for

Building grant - Avvai Home and Orphanage for girls, Adyar -
part-payment.

Ref: Letter from the Correspondent, Avvai Home and Orphanage,
Adyar - applying for part-payment.

submitted.

2. With reference to the rules relating to building grants for aided elementary schools, grants are to be paid only after the completion of the buildings and after the production of the necessary completion certificates as required in the rules and after the execution of the mortgage deed in cases where no exemption from the execution of such deed has been granted. There is no provision for part-payment or advance payment of grants for buildings which are not fully completed.

3. Attention is, however, invited in this connection, to G.O.No.367 Edn dated 25-2-1948 in which Government have recently amended the rules in the Grant-in-aid Code making provision for part-payment of sanctioned grants in respect of works in progress on the production of certain documents in the case of aided secondary schools and colleges.

4. I am of the opinion that in the case of building grants for aided elementary schools also provision should be made for part-payment for works in progress as in the case of aided secondary schools and colleges. If the above proposal is approved, I shall submit suitable amendment to the rules ~~in the rules~~ in the "Rules for aid for elementary schools" on receipt of orders from Government.

5. Apart from the general question of part-payment of building grants in respect of aided elementary schools, I submit the following for consideration of Government in regard to the building scheme for the Avvai Home and Orphanage, Adyar. A provision of Rs.40,000 for payment of grant in respect of this scheme had been made in the Budget Estimate for 1947-48. As the Correspondent had reported in January 1948 that the building was expected to be completed only by the end of March 1948 and as it was not possible to sanction any payment till the building was completed, the provision made in the Budget Estimate for 1947-48 was surrendered. No provision could be made for the scheme in the current years (1948-49) Budget Estimate also.

6. The Correspondent of the school has now addressed the Government (Hon'ble Minister) stating that a portion of the building has been completed at a cost of Rs.21894/5/- and requests the payment of a partial grant in respect of the expenditure incurred so far in view of the fact that the contractor is pressing for part-payment.

7. In view of the fact that the present scheme is only a part of a scheme for which payment of grant has already been made with ref. to the orders of Government (Vide Govt. Memo. 7320 B.1/46-2 Edn dated 14-2-1947) I request Government to permit me to sanction payment of an instalment of grant not exceeding Rs.10,000 immediately the expenditure being met from the allotment for building grants for aided elementary schools in the budget estimate for 1948-49 with permission to apply for necessary allotment under this head later on, in the year, as no provision has been made in the Budget Estimate for 1948-49 in respect of this scheme.

We beg to submit this application for a partial grant towards the construction of the Avvai Home School building. As per G.O.No.236 (Education) dated 15th February 1943, an amount of Rs.39,500/- has been sanctioned during the current year. The work has been entrusted to the Modern Housing Construction & Properties Ltd., Madras., and they have sent us a bill for Rs.21,894/5, which has been scrutinised and passed for payment by our Consulting Engineer. Therefore, we request the Government to sanction this grant, so that we may be able to pay the company. The building may not be ~~able to be~~ completed by the end of this month and hence we make this request.

Yours sincerely,

S. Muthulakshmi Reddi
CORRESPONDENT.

The Director of Public Instruction is informed that in the first of the two documents executed on 9th November 1946 and in the document executed on the 18th March 1944 the lessee is described as Dr. Mrs. S. Muthulakshmi Reddi, Secretary, Avvai Home & Orphanage" and she has also signed her name as such. From the internal evidence in the document also it is seen that the property was taken on lease solely for the purpose of the Avvai Home. The two lease deeds may therefore be treated to be in favour of Mrs. Muthulakshmi Reddy in her capacity as the Secretary of the Avvai Home and no formal assignment of the property comprised by these two lease deeds in favour of the Avvai Home is necessary. The Government are also satisfied that as against the trustees the lease-deeds are legally valid and binding. The Director is requested to disburse to the management of the Avvai Home and Orphanage in the current year the advance grant of Rs. 11,152/- (Rupees eleven thousand and one hundred and thirty two only) sanctioned in G.O. No. 256-Education, dated 15-2-1945 towards one half of the cost of the buildings for the Orphanage already constructed after taking adequate security in addition to the security covered by the properties comprised by the two lease deeds referred to above if this security is considered to be insufficient.

2. The expenditure should be met from the sanctioned appropriation under 37-k-Education-Primary-Direct grants to Non-Government Primary Schools - B - General - 1 - Ordinary areas - 1 - 2 - Buildings or by reappropriation.

Please see the D.P.J.'s letter on p1 cf and the notes of E.O.B.N. above.

The Scheme for the construction of buildings for the Arvai Home & Orphanage for Girls, Adyar, was placed on the approved list by the D.P.J. as

early as 1941. The Govt. sanctioned a maximum grant of Rs 28,417/- to the scheme in respect of the scheme as shown below:-

- 1) Building for Orphanage : Rs 11,132
- 2) Building for school : Rs 17,285

The Orphanage building has been completed and in Memo 73208-B-1/2 E.D. dtd 14.2.47 the Govt. directed the advance

payment of the grant of Rs 11,132/- in respect of item (1) above.

Apparently it has already been drawn - cf. Memo. 73208-B-1/2 E.D. It is presumed that the grant now applied for relates to the building for school. The D.P. & has stated

that a portion of the building has been completed at a cost of Rs 21,894/5/-.

The advance grant of Rs 10,000/- proposed is less than half the value of the work completed. The proposal to pay an advance grant of Rs 10,000/- need not be objected to in

Finance. It may be requested to circulate the case to H.M. (Fin.) also. The grant will have to be disbursed on production of proper vouchers.
