Sir,

Sub: Lady Willingdon Training College, Madras - Increased
admissions - Appointment of an Inspection Commission -
Payment of fee to the University.

The sanctioned strength of the B.T. class of the Lady Willingdon Training College, Madras is 80. In 1947-48, due to the pressure of admissions, the University permitted an increase of 10 additional students. In the current year the Principal applied to me for permission to increase the strength from 90 to 120 due to a large demand for seats. It was reported that there are a number of candidates on the waiting list. The Registrar who was addressed for the necessary permission states that as the increased strength asked for amounts to almost fifty per cent increase of the strength of the college, it is necessary to have a commissioner to examine the adequacy of the staff and accommodation available. He also stated that the usual fee of Rs.100/- towards the inspection should be paid to the University. As the matter is very urgent and as the admissions of the students are kept pending, I have requested the Registrar to appoint a commissioner and inspect the college pending the payment of the fee. I request that Government may kindly sanction the payment of the fee of Rs.100/- to the Registrar and approve of my action in having requested the Registrar to appoint a Commissioner to inspect the college in anticipation of sanction. The expenditure may be met from the 'Contingencies' of the college.
