ME S - Sri K. S. Hegde, overseas
scholar - App'd temporarily as
Junior Instr. in Tele-Commns.
Engg.

Copy of letter from the Director of Public Instruction,
No. RC 3344-C1/47 to the Secretary to Government, Edu-
cation and Public Health Department.

Overseas Scholarships - Utilisation of services of
scholars sent abroad for advanced studies on their
return to India- 1945-46- Mr. K.S. Hedge.

Government Endorsement No. 98173-A.3. dated 30-1-48.

In continuation of paragraph 1 of my letter R.C.No.3344
C1/47 -2, dated 27th February 1948, I submit herewith a copy
of the letter dated 10th March 1948 received from Sri K.
Sreenivasan, Professor of Tele communications Engineering,
College of Engineering, Guindy, regarding the staff required
for the Tele-communications Department.

2. The Professor of Tele-Communications Engineering
recommends the creation of two posts of Instructor in
Tele-communications Engineering during 1948-49 and another
post of Instructor in 1948-50. I consider that in the cir-
cumstances explained in the enclosed letter it is essential
that one of the 2 existing posts of Laboratory Assistants
in the Tele-communications department should be converted
into a post of Junior Instructor in Tele-communications
Engineering and a new post of Instructor in Tele-communi-
cations Engineering, should be created with effect from
the academic year 1948-49-

3. In this connection I may submit that the following
three candidates have been sponsored by Government for
advanced studies overseas during 1945-46 with a view to
their being absorbed eventually in the Education Depart-
ment.

- 1 Ganti Subrahmanyam (Electrical Engineering - Radio
communication).
- 2 N.V. Kudva (Electrical Engineering - Wireless
communication).
- 3 K.S.Hedge (Electrical Engineering- Wireless
communication).

It is not known when Sri Ganti Subrahmanyam will be
returning to India or in what branch of Electrical
Engineering he has actually undergone advanced studies.
So far as Sri N.V. Kudva is concerned, the question of
extending the period of his scholarship till April 1949
to enable him to undergo practical training in Industry,
is separately under consideration and the Government of
India have been informed of the acceptance of the pro-
posal by the Government of Madras. As regards Mr.
K.S. Hedge, I recommend that the Government may be pleased
to appoint him to officiate as Junior Instructor in Tele-
communications Engineering, in the Madras Educational
Service, under Rule 9(a)(i) of the General Rules relating
to the Madras Provincial and subordinate services when
the new post is sanctioned by Government.

(True copy)

In my letter R.C. no. 3344-11/47, dt- 7.5.48, I have recommended the appt. of Mr. H.S. Hegde, the overseas ret'd. scholar as offg. Junior Instructor in Elec. Comm. Engg. in the M. E. S. under General Rule 9(a)(i). In view of the urgent necessity to appoint suitable persons to the Tele-Comm. dept., I request the appt. already recommended in the above letter may be made immediately. It is also necessary

3
to create the post of instructor in the
Tele-Comms. Dept. and create it as early
as possible. I shall address Govt. in
the matter separately in due course.

is apptd. to officiate as Junior Instructor in Tele-

2. The D.P.I. is requested to send to Govt.
a draft of the ad hoc rules to be framed for the post
of Junior Instr. in Tele-Comms. Engg. His attention

for orders as to circn.

OSTI
9/7/48 S/H (R. (Cm))

The relaxation is not for qualifications. It is expected that the people whom we have sent to foreign countries will be much more qualified than they may be normally available here. And so, in no case should there be relaxation for qualifications. I suppose Mr. Hegde has higher qualifications than normally insisted upon for such posts.

The orders of H.M. (Edn.) at portion M at

"f"/N.F.10, as confirmed at p.15 ibid, were that the scholars must be absorbed in the depts., recruitments rules being relaxed if necessary.

So far as academic qualfn. is concerned, it may normally be expected that the overseas scholars will possess more than what is necessary or what is prescribed in the rules as the minimum, and the necessity to relax that qualfn. may not arise. But, the candidates may not satisfy the requirement re: practical experience ^{in the rules.} For example, 4 years' practical expce. is ^{and capacity to teach & lecture to B.E. students are} necessary for appt. as Instr. in Elec. Engg. If an overseas student satisfies the academic ^{or other equivalent} part of the qualfn. (B.E. degree) but has not had the expce. for the reqd. no. of years, the intention is to relax that part of the qualfn. which relates to ^{in his favour} the prac. expce. and appoint him. That is, the rules that technically stand in the way of the appt. shd. be relaxed. Please see Public's note at Y at p.15 N.F. of (f) and the order issued at (f)/CF.30.

In this case, rules have not been framed yet, at all. ^{Draft} proposals for the issue of ad hoc rules are proposed to be called for from the D.P.I. It is also proposed to ask the Dir. to say whether Sri Hegde ^{would satisfy} fully the qualfns. (to be prescribed) or whether ~~the rules~~ ^{any rules would} technically stand in the way of his appt., ~~so that they may be relaxed.~~

For orders ^{draft may be issued and be file} to H.M. after issue. H.M. my 2nd before time. 15/7/48 S. H. (Cm.)

