From A. Lepper Esq., Superintendent, Government Press, Madras. To The Secretary to Government, Education & P. H. Department, Fort St. George, Madras. No. Accts. Dated 17-1-1948.

Sir,

Sub: Monotype metal - Purchase of - Sanction requested.

I have the honour to state that the present stock of monotype metal has completely run out and sufficient metal for current work is not available. There is also a likelihood of monotype machines being engaged on electoral roll work for which there will not be sufficient metal. I am resorting to breaking up matter which is printed periodically during the year and for the sake of economy should be kept standing. On enquiry, four firms have furnished their rates, of which, the quotations of Messrs. D. B. Madan & Co., Madras at Rs.94/- per cwt excluding sales tax and Messrs. Heatly & Gresham Ltd., Madras at Rs.96-10-0 per cwt. including sales tax, are the cheapest. I propose to purchase the metal from the latter, since they have got it in stock locally and agree to reserve it for one week only for immediate delivery on receipt of order, unlike the other firm who have to order the metal from Calcutta and may take a month or more to supply.

I therefore request that Government may be pleased to accord immediate sanction for purchasing 5 tons of monotype metal from Messrs. Heatly & Gresham, Madras, at a sum not exceeding Rs.9,800/- as the matter is desperately urgent.

The expenditure will be met from the allotment under "56 d. Stationery and Printing, Government Presses - F. Other Expenditure - 4 Stores purchased in India" or by re-appropriation.
