From (Name) Sri D.S. Reddi, M.A.(Oxon),

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

Education and Public Health Department.

Sir,

Ref: Letter dated 11-10-47 from the Manager of the London Mission Schools, Salem.

In submitting herewith a copy of the letter from the Manager of the London Mission Schools, Salem, cited above, I have the honour to state that the request of the Manager is reasonable as the conditions in Sevaroy Hills are similar, if not slightly worse than those in the Nilgiris District. I therefore recommend that an increase of 50% in the rate of Teaching grant to teachers in Aided schools in the Shevaroy Hills may kindly be ordered as in the case of the aided schools in the Nilgiris, Wynad Taluk of Malabar, Palani and Annamalai Hills. Kind attention is invited in this connection to Government Memo No. 69582-C1/47-2 Edn.,

P.T.O.

dated 29-10-47. More over the extra cost to Government involved on a/c.
of this increase will be very small Viz. about Rs.1200 per annum.

From Rev.T.C. Wilney, Manager, London Mission Schools, Salem
To The Director of Public Instruction, Madras, dated 11.10.47.

As the manager of a London Mission school at Yercaud, on the Shevaroy Hills, I have received a petition from the teachers saying that the hill allowance of Rs.6 which they receive from us is insufficient in these days, when the cost of all things has risen so greatly. The allowance is supposed to cover not only the extra cost of living in general caused by working on the hills, but the cost of the warmer clothing which is necessary, and also the greater rent which has to be paid. They point out that menials on the Shevaroy Hills employed by the Government get an allowance of Rs.13-8-0 a month if their salaries are between Rs.30 and 50, and that the Board School teachers receive Rs.22-12-0 in addition to their ordinary pay. We receive no grant whatever from the Department to cover such extra costs, although we sympathise with the teachers and recognise the justice of their claim, it is ~~difficult~~ difficult for us to increase the allowance. My committee, therefore, has asked me to approach you with the request that some allowance should be made to us as a management to enable us to meet the teachers' difficulties. We find it in any case very difficult to persuade teachers to work on the hills, owing to fever and cold. I saw in the paper the other day that the Minister of Education on a visit to the Nilgiris, promised to consider a similar appeal from the teachers on those Hills. If some special grant could be made for teachers in aided schools working on the hills it would considerably ease both their difficulties and ours.