I do not feel like agreeing with "A" above. Mere going to England and coming back need not be a good substitute for a practical training. And so, that need not be presumed. The matter of his qualifications may be ascertained from the D.P.I. ~~and~~ for every other posting that will have to be made, for people returning from overseas training, this point of view may be attended to and particulars given. The matter of posting may be decided after those particulars are received.

7.8 C.F. of "f" would show that Sri Hegde is a B.E. (in Elec. Engg.) and that he had no practical expce. ^{and that he has not gained any} before he went to U.S.A. ~~in~~ U.S.A. But, he has undergone the course in Radio Engg. for nearly two years in the Stanford Unty., in California; particulars about the subjects studied by him ^{here} are at "f"/C.F.9-16. It cannot be said now whether it will be necessary to prescribe prac.expce., in addn. to academic qualfns., for the post of Instructor in Tele-Comms. Engg. The post being a new one, that point has to be gone into by the D.P.I. in consultation with experts and it will take some time for him to send his remarks.

Any way, it is likely that, in view of the varied subjects which Sri Hegde has ^{general} studied at Stanford and of the paucity of even technically qualified candidates outside, the D.P.I. will consider Sri Hegde as quite qualified and suitable for regular appt. ^{the recommendation made by} Even in May 1947 last, he wrote that ~~his temporary appt. may be accepted~~ immediately because of the urgent necessity to post suitable persons to the Tele-Comms. Dept.

2. Leaving aside for the moment the case of Sri Hegde, ~~now~~ it may be pointed out that many ~~others~~ of the candidates sent abroad for higher studies under the G. of I. scholarship scheme were students ^{who} just passed out of the college and who did not possess any prac. expce. It would not ^{have} been possible for them ^{either} to acquire that expce. side by side with their studies overseas. Therefore, if

if ~~insistence~~ on practical, teaching or other expce. is to be

orders at "f"/C.F.30, issued ^{on the basis of} ~~the~~ minutes at "f"/N.F.940 and
15 ~~Mr~~ would be defeated. Further, w.r.t. those orders, other
depts. would have ^{already} taken action, in respect of the ^{if} scholars who have ret'd.
to India, to relax in ~~relaxxxxxxxx~~ their behalf the recruitment rules
which technically stand in the way of their appts. If the previous
orders are to be modified, other depts. concerned will have to see
and circn. to H.M.(P.W.), H.M.(Ind.) and H.Pr. will also ~~maxxxx~~
be neey. In view, ~~however~~ of the foregoing, however, it is subd.
that, without applying the rule re: practical expce, ^{strictly} if the
deptl. heads consider the scholars suitable for appt. by virtue of their
~~is~~ academic ~~xx~~ qualfn. ~~xx~~ and overseas studies, such persons may
be apptd.

I am a Madras Govt. sponsored overseas scholar of 1945
and it now four months since I arrived at home. When I left
U.S.A. I was given to understand, by the Officers of the
Education Dept. of the Indian Embassy in Washington, that
(1) The Govt. will endeavour to find suitable work for us as
soon as possible after our reaching India &
(2) we will be given a suitable living allowance till such time
as we are employed.
(3) and if the Govt fail to provide us with a suitable job
within three months of our landing in India, we will be free
to seek employment else where and will not be bound by the
provisions of the bond which we had to execute before our
departure overseas.

K
J

I very much regret to say that the hopes entertained
by me on the strength of the above information have not been
realised. I have neither been provided with work nor paid any
allowance. I have also not been informed that I am free to
seek employment elsewhere. It is true that I received a
communication from you sometime back informing me that the
question of my employment is under the consideration of the
Govt. and that orders will be passed as early as possible.

ans. 4

I shall feel obliged if you would kindly let me
know whether there is any prospect of my services being
required by the Govt. in the near future and if not whether
I am free to seek employment elsewhere. I would also like
know whether the Govt. has any intention of paying us any
allowance for this interim period.

K

I shall feel highly obliged if you would treat this matter as urgent.

I am
Yours faithfully

Shivaram Hegde.

Sir K. S. Hegde has been apptd. already on 23.7.48 as ^{Junior} Dist. in Tele-Comm. Engg. in the ^{Guiding} College - (9). He has apparently ^{recd. the order} since writing I on p.1 ante. The period of waiting to which his Govt. have agreed in regard to the scholars sent overseas by them is six months. Sir Hegde reached India on 11.8.48. The six months' period was not exceeded in his case. He was apptd. before its expiry.

The Govt. have ^{been} agreed to adopt 3 months as the period of waiting. Orders will issue shortly. As the scholar has ~~not~~ been provided with an employment the question of his release from his bond does not arise in his case.

Conclusion: The Govt. have no intention of paying any allowance for the period of waiting.

Inform candidates accordingly
