SUB: AIDED COLLEGES AND TRAINING SCHOOLS - Fixation
of pay of the staff for grant in aid purposes.
=====

22711

(1) In the case of aided colleges where the management pay salary to their staff at rates higher than that obtaining in Government service it had been the practice, for purposes of grant in aid, to limit the salary to the amount admissible to Government servants of similar status and service. In cases, however, where the management pay at rates lower than that obtaining in Government the actual rate in force in the institution is taken into account.

(2) In G.O.No. 78 Finance dated 6th February 1947, Government have revised the scales of pay of Government servants and have permitted subject to certain conditions the payment of advance increments for giving weightage for service. Now the question arises whether in limiting the salary of the staff in aided colleges to that of Government servants (where the management pay at rates higher than that obtaining in Government service) weightage also be taken into account. Since Government in para 2 of their Order No.372 Education dated 26-2-1948 have permitted such weightage being taken into account in the case of teachers employed in aided secondary schools, I recommend that a similar concession may be extended in the case of the staff employed in aided colleges and training schools also with effect from the official year 1947-1948.

AIDED COLLEGES AND TRAINING SCHOOLS - Fixation of pay of the staff for purposes of grant-in-aid.

C.No.22711/48. Prof From the D.P.I., R.C.No.1584-K/47 dated 22-3-1948.

Please see the letter from the D.P.I. on p.1 c.f.
He states that in the case of aided colleges where the manage-
ment pay salary to their staff ~~according to~~ at the rates
higher than that obtaining in Govt. service, it has been the
practice, for purposes of grant in aid, to limit the salary to
the amount admissible to Govt.servants of similar status and
service. In cases, however, where the management pay at rates
lower than that obtaining in Govt., the actual rate in force in
the institution is taken into account. In G.O.No.78 Fin.,
dated 6.2.47, the Govt. have revised the scales of pay of Govt.
servants and have permitted, subject to certain conditions, the
payment of advance increments for giving weightage for service,
the old scales of pay have permitted
In G.O.No.372 Edn., dated 26.2.48, the Govt. have granted such
weightage being taken into account in the case of teachers
employed in ~~secondary~~ aided secondary schools. The D.P.I.
therefore recommends that a similar concession may be extended
to the staff employed in aided colleges and training schools
also, with effect from 1947-48. His recommendation may be accept-
ed. The case may be sent to Finance u.o. for remarks before
circulation.

E & P.H. (G3)

Please see the Fin. note on page 2 ante. They
suggest that the D.P.I.'s proposal at p. 1 c.f.
may be given effect to from 1948-49 instead of from
1947-48. In the case of aided secondary schools the
Govt. have ordered that the expenditure incurred by
the managements in the payment of salaries as refixed
will be taken into account for purposes of assessment
of teaching grant from the date from which the revised
scales have actually been adopted and pay has been fixed
in those scales giving weightage for service, that is,
from the year 1947-48. It does not appear desirable
that a different date should be adopted in the case
of aided Colleges and training schools; Finance
have not stated any reasons why the proposal should not
be given effect to from 1947-48 as recommended by the
D.P.I. In the circumstances, it is for orders whether
this department may press that the D.P.I.'s recommenda-
tion may be accepted and the proposal given effect to
from 1947-48. With reference to 'A' on p. 2 ante,
the D.P.I. may be addressed. A draft memo is sub-
mitted for approval. After issue, the case may be
circulated to H.M. (Edn.) / H.M. (Fin) for orders on 'M'
above after receipt of information called for.

this

Apparently it will be
possible to meet the
expenditure by reappropriating
of funds.

HA Generally, it is not usual to give retrospective effect to orders covering a long period. It was therefore suggested that the orders to be issued may be given effect to from 1948.9. E+PH, however, propose that the orders may take effect from 1947.8 and wish to press for its circulation. This Dept. may agree to orders being taken in circulation on this point.
