Retd. Teachers' College, Saidapet.

Nathan's Bungalow, Chromepet, (P.)

19th April, 1947

His Excellency the Governor of Madras,
Fort St. George, Madras.

Through The Private Secretary to His Excellency
The Governor of Madras.

The humble petition of B.S. Ramaswami Sheweth:

- Plan 1st (1) That the petitioner retired as School assistant, Teachers' College, Saidapet
Memorial
exp. 16th
Plan 2
ibid
(2) That he was drawing a substantive pay of Rs. 175 per mensem
at the time of retirement;
(3) That he had drawn a special pay of Rs. 35 in addition from
Plan 3
ibid
1929-1932 while in the Government Institute of Commerce, Madras
for delivering lectures to the Cooperative Training class of B.A's,
M.A's, and B.Sc's in Economics, Banking and Currency, thus bringing
his total remuneration to Rs. 210 per mensem, and that he had to
lose it owing to the abolition of the class and the closure of the Institute;
(4) That he had besides drawn a charge allowance of Rs. 35
Plan 4
ibid
at one time thus making up nearly Rs. 245 a month for a short
period;
(5) That he had to lose the special pay consequent on the
abolition of the Institute and the discontinuance of the
Cooperative Training class in 1932;
(6) That he lost the chance of rising up to the higher grade
Plan 5
ibid
of Rs. 200-10-300 in the usual course owing to the closure of
all government commercial institutions;
(7) That he was, though a permanent government servant, given
three months' notice of discharge on the presumption that the
general and commercial line posts belonged entirely to different units;

(8) That he was after this appeal to government, which gave a ruling regarding the term 'unit' at the time of retrenchment in 1932, restored and posted to the Teachers' College, Saidapet, but not at that stage of the time-scale, which was his due on grounds of equity, for the simple reason that he was drafted to the Commercial line solely in the interests of government so to say;

(9) That he was not lucky enough in consequence, for no fault of his, to get into the Selection grade on Rs. 150-10-2-50 in the combined cadre of Deputy-Inspectors and School Assistants and thus rise to the post of District Educational Officer, perhaps for want of luck and backing, even though he had passed the two departmental tests, Parts I and II with the Account Test incorporated in Part I;

(10) That his double qualification, general and Commercial had been a crime and stumbling block in the way of his career, instead of being a heaven towards further and special promotions, as was evident at the time of retrenchment when all government Commercial institutions were closed;

(11) That his restoration to the general line in the cadre of Deputy-Inspectors and School Assistants, where he once served, was ordered by government which declared all posts, including a few in the Collegiate line, to be in the same unit;

(12) That he was drawing only Rs. 150, the pay of the ordinary grade in the cadre plus Rs. 25 as personal allowance up till the time of retirement, thus rotting on Rs. 175 from 1932 to 1942, the justice or otherwise of which might have been considered by the authorities concerned;

4
claim 8
of this pr.
manuscript
at p. 16. 88
(13) That a pension of only Rs. 52-8-0. per mensem has been ^{3.} sanctioned to him in G.O. No. 408 Finance (Pension) dated 13-4-1943 under Articles 423(2) and 458 and 474(6) of the Civil Service Regulations by condoning only the deficiency of 6 months and 25 days by which his Qualifying Superior Service fell short of 18 years; 5

claim 9
ibid. (14) That a Continuous Service of five years from 1st October, 1920 to 1925 has not been taken into account, assigning some technical plea that the appointment was held sub-protem during the period, thereby causing a loss of about Rs. 15 to his pension;

