Rec.No.B2. 12079/47

From

Sri P. Doraiswami Mudaliar, B.Sc.,
Commissioner & Special Officer,
Conjeeveram Municipality.

To

The Secretary to the Government of Madras,
Education & Public Health Department,
Fort St. George, Madras.

Thro'

The Director of Public Instruction,
Madras.

Sir,

Subject: Education - Elementary - Establishment - Permission for appointment of additional teachers and sanction of special grant - requested.

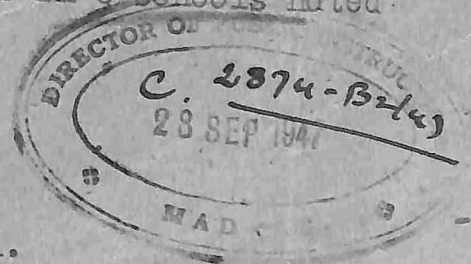

In passing orders on the Budget Estimate for 1947-48 of the Elementary Education Fund of this Municipal Council the Government stated in paragraph 4 of G.O.No.Ms. 397 Edn., dated 4-3-47 that the budget for 1947-48 would close with a deficit balance of Rs.18,832. The budget as reviewed by Government opened with a (Nil) balance whereas the actual opening balance for 1947-48 was Rs.1883-8-4. Therefore the budget was expected to close with a deficit balance of Rs.18,832-1883-8-4 = 16,949. Again, on account of the revision of the scales of pay of teachers, there will be a further deficit of about Rs.11,000. Thus the total deficit expected at the end of the current year is Rs.27,949 or about Rs.27,950.

2. The strength of pupils in seven municipal schools has increased (as detailed in the statement submitted herewith) to such an extent that the appointment of an additional teacher in each of these schools is very keenly felt. The Inspecting Officers of the Education Department have been urging the appointment of additional teacher wherever there is increase of strength. Out of 7 schools herein referred to, the Educational Authorities have recommended the appointment of additional teachers in 6 schools noted below:--

- ✓ 1. Yagasala Boys' School.
- ✓ 2. Pillapalayam Boys' School.
- ✓ 3. Vykuntaperumal Boys' School.
- ✓ 4. Sheikpet Boys' School.
- ✓ 5. Aladi Boys' School.
- ✓ 6. Kotrampalayam & Girls' School.

In the remaining school, i.e. Vaikuntaperumal Girls' school also the strength has considerably increased subsequent to inspection with the result that the staff find it very difficult to manage the classes. The Municipal Council has therefore in its resolution No.352 dated 6-9-1947 (copy enclosed) sanctioned the appointment of one additional teacher each in five schools, out of 7 schools above referred to. Sanction of the Council for creation of the post of an additional teacher in each of the two remaining schools i.e., Sheikpet and Vaikuntaperumal Boys' Schools will be obtained shortly.

3. If the additional teachers above referred to are appointed it will involve a recurring additional expenditure of about Rs.4,000 per annum and increase the expected adverse closing balance. It may not also be possible to make any further contribution from the General Funds in view of its slender resources and in view of the fact that a contribution of Rs.15,000 has been budgetted for against the statutory contribution of Rs.5,000. In this connection, I solicit reference to this office L.Dis.No.11404/47 dated 7-8-1947 wherein I have brought to the notice of Government that unless Government are pleased to sanction a special grant, it will not be possible to meet the deficit under the Elementary Education Funds.

I request the favour of early orders of government, the work of the schools suffers for want of the tional staff.
