CL. No. 53 C/48, Dated 2nd July 1948.

Sir,

Subject:- Madras Educational Service - Retirement of
Sri N. Subba Rao, District Educational Officer,
South Kanara - Proposals for filling the con-
sequential vacancy.

IN G.O. No. 2632 Education dated 10th December 1947 Sri
N. Subba Rao, District Educational Officer, South Kanara, Mangalore,
has been permitted to retire from service with effect from 17th July
1948. There is, at present, no probationer who is awaiting re-appoint-
ment to the category of District Educational Officers in the vacancy
that will arise on Sri N. Subba Rao's relief from the post of Dis-
trict Educational Officer. There is also no candidate in the
"Approved List" for appointment to the present vacancy. It is,
therefore, necessary to appoint a suitable Officer from the Madras
Educational Subordinate Service to the post of District Educational
Officer under emergency provisions.

2. I recommend that Sri H. Rama Rao, M.A., L.T., B.O.L.,
District Board Educational Officer, South Kanara, Mangalore, may
be appointed temporarily, to officiate as District Educational
Officer, South Kanara, under Rule 9(a)(i) of the General Rules
for the Madras Provincial and Subordinate Services. Sri H. Rama
Rao is the senior-most Officer among the ~~Kannada~~ Deputy Inspectors
and School Assistants in the Selection Grade who are eligible for
appointment by transfer as District Educational Officer in the
Kannada area. His confidential record is good. His name has
also been recommended to the Commission for selection and inclusion
in the "Approved List" for appointment by transfer to the category

category of District Educational Officers in the Kannada area.
Pending the selection and inclusion of his name in the "approved
list" by Government, I request that the appointment of Sri H.
Rama Rao may be ordered under emergency provisions.

3. I solicit the favour of early orders.

I have the honour to be,
Sir,
Your most obedient servant,

Dear Hon. Mr. Chettiar,

I think you may remember my speaking as well as

writing to you about one Sri. H. Rama Rau M.A., L.T.,

B.O.L., District Board Educational Officer, S.K., who

holds high Kannada qualifications and is fairly senior

in service, and suggesting you to consider his claims

for appointing him as D.E.O. Shall I just remind you

again of this request, for in my opinion he deserves

this both by qualification and well as seniority,

when the post of D.E.O. will be vacant in this district

when by the retirement of Sri. N. Subba Rau next month.

We have read in papers the appointment of
Sri. Gurubatham as a minister to our Cabinet. That is
a new name for many of us. Yet I hope he will be a ~~happy~~
a satisfactory choice.

Yours sincerely

Subject:- Madras Educational Service - District Educational Officer, South Kanara - Vacancy in the post - Filling of:

51825

Reference: Your Telephonic Message (By Post), dated 9-7-1948.

1 Sri K. Venkatanarayana Rao, Deputy Inspector of Schools, Penukonda Range, possesses adequate knowledge of Kannada also and he can discharge the duties of the District Educational Officer, South Kanara.

2 In this connection I may point out that according to the new scheme of recruitment of District Educational Officers based on the requirements of each linguistic region, I have included the name of Sri K. Venkatanarayana Rao in the list of candidates to be considered for promotion as District Educational Officer in TELUGU area and have recommended to the Commission the selection and inclusion of his name in the "Approved List" for promotion in the Telugu Area. Similarly Sri H. Rama Rao's name has been recommended to the Commission for selection for appointment as District Educational Officer in the Kannada area. As the vacancy at South Kanara is one which occurs in the Kannada area I recommended the temporary appointment of Sri H. Rama Rao. I may here invite your attention to paragraph 5 of your D.O. No. 22360 A.4, dated 1st June 1948, according to which my

P.T.O.

proposals for postings and appointments of District Educational Officers should be such as to avoid too frequent transfers. Sri K. Venkatanarayana Rao belongs to the Telugu area and is more competent to be District Educational Officer in the Telugu districts rather than in a Kannada district. If he is posted to South Kanara he will have to be transferred to some Telugu district some months hence, thus entailing in an avoidable change in the post of District Educational Officer, South Kanara. If Sri H. Rama Rao is posted to South Kanara now there is every likelihood of his not being disturbed from South Kanara for at least one year, if

3 If, however, the Government consider that Sri K. Venkatanarayana Rao, should not be superseded by his junior, even temporarily, I have no objection to ~~xxx xxx~~ his being appointed as District Educational Officer, South Kanara, in the present vacancy, under emergency provisions.