(15) That apart from other things, this could not have happened if only he had been appointed as Special Assistant in the Government Institute of Commerce according to the recommendation of the Principal in 1920 instead of his posting being diverted as Deputy Inspector of Schools, Periyakulam, Madurai District on a less pay, or had he been kept on in the general line itself having somehow posted him there in the first instance;

claim 10
ibid. (16) That the technical flaw or rules, if any, standing in the way of his higher pension need not be made much of and may be kindly overlooked without needlessly acting as a deterrent and detriment to the poor individual's livelihood of getting some more amount by way of pension;

claim 11
ibid. (17) That the petitioner first entered Government Service in 1913 when he was not made permanent in spite of the recommendation of his immediate superior and in spite of its seeming possibility, owing to his misfortune, and that he had to suffer break of service in consequence, for no fault of his, in consonance with the saying that opportunity once lost is lost for ever;

(18) That he had needlessly ^{4.} suffered in spite of his all-round qualification for teaching and lecturing in the general and Commercial line in Schools and Colleges, which the Government of India recognised two years ago by enabling him to be the lecturer for the R.A. classes in general ^{Commercial} knowledge and Economics, and that his Services ^{might have been} so availed of by the department while the petitioner was in Service;

claim 12 (19) That it will only go a small way towards his relief even if the government were at some future time to condescend to sanction full dearness allowance to low-paid pensioners on a par with those in active service, though he feels thankful now for sanction by the government of half the rate of dearness allowance admissible to the employees still in service viz., Rs. 9 per mensem.

claim 13 (20) That he finds it hard to make both ends meet owing to the abnormal rise in prices of foodstuffs and other articles and that his pension, as it is, does not even go towards meeting even a small fraction of his expenses;

claim 14 (21) That his son's medical course - M.D. B.S. - cost him an abnormally large sum;

claim 15 (22) That he prays for mercy to His Excellency to be graciously pleased to sanction the sum of Rs 87-8-0, being half of his substantive pay, or, in its absence, as much as His Excellency would deem proper to sanction out of sympathy for the poor government servant in view of the fact that a continuous period of five years' service has not been taken into the account as pointed out above - vide (B) and that he belongs to a family of respectable, honest

and loyal government servants and that he is still prepared to serve loyally, if opportunity offers itself, for the Cause of God, Crown and Country as he has done hitherto; (23) That he humbly prays that the Sanction, if accorded, may take effect from the date of retirement;

(24) That even a small increase in his pension to the extent of Rs 7-8-0 was not admissible to him even though he had acted as Deputy Warden of the Teachers' College Hostel for five years from 1933 to 1938 as he did not draw it for the last three years prior to his retirement in 1942;

(25) That this memorial may kindly be paid all the personal attention it deserves and that this hard case may be judged on its merits;

(26) That want of punctiliousness and scrupulousness on his official procedure on the petitioner's part, if any, may kindly be excused;

(27) That a former memorial to His Excellency the Governor dated 23-5-1943 was not successful as was communicated in the Proceedings of the Director R.O.C. No. 427 J/43 dated 5-8-1943;

(28) That the case may be benevolently and sympathetically reconsidered by examining its pros and cons and justice rendered to the memorialist by liberally interpreting the spirit of the rules;

(29) That the petitioner humbly begs and prays that this memorial may not be treated in a formal manner and that his sufferings may be kindly heeded to.

His Excellency's most humble and obedient servant,
B. S. Ramaswami

COPY OF Director of Public Instruction's letter to The Secretary to
Government, E & P.H. Department, Madras Rec.427J/42 dated 28.6.43.

Sub: Petition - Sri B.S. Ramaswami Iyer, Late School Assistant - Request for
enhanced pension and for a job connected with the war.

In submitting herewith two petitioners dated 23rd May 1943 from
Sri B.S. Ramaswami Iyer addressed to the Private Secretary to H.E. the Governor,
I have the honour to state as follows:

The petitioner requests in his petitions that he may be granted
the full pension of Rs.87-3-0 or as much as His Excellency would deem it proper
to sanction out of sympathy and that he may be appointed to any decent post in
connection with the war.

