2. Out of the 50 schools selected, 9 are Government schools, 16 are schools under local bodies and 25 are under private managements. The Director has been asked to select the schools and the name of the schools ~~to~~ selected ~~for the introduction of the new courses have not yet been reported to govt~~ ~~been reported by him~~. To enable the local bodies and private managements of aided secondary schools to meet the extra cost involved in the organisation of the courses, it is proposed to make recurring teaching grants calculated at $\frac{3}{4}$ of the net cost of running the courses during the preceding financial year subject to a maximum of Rs. 1450/- per annum for each school for a period of five years after the introduction of the courses and the question of revising the arrangement will be considered at the end of the period. In addition, a non-recurring grant equal to $\frac{3}{4}$ of the cost of equipment to be purchased for the courses will also be paid subject to a maximum of Rs. 5700/- for each school. The D.P.S. has been authorised to disburse the non-recurring grant to the managements of schools in the year of purchase itself ^(on production of vouchers) instead of on the post payment system. A provision of Rs. 2,194,800 (non-recurring) and Rs. 74,850 recurring has been made in the B.E. for 1948-49 for this scheme.

Subjects of bifurcated course of studies in high school classes.

* 310 Q.—SRI N. M. R. SUBBARAMAN: Will the Hon. the Minister for Education be pleased to state what will be the subjects of the bifurcated courses of studies in the high school classes?

21st April 1948]

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

"The subjects will be—

- (1) Secretarial.
- (2) Engineering.
- (3) Agricultural.
- (4) Drawing, Painting, etc.
- (5) Domestic Science and Cookery.
- (6) Music and Dancing.

The matter of including teaching as one of the bifurcated courses is also under consideration."

SRI N. M. R. SUBBARAMAN:—"What grant is given for equipment and teaching if such courses are started?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

"I believe, Sir, this question has already been answered. Fifty schools in this Province have been selected for starting these bifurcated courses. Not more than three-fourth of the cost will be given for teaching subject to certain maximum limits."

SRI P. NATESAN:—"May I know, Sir, if music and dancing are taught to boy students also?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

"I understand it is being taught to boy students also here. They will be usually taught in girls' schools."

BEGUM SULTAN MIR AMIRUDDIN:—"Sir, have the Government provided necessary equipment for the schools where these bifurcated courses are to be started?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

"Yes, Sir. Government do want to start some bifurcated courses in Government schools also, and they will provide for it."

SRI P. NATESAN:—"Arising out of the answer that boys also are taught music and dancing, may I know, Sir, how does the Hon. Minister propose to absorb these people in their after-life?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

"I am afraid, Sir, the hon. Member has not understood my answer. In some places boys also are learning music and dancing. As far as bifurcated courses are concerned, music and dancing will be introduced in girls' schools."

BEGUM SULTAN MIR AMIRUDDIN:—"What steps are the Government taking to provide all the Government schools with the requisite trained personnel for imparting instruction in these bifurcated courses?"

[21st April 1948]

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

"For some of these subjects we do have some, but we may not have a sufficient number. The matter is being looked into."

N. MUHAMMAD ANWAR SAHIB BAHADUR:—"Is there any department of the Government for music and dancing in order that the students may dance to the tunes of the Government." (Laughter.)

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

"The hon. Member who had been in the Government service knows it better."
