* 268 Q.—SRI A. VEDARATNAM PILLAI: Will the Hon. the Minister for Education be pleased to state—

- (a) how many boys' high schools are in Tanjore district;
- (b) how many girls' high schools are in Tanjore district; and

“(c) There is no proposal to open any Government high school for girls in this district. If proposals are made by local bodies or private agencies to open such schools, they will be sympathetically considered.”

SRI A. VEDARATNAM PILLAI:—“Will the Hon. Minister be pleased to state the reason why the number of girls' schools in Tanjore district is so small and what steps the Government are going to take to increase the number of girls' schools?”

MR. SPEAKER:—“I think the Hon. Minister has already answered the question. If he is willing to answer it again I have no objection.”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“The hon. Member has raised the question of the number of girls' schools being small as compared with the number of boys' schools. The result is like that because there are not sufficient number of girls forthcoming. The hon. Member will remember that even recently there was a discussion about closing a school for want of strength. But the Government refused to close the school as they are interested in women's education.”