As regards the first request it may be stated that the petitioner
was granted a pension of Rs.52/8/- in G.O.No.408 Finance dated 13.4.43 with reference
to his total qualifying service of 18 years. The qualifying service of the petitioner
fell short of 18 years by 6 months and 25 days and Government were pleased to
condone the deficiency on my recommendation referred to above. A major portion
of the officiating service of the petitioner from 1-10-20 to 1-7-25 could not be
reckoned for pension as the conditions of art 371 C.S.R. were not satisfied and out
of this period only a period of 17 days were taken into account for pension. It
is not therefore possible to comply with the request of the petitioner for enhanced
pension as the rules do not permit such enhancement and the petitioner may be
informed accordingly.

As regards the second request, the memorialist was in order in
submitting his petition direct as he had retired from service in this Department
on 19-11-42.

Sir,

In resubmitting herewith the memorial of Mr. B. S. Ramaswami together with enclosures received with the Government Memorandum No. 44968/47-3-A Education dated 20.2.1948, I have the honour to submit the following remarks on the points referred to in the same:--

Points 7, 8 and 11 referred to in the Memorial:--

I invite the attention of Government to G.O.No.1367-Ms.Law (Education) dated 9.9.1932 in which it was ordered that the holders of the undermentioned classes of posts in the Madras Educational Subordinate Service should be deemed to form a unit to regulate the discharge of personnel in connection with the retrenchment:--

- (i) Assistant Professors and Assistant Lecturers - (Men's Branch).
- (ii) Licentiate School Assistants and Deputy Inspectors of Schools (Senior Scale) - (Men's Branch) in the Institute of Commerce.

The request of the memorialist and others for their appointment to the Selection grade of School Assistants and Deputy Inspectors of Schools was considered and negatived - vide G.O.No.Ms.877-Law (Education) dated 17.5.1933, as they were generously treated at the time of retrenchment.

Points 10 and 18:-

With his Commercial qualifications, it was possible for Sri B.S.Ramaswami Ayyar to be retained in the Commercial schools, and with his general qualifications, it was possible for the department to absorb him in the combined cadre of Deputy Inspectors of Schools and School Assistants. So, his point that his qualifications - General and Commercial - stood in the way of his promotions is not supported by facts. At this distance of time, it is not possible to say why his services were not utilised for the R.A. classes lecturing.

Point 15:-

Even if Sri B.S. Ramaswami had been appointed in the Government Institute of Commerce in 1920, he should have been affected by the General retrenchment in 1932, when the Commercial Institutions were closed. His transfer to the Institute of Commerce was made at his own request and to his benefit only. When it affected him adversely he found out that he made a mistake in having asked for a transfer. Further, he could not have been continued in the general line itself as he wanted a transfer to the Commercial schools - vide Director's letter R.G.No.1175-C/32 dated 27.6.1932 to Government.

Point 23:-

In the circumstances stated above, the memorial does not deserve any consideration especially after six years of his retirement.

E. P. H.

B.S.G has returned the file stating that it may be circulated through the H.M.s concerned for favour of their advice. Apparently the intention is that the Case should be examined on its merits in consultation with Finance and then circulated.

2 As stated on the previous page the petitioner was granted a pension of Rs 52/8-0 p m after condoning a deficiency of 6 months and 25 days in 1943. The present memorial appears to be the same as the one, submitted by the petitioner in 1943 soon after his retirement for the enhancement of his pension, where H.E the Governor declined to interfere. and also it does not contain any new facts beyond those stated in his previous memorial. It does not seem that his request can be complied with. The file may be sent to Finance for remarks before circulation. In the present memorial, the petitioner has given 29 points of which the last five (25 to 29) are mere formalities of making his requests in a suppliant manner. Of the other points, (1) to (6), (9), (12) to (14), (16), (17), (20) to (22) and (24) are contained also in the previous memorial - vide the references given in the margin on pages 2 to 9 of points (7), (8), (10), (11), (15), (18) and (23) appear to be new points submitted in the present memorial. For orders whether the remarks of the D.P.I. may be called for on the above points before the case is further proceeded with. Subject to orders, the draft memo. below is for approval.
