Ref. B1-3106/47, dated 2nd April 1948.

Sir,

ESTABLISHMENT - Secondary schools - Local Bodies - Scales
of pay for Laboratory Attenders etc - Revision - Weightage
for past service - Instructions - Requested.
GO. No. 2722 Edn., dated 19-12-1947.

I submit that the Government while fixing the revised scale
of pay for Laboratory Attenders, Laboratory peons and Assistant
Manual Training Instructors employed in Secondary schools under
Local Bodies, have directed in G.O. No. 2722 Edn., dated 19-12-1947
that the pay of the existing incumbents should be fixed in the
manner specified in paragraph 2 of G.O. No. 975 Edn., dated
10-5-1947. As per the above said G.O., the employees are not
eligible for weightage for their services prior to 1-1-1947. But
the Government in their order No. Ms. 2756 Edn., dated 27-12-1947
has sanctioned weightage for the teachers in Secondary schools for
their service prior to 1-1-1947 and have directed that their pay
should be fixed in the revised scale as per the instructions issued
therein.

When all the employees in superior and inferior service under
this council has been allowed weightage for their services in the
pre-revised scale, it is presumed that the same concession has to
be extended to the employees referred in G.O. No. 2722 Edn., dated
19-12-1947 and their pay can be fixed accordingly. I solicit orders
if my presumption is correct.

FORWARDED./

The question raised in the letter of the Commr., Cannanore Mty., is about the grant of weightage for past service to laboratory attenders etc., whose scales of pay have been revised with effect from 1-1-47, in G.O. No. 2722, Edn., dated 19-12-47, whereas the draft memo put up by E. & P.H. Deptt. deals with weightage for past service in respect of all non-teaching staff. This Deptt. may suggest that the draft may be modified so as to confine its scope to the posts of laboratory attenders etc., for whom revised scales of pay were sanctioned referred to in G.O. No. 2722, Edn., dated 19-12-47. In this view, the draft may be modified as indicated in pencil.

2. The case of lower division clerks and peons in schools is slightly different in that in their case the revised scales of pay are admissible to them only from the date on which the general fund staff of the M.L. Cl. in which they are employed have been given revised scales of pay. A separate para may be added to the draft put up below to cover these cases drawing attention

p.t.o.

to G.O. No. 1422, L.A., dated 19-8-47 and Memo No. 684-15/48 dated 7-1-48.

2 With the above remarks the file may be returned to the E. & P.H. Deptt.

Please see the L.A. Deptt's note on pp 3-4 above. The question whether the laboratory date (1.1.47) from which the revised scales of pay have been allowed to the Laboratory attenders 2 years should be altered or not is under consideration separately. This may therefore lie over till a decision is reached in that file. L.O. 64 29.6.48