Orders appointing Sri K. Venkatanarayana Rao as D.E.O., S. Kanara, under the emergency provns., are being issued separately.

2. The Govt. consider that, by virtue of Sri Venkatanarayana Rao's having studied Kanarese as one of his subjects for his M.A. degree, he shd. be deemed, for the purpose of appt. as D.E.O., S. Kanara, to come up to the standard of proficiency in the regional language to be expected of D.E.Os., provisionally accepted by Govt. in their Memo.No.83673-A-7, dated 14-6-48. If the D.P.I. considers him suitable for appointment as D.E.O., his name shd. be recommended for inclusion in the list of candidates ~~xxx~~ appointed for appt. in the Kannada area as well as in the list of ~~xxxx~~ persons for appt. in the Telugu area. From the D.P.I., No.53-C/48, dated 2-7-48

M.E.S. - Post of D.E.O., S.Kanara - Vacancy.

The post of D.E.O., S.Kanara, is due to fall vacant on 17-7-48 consequent on Sri N.Subbu Rao's retirement from service. There is no candidate awaiting appointment in the approved list drawn up by Govt. in consultation with the Commission. The ~~Dir~~ D.P.I. has therefore proposed an emergency appointment. The candidate recommended by him for the tempy. appt. is Sri H.Rama Rao, permanent School Asst., on other duty as D.B.E.O., S.Kanara. His mother is Kannada. But, there is a senior of his, Sri K.Venkatanarayana Rao, who, it is admitted by the Dir. himself, possesses an adequate knowledge of Kannada and can discharge the duties of D.E.O., S.Kanara. The Dir. has no objection even for the tempy. appt. of Sri Venkatanarayana Rao. The reasons why has has recommended ~~xx~~ Sri Rama Rao are A at p.5 C.F. and B at p.6 C.F. Re: A, it is subd. that one of the proposed to be adopted for appointing candidates to posts of D.E.Os. in the four linguistic areas is that the candidate should have studied the language of that area as his second (now first) language in the high school course. Leaving aside the fact that Sri Venkatanarayana Rao has passed the Dy.Inspr.'s Test in Kannada, he is an M.A. in Telugu and Kanarese. The standard refd. to above shd. be taken to have been more than satisfied in case of a person who studied the language as one of his optionals for a post-graduate degree. Strictly speaking, Sri ~~Ram~~ Venkatanarayana Rao's name shd. be included both for appt. in both in the Telugu and in the Kannada area if his turn for appt. in the Kannada area comes first. He shd. be apptd. ~~there~~ & retained until he can be transferred to a Telugu dt. ~~As~~ B at p.6 C.F. is not a quite justifiable ground on which a junior shd. be promoted over a senior who is considered/suitable.

To
Hon. Sri. Avinashilingam Chettiar,
Minister for Education,
Fort St. George, Madras

47447
Rk

My dear Sri Avinashilingam Chettiar,

I Sincerely congratulate you on your new Educational policy which
I have been closely following in your public statements and addresses.
The much needed change in the Secondary Education is now introduced and
I am confident it will be appreciated by the public in course of time.

In fact the places you have assigned to regional, Hindi and English
languages in your Secondary Education scheme tallies with the overwhelm-
ing evidence and the conclusions of the Karnataka University Committee of
which I was a member. I hope this policy will meet with the approval
of the Central Committee.

The scheme of Education that is to be followed in the Higher Elementary
Schools in this Presidency requires a suitable change so that the boys
who pass the Lower Secondary Examination at the end of ~~ninth~~ the eighth
year study and who wish to join High school or the Third Form in the
Secondary school should not find Hindi or Sanskrit Greek. I do not know
the affairs in Tamilnad but in these parts the boys pick up Hindi as
any other language and it is much easier to them than English.

I am glad to observe that you have been consistently following the
strict enforcement

12 enforcement of Regional Language Policy. This requires opening of schools in Kannada in the Kannada areas of Salem and Coimbatore Taluks which I visited in the last month. The policy followed in the city of Madras will have to be followed in those bilingual areas until they fall in one of the respective Linguistic provinces. I hope you will kindly consider this aspect of the problem.

