 Sir, R.C.No.A5-6509/47, dated 20th October 1947.

Sub:- Establishment - Secondary Education - Board High School,
 Manjoor - payment of house rent allowance to the teachers - Orders -
 Requested.

In forwarding herewith a copy of District Board resolution No.II,
 dated 23.9.1947, I wish to state that the Board High School, Manjoor
 is situated in a remote place, 18 miles away from Ootacamund and Coonoor.
 Several L.T. candidates were posted to this school but none of them
 has joined duty and so much so several L.T. posts are vacant in the
 school at present and the District Educational Officer, Coimbatore and
 the Nilgiris has been addressed for approval to appoint raw graduates
 in the L.T. vacancies. Hence, considering the peculiar conditions
 obtaining in the locality and in view of the difficulty in securing houses
 on reasonable rent, it is proposed to pay a house rent allowance to the
 teachers working in the school who are not natives of this District,
 at 10% of their pay. I request that the Government may be pleased to
 accord sanction for the same. The amount required to meet this addi-
 tional expenditure involved will be about Rs. 600/- per annum and the
 amount required for the current year can be met from the savings under
 'Masters - Salaries and allowances', provided in the budget estimate for
 1947-48. A copy of letter L.Dis.2136-G/47 dated 7.10.1947 from the
 Director of Public Instruction, Madras is also enclosed for favour of
 information.

Special Officer,
 District Board, Nilgiris.

RESUBMITTED.

2. In view of the difficulty in securing rented houses at reasonable rates at Manjoor and also in view of the peculiar conditions said to be obtaining in the locality, the proposal of the Special Officer, District Board, Ootacamund for paying House rent allowance to the Teachers of the Manjoor Board High School at 10% of their pay subject to a maximum of Rs.10/- per mensem is recommended for approval, provided the teachers do not belong to the Nilgiris District.

3. The above recommendation is subject to the condition that the expenditure in connexion with the grant of House rent allowance is not entirely from the District Board funds.

4. Attention is in this connexion invited to G.O.No.1598 L.A. dated 22-10-1947 sanctioning House rent allowance to the servants of Vizagapatnam Municipality.

The ^{Board} ~~Board~~ has been permitted to adjust to its general account a sum of Rs 12,885 from the annual toll compensation sanctioned in the current year in order to wipe off the deficit and secure the prescribed minimum balance of Rs 9730. The B.E. for 1948-49 is also expected to close with a deficit of Rs 1,01,313 and the ^{Board} ~~Board~~ has been permitted to wipe off the deficit and secure the minimum balance of Rs 9730 by adjusting a sum of Rs 1,10,000 from the annual toll compensation grant.

As the cost involved viz Rs 600 per year is negl negligible this Dept need not object to the proposal to pay house rent allowance to Board High School teachers. The draft order above may be forwarded and passed on to the Dept. W.O.

The payment of a house rent for Govt. servants has so far been recognised only in certain Municipal towns with a population of over 50,000. Before therefore agreeing to the house rent allowance at the rates mentioned in the draft order on p.1 above, Edn. & P.H. may be requested to ascertain whether there are any other Govt. servants stationed at the place, and whether similar house rent has been so far sanctioned by the Govt. at any other place and also particulars about the date of the starting of this High School at this remote place together with its strength. In the absence of these details ~~whether the concession~~ it is not possible to judge whether the concession, which may lead to similar claims from other places, is absolutely essential ~~whether~~ especially in view of the statement that the Board cannot afford any additional expenditure - of 'K' on p.2 above.

The Govt have sanctioned the payment of house-rent allowance to their servants stationed in the municipal towns having a population of 50,000, and more. The house-rent allowance so sanctioned is not based on any percentage of pay. If the house-rent allowance for this staff is to be sanctioned at 10% of pay, it will be very difficult to resist similar claims from other Govt servants. ~~sanctioned~~ ~~sanctioned~~ ~~at~~ ~~the~~ ~~same~~ ~~rate~~ It is therefore submitted that the staff need not be given any house rent allowance.

With reference to D.S.'s remark at 'X' overleaf Edn. & P.H. have ascertained that the teachers are in receipt of Hill allowance. The case for the grant of a separate house rent in addition seems therefore weak, and it is for consideration whether this deptt. may advise against ~~the grant~~ the proposal.

May be negatived. There is no precedent for allowing a house rent allowance outside the bigger towns.

The file deals with the question of allowing house rent allowance to such of the teachers of the Board High School, Manjod as are not natives of the Board District at 10% of their pay subject to a maximum of Rs 10 per mensem. The expenditure involved in the payment of house rent allowance to the teachers is not likely to exceed Rs 600 per annum. The Examiners of Local Fund Accounts recommend the grant of house rent allowance to these teachers. Finance Deptt suggest that ~~the proposal may be rejected~~ on the ground that there are no precedents for allowing house rent allowance outside the bigger towns and that compliance with the request of the Dt. Board in this case will bring in similar claims from other local bodies which, it will be very difficult to resist.

Attention is in this connection invited to the remarks of the Special Officer, Dt. Board, The Nilgiris on p 1 c.f. It is seen that the Board High School, Manjod

is situated in a remote place (18 miles away from Golecanand) and that several L.T. posts in the school are vacant at present owing to the candidates appointed by the Dt. Board not joining duty. In order to have the school properly staffed, the Dt. Board has resolved to give the inducement of house rent allowance to the teaching staff. Personal is also solicited of the remarks of the L.A. Deptt on p 3 ante wherein it is considered that the grant of house rent allowance to the teaching staff of the Board High School, Manjod is very necessary. In these circumstances, it is for orders whether the proposal of the Dt. Board, The Nilgiris may be sanctioned as a special case.
