Now, all these European schools are admitting Indian children and I wonder whether it will not be advisable to appoint Indian gentlemen to the Committee for the school. The Collector may be addressed on the matter and asked to suggest a person for appointment to the Committee.

The draft below is for approval.

DM
22/6/48 S

Secy. has raised the question whether the present rules relating to the administration of the school permit the appointment of an Indian to the Committee of Management of the school. The

present scheme for the management of the school is at pp 41-43 of G.O. 491 Ed. dated 13-3-27. Clause (1) of the scheme says that the Committee of management shall consist of the collector of the Nilgiris, the Principal of the school and four other persons whom the ~~Provincial~~ Govt. may from time to time, appoint as members. With reference to this clause, the appointment of an Indian to the Committee is clearly permissible. The draft d.o. below may issue.