The opening of Kannada B.A. course in the Govt. college in Anantapur is very much appreciated as a great service to the Kannadigas in the Madras Presidency. I thank you for the same. I request you to open similarly B.A. Kannada courses in the Govt. College in Mangalore. This district is purely Kannada and the medium of instruction is Kannada throughout and I remember how you treated the claim for alternative medium. There are three Sanskrit colleges in this District and several Sanskrit schools probably highest number next to Malabar. Several boys pass out from these colleges and from the Advanced Sanskrit schools several pass out every year. Many of them would like to join Intermediate with group D. But that course is not yet started in the local Govt. college. I request you to start the same in the coming year. There is also a demand for opening Science courses in the ~~same~~ College. At present B.Sc. Course is available to a restricted number in the Aloysius College but a large number of boys return disappointed. I earnestly request you to open B.Sc. Course from next year in the Govt. college Mangalore.

I understand the present incumbent in the D.E. Office Mr. Subba Rao is going to retire in a few days. This district suffered a great set back in the past on account of non-Kannada incumbents in this office. Every non-official effort in the matter of opening new schools was being discouraged and Kannada particularly suffered a great deal in the past. During the regime of Mr. Subba Rao things improved very much. I have been following the work of Mr. H. Rama Rao, M.A.L.T. the South Kanara Dt. Board educational officer for the past several years. He is a highly qualified person now in office, commands respect and esteem in the public. He has been responsible in opening nearly half a dozen High schools in the rural areas in this district. The public would very much like to have a person like him as

the D.E.O. as he is a Kannada vidwan and a B.O.L. You have made an appeal to the public to come forward to open schools in villages where there are none. There are several such villages in this district. Madras Presidency compared with the States of Cochin and Travencore in this respect is very backward. I am confident that Mr. Rama Rao will be a very successful officer in this respect. In these days of National awakening we would like to have officers who know the regional language and local conditions and men who carry the goods.

I hope my appeal to you to appoint only the Kannada Knowing officer to the office of D.E.O. in this district will receive your kind approval.

Thanking you,

Yours sincerely,

K. B. Jinaraja Hegde

able to reach the maxima of the scales but will reach only particular stages in the scale lower than the maxima before their retirement, and if the cost is worked out with reference to that consideration, Rs. 21,000 roundly will be the extra expenditure per annum.

It may be taken that not more than one direct recruit who is not a non-Government school teacher, will be appointed each year. The pay and dearness allowance to be paid to him during the period of his B.T. or B.Ed. training and administrative training will come to Rs. 2,100 roundly.

The total extra cost will thus be Rs. 30,500 per annum or Rs. 22,100 per annum, depending on the manner of calculation indicated above.

10. Orders are solicited whether the scheme as detailed in para 8 above will be sanctioned. Action to obtain from the Legislature a supplementary grant will be taken. The statutory service rules will also have to be amended in consultation with the Madras Public Service Commission.

11. The Hon'ble Minister for Education wishes that, if the Cabinet considers it too costly to raise the minimum of the scale of pay from Rs. 230 to Rs. 300, it might approve of the proposal originally placed before it. (Paragraph 3 above).

My Dear Hon. Mr. ...

Some time ago I approached you and represented that Mr. H. Rama Rau's promotion in the Education Department was overdue. He has now joined the Department leaving the District Board as the Senior Deputy Inspector of Schools, Mangalore, hoping that he might be promoted as District Educational Officer. I understand that certain influences are working against him. But I believe that such influences might not cause him injury so as to deny him justice. He is the senior-most hand in the Department, waiting for promotion and he has put in 25 years of service in this as well as in Bellary and Malabar Districts. He is a M.A., L.T. and B.O.L. in Languages, including Kannada and Malayalam etc. He knows the local languages Tulu and Konkani. In my humble opinion the time has come to promote him and I am sure that you will be consulted before any appointment is made.

He is one I have seen who takes pains to develop education, and he was responsible in starting more than half a dozen High Schools. In this age of increased educational activities I wish a person like Mr. H. Rama Rau is really encouraged by the Government. I request you to appreciate what I have written here-in and do what-ever is possible, at least see that injustice is not done to him.

The name of Sri H. Rama Rau was considered when the post of D.E., S. Kanara, was filled temporarily in July last. But his senior was promoted then. The D.E. can be expected to put up to Govt. his name again if the senior (Sri K. Venkatarayana Rao) is transferred to a Taluk district. From p. 5 of

(N) it is seen that the D.E. has already proposed to the Comm. Sri Rama Rau's name for inclusion in the approved list. Anyway, no action by Govt. on this letter is necessary. Similar
