C.No.1242 W1/48, dated 28-6-48.

Sir,

Subject:- Establishment - Office of the Director of Public Instruction, Madras - Temporary Staff employed for work connected with the War - continuance - sanction requested.

The sanction accorded in G.O.Ms.No.1732 Edn., dated 2-8-47 for the continuance of the temporary staff of one junior superintendant and three Upper Division Clerks employed in my office for work connected, with the war expires on 31-7-48. I have the honour to submit my proposals for the continuance of the posts for a period of two years from 1-8-48 and also for the sanction of an additional post of lower division clerk for a period of one year from 1-8-48 or the date of appointment of the clerk whichever is later for the following reasons.

2) The nature of the work, since the inception of the war section in 1942 has changed very much. In 1942 and the years following, till just before the termination of the hostilities, its main work was connected with recruitment and propaganda since the introduction of the schemes for the award of educational concessions and the post war schemes, the work of the section changed into one of control and administration of the concessions and schemes. The main items of the work done by the war section now are furnished separately. The number of papers received and disposed off by the section during the past three years are given below:--

YEARS.

NO. OF PAPERS RECEIVED AND DISPOSED OFF.

1945 - 46.	6338.
1946 - 47.	7560.
1947 - 48.	8611.

3) In addition to the work normally done by the section so far, the work connected with the award of the educational concessions and the sanction of loans to the non-muslim Refugee students and trainees from western and Eastern Pakistan is also dealt with in this section. The work connected with the controls, especially cement and iron and steel is steadily increasing and this also is allotted to this section;

4) The number of papers received and disposed off has increased by more than 2000 since 1945-46. The need for additional clerk is therefore felt. In the circumstances explained above, Government may be pleased (1) to sanction the continuance of the posts of one Junior Superintendant and three Upper Division Clerks for a period of two years from 1-8-48 to 31-7-50. and (2) to sanction the appointment of one additional Lower Division Clerk for the section for the same period (i.e.) for two years from 1-8-48. The small additional expenditure involved by the appointment of a lower division clerk in the current year can be met out of the appropriation under "37(o) Education General - Direction (o).B.Pay of Establishments Voted.

5) Necessary provision exists in the Budget Estimate for 1948-49 for the Junior Superintendent and 3 Upper Division Clerks.
