From :

ASST. SECRETARY

The Secretary to the Government of Madras,
Education & Public Health Department,
Madras.

Subject:- Admission of Refugee Students to Engineering
Colleges of Madras - Reservation of Seats.

50055

Sir, I am directed to refer to para 3 of your

letter No. 21466-12/47-AEdn dated the 9th June, 1948

and to convey the thanks of the Government of India
for the facilities proposed by the Provincial
Government for admission of refugee students to
Engineering Colleges in Madras Province.

2. I am to say that the Government of India are
of the opinion that the selection of refugee students
for admission to Engineering Colleges against the
seats reserved by the Provincial Government may be
made by the Principal of the College concerned on the
basis of the merits of the candidates.

3. I am to add that since the Government of India
have waived the domicile condition for the admission
of refugee students to Engineering Colleges of Madras
vide their Order No. 1494 Edn. dated the 5th June, 1948
the question of payment of capitation fee or contribution
by the refugee students should not arise. The
Government of India, therefore, trust that the Government
of Madras will empower the Principals to charge the
same fees etc. from refugee students who may be
admitted to Engineering Colleges of Madras as would

P.T.O.

be charged from students of the Madras Presidency. Such fee etc. will be paid by the refugee students themselves who can if they **desire**, avail of the Loan Scheme (copy enclosed) devised by the Government of India, Ministry of Relief and Rehabilitation.

4. The applications of the two refugee students, Messrs Krishan Saigal and P.C. Khanna, received with your letter No. 22933-3/48-A. Edn, dated the 23rd June, 1948, are accordingly ^{returned} herewith.

It is requested that the decision of the Government of Madras in the matter of capitation fee referred to in para 3 above may kindly be intimated to the Government of India in due course.

Yours faithfully,

No. F.162/48-R & R
Government of India
Ministry of Relief & Rehabilitation

New Delhi, the 8th January '48.

From

N.C. Shrivastava Esqr, I.C.S.,
Deputy Secretary to the Government of India.

To

All Provincial Governments.

Subject:- Grant of financial assistance to Non-muslim refugee students and trainees from Western Pakistan.

Sir,

I am directed to state that the Government of India have drawn up the enclosed scheme for the grant of loans to refugee Non-muslim students and trainees from Western Pakistan who have arrived in the Indian Union. The Government of India desire that all Provincial Governments should take steps to introduce immediately this Scheme within their jurisdiction. It need hardly be stressed that the early resettlement of refugees is an urgent problem. The problem of education and training of the younger generation is however, even more urgent and the Government of India are anxious that refugee students and trainees wishing to pursue their studies or training should not be prevented from doing so for lack of funds.

2. The following action on the part of the Provincial Governments seems to be necessary in order to bring the Loans Scheme into operation and the Government of India request that it may be taken immediately:-

- (1) The Scheme should be given wide publicity amongst refugee population and applications invited;
- (2) The Scheme should be communicated to the Heads of all recognised Colleges and Institutions;
- (3) An officer should be nominated to sanction loan

4
(2)
applications. Perhaps the Provincial Governments would find it most convenient to nominate the Director of Public Instruction as the authority competent to sanction loans.

3. All applications for grant of loans under the Scheme are to be submitted by the student and/or his guardian through the Head of the institution concerned, who is expected to verify the facts as far as possible and forward them to the sanctioning authority together with his recommendations. The Head of the Institution is also competent to sanction an amount not exceeding Rs. 200/- in any case in order to avoid distress.

4. Separate accounts must be kept of these loans and they should be capable of independent audit. While the Provincial Governments would undoubtedly make every effort to recover the advances according to the terms and conditions of the Scheme, it is possible that despite all efforts a certain amount of advances may become irrecoverable. If this happens, the Government of India would be prepared to meet all bonafide losses incurred on the working of the Scheme, if Provincial Governments so desire. The accounts of the Loans Scheme will be audited by the Accountant General concerned.

5. The above Loans Scheme applies to technical and collegiate education. For school students, the Government of India desire that the following concessions should be given to those studying in the 9th and 10th classes:-

(i) They should be given free seats and no fees should be charged from them;

(ii) They should be exempted from the payment of examination fees; and

(iii) a grant up to a maximum of Rs. 75 may be made to each student for books, apparatus and stationery.

The Provincial Governments will no doubt take suitable steps to ensure that these concessions are given only to those students whose parents or guardians are without sufficient funds.

5
(3)
The Government of India will be prepared to reimburse to the Provincial Governments expenditure on account of the above concessions if so desired.

6. A report on the working of the Loans Scheme as well as on the concessions to school students should please be sent monthly, so as to reach this Ministry by the 7th of each month, the first report being sent on or before the 7th February, 1948.

7. This Ministry's letter No. R & R-5(3) dated the 12th Dec. 1947 and the scheme enclosed therewith are cancelled.

I have the honour to be,
Sir,
Your most obedient servant,

(N.C. Shrivastava)
Deputy Secretary to the Govt. of India.

Copy with enclosure to

(1) Ministry of States.

The States which are settling displaced persons should also adopt the Loans Scheme and grant the concessions mentioned in Para 5 above to School students. The Central Government will be prepared to provide financial assistance to the States concerned on the same terms and conditions as have been mentioned in the case of Provincial Governments. The accounts will be auditable by an officer nominated by the Auditor General of India.

(2) Chief Commissioners Delhi, Ajmer, Merwara, Coorg, Panth Piploda. The scheme should be implemented in your jurisdiction immediately and an officer nominated to sanction applications.
