E. & P.H.

Secretary, Finance, has informed that H.P.M. wants a note to the Finance Committee on the following subject:--

Committee for University Education.

(2) He also desires to expedite the file relating to the constitution of the Tirupati University at Tirupati. *Must be expedited.*

(1) above. There is no separate file regarding the constitution of a Committee on University Education as such. It is not known whether H.P.M. wants a note on any of the following:--

(a) University Grants Committee constituted in G.O.No. 2263 Education dated 25-11-1946.

The expenditure to be incurred from Provincial funds on this item will be mainly on the travelling allowance payable to the members of the Committee, ~~it is anticipated~~ which will meet whenever necessary.

(b) Provincial Advisory Board of Education constituted in G.O.No.13 Edn., dated 4.1.1947.

This Board shall ~~meet~~ ordinarily meet once in three months, and the expenditure on payment of T.A. to the members Rs.1500/- in 1946-47 and is estimated at Rs.5,600/- per annum, in the succeeding years.

Besides these two, there are also proposals for the constitution of expert committees for the amendment of the University Acts, Madras and Andhra. These committees have not yet been constituted.

It is presumed that ~~the note~~ H.P.M. wants a note on (b) above, i.e. in respect of the Provincial Advisory ~~Advisory~~ Board of Education, which has been constituted to advise Govt. on matters relating to any grade of education, including university education. For orders whether a note may be prepared on this subject.

(2) above. - The file on the subject was circulated to H.P.M., H.M.(Law), H.M.(H.P.E.) and H.M.(Edn.) on 7.8.1946. It has not yet been received back.

think H.P.M. has in mind this case, or any other

Action will be taken after his views come in

Case referred to; I rather think he has
 in mind a committee to be constituted
 to review the whole field of University
 Education & make recommendations. No proposals
 have been formulated; but I remember
 Mr. (S.M.) mentioned some time ago that
 he also has something of that nature
 in view. Action can be taken only
 after Mr. (S.M.) & Mr. (H.M.) indicate the lines on
 which it is intended to proceed.

May be circulated
 to Mr. (S.M.) Mr. (H.M.) & Mr. (H.M.) for
 information.

No committee for University Education
 has yet been formed. It ^{is} yet to be formed.

The file referred to in (2) has nothing to do with the
 Constitution of Tempal University. It only suggests
 that along with the amendments dealt with during
 T. S. Devasthanam Act, the proposed university also
 may be taken up. A file regarding the nature
 of the University Constitution is in which I have given
 my opinion is with the premier. 11/1/47

On and I think it was the decision of the
 Cabinet that a Committee should be formed
 to select the members of H.M. & H.M. (Edn.)
 the Committee members may be put up
 along with this

E. & P.H. (G.3)

Please see the minutes of H.P.M. on p.2 ante. It is not ^{clear}
 which Committee ^{he refers to} is referred to by H.P.M. ~~There are no~~
 papers constituting the Committee on University Education ^{in the office}. In this
 connection it may be mentioned that there is a proposal to constitute
 an expert committee to take up the question of amendments to the
 Andhra University Act. The file is linked below. (2) There is another
 file regarding the formation of a committee to go into the question of
 amending the Madras University Act. Both the above committees have
 not been formed as yet. (3) Another committee has been formed to consider
 the question of re-inclusion of the Rayalaseema Districts in the
 Andhra University area. The file on the subject has been circulated to
 Mr. (S.M.) & Mr. (H.M.) through H.M. (Edn.) ^{on 26.2.47. Presumably H.P.M. refers to}
 whether H.P.M. means any of these committees. ^{the kind committee.}

The case may be circulated
 to H.P.M. through H.M. (Edn.)
 3/3/47 S. 11/1/47

E. & P.H. (G.3)

Please see the Cabinet's decision on
 p.p. 1-2 c.f. It has decided that further ^{names} if any, would
 be considered at the next meeting of the Cabinet on 15.3.47.
 It is presumed that the Cabinet itself will consider the
 inclusion ~~of~~ if any, of ~~any~~ further names. ~~Another~~ Action
 in office may be taken ^{after} receipt of the Cabinet's further
 decision. It is presumed that the members of the Committee ~~who~~
 (whose names have been already suggested) have been consulted as to their willingness
 to serve on the Committee. May be circulated to H.M. (Edn.)

Reference for the ^{3.4.47} Committee may also be
 indicated in the files ^{for} detail: No indication or
 that point have been made available
 in the office of the Cabinet decision itself
 does not give sufficient indication.
 There is also

1027-93
 4/11/47
 Consideration - which
 had various in a separate note
 up in this connection: viz. whether to
 Madras, British & American Universities
 before the appointment
 of the committee is announced. The
 committee are autonomous bodies
 & the appointment of a committee to
 advise of which will involve a variety
 of their work, & criticism of it & possibly
 an interference of their institutions, even
 with us. Consultation with them is likely
 to have in for adverse criticism -
 & particularly to them there are no
 representatives of these universities on the committee.
 It is for us to require whether
 information may be given to the
 Vice-Chancellor of the committee, & their
 the appointment of the committee is to be
 views involved. Information is to be
 given, further information, as referred to in
 p. 3 ark, will have to be conveyed to
 them.

The committee referred to in the Cabinet
 Proceedings is something quite different from the two
 Committees mentioned in the note.

I think after all the names are decided, necessary
 steps of intimating to the Universities and taking steps to
 expedite the work of the committee may be taken.

 Further his resolution
 bearing as his note.

This file has been here for a long time. I understand the Government of India intend appointing a Committee to go into the matter of Universities with Sir S. Radhakrishnan as Chairman. I told them about our own resolution in the matter. They told me that they are anxious to have the work done as soon as possible. They want to appoint a committee in October and have their report by about March. In these circumstances, it will not be necessary for us to appoint this committee.
