view, the nature and volume of work transacted in his office, the total staff employed, and how the work is distributed among the various members of the staff. It was also pointed out that the office should be viewed as a whole and it is not sufficient if the needs of particular sections are emphasized - cf. para 2 of G.O. 32 Edn dated 5-1-48.

The D.P.D does not seem to have furnished any such statement, ~~nor have~~ <sup>nor have</sup> E.P.H asked for it. However in view of the fact that the present sanction for the additional staff expires on 14-7-48, this dept may agree to the continuance of the staff, sanctioned in G.O. 32 Edn & 5-1-48 for a further period of one month from 15-7-48. In the mean while, E.P.H may be requested to get from the D.P.D, the information referred to at A on p1 above, and examine the necessity for any further continuance.
