Si

I am a student from Hyderabad. Having done the B.Sc of Madras University from Nizam College in 1947, I joined The Osmania Engineering College for the degree course of Engineering. But due to the State wide disturbances and the practically impossible conditions for Hindus to live in Hyderabad, I had to leave the place and come back to Rajahmundry, which was my birth place but from where we had migrated quite long ago. Having thus lost one year due to no fault of mine I hope to save another year loss. As the situation has still deteriorated in Hyderabad I cannot hope to go back. So I request you to grant me a seat in any of the Engineering Colleges of the Madras University.

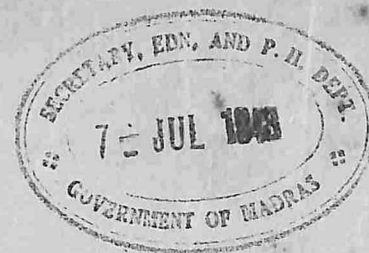

your Board which has been so generous in offering us
shelter will I hope be still more generous in offering us
chances to prosperity by giving us education. I hope your
Board will give ~~me permission~~ The College ^{the} permission to
admit me.

Expecting the necessary action
