In G.O.No.2257, Ms.(Edn)., dated 30--9--1937, Government sanctioned the grant of a conveyance allowance of Rs.25/- per mensem with effect from 2--6--37 to the Sub-Assistant Inspectress, Madras Girls' Range. This allowance has been increased by 25 per cent from 1--4--1944 with reference to G.O.No.Ms.218, Finance, dated 22--4--1944.

2. The Sub-Assistant Inspectress, Madras Girls' Range has to inspect annually 100 schools besides visits to each school for not less than four times a year. Most of these schools are located far away from bus or tram stops and so it is not possible for her to inspect or visit these schools by public conveyances. Further as the school session is only for 2 or 2½ hours, by travelling in public conveyances, she will be able to visit barely 2 schools at any one time. Also after the extension of the City limits, the distances she has to travel has been increased. The present Sub-Assistant Inspectress, Madras Girls' Range, Mrs.N. Devanayaki, is maintaining a motor car and she is doing her inspection work by travelling in her motor car. As the maintenance of a motor car involves considerable expenditure she requests that she may be paid increased conveyance allowance.

3. I am of opinion that the maintenance of a motor-car by the Sub-Assistant Inspectress who has got jurisdiction throughout the City will help in quick and efficient discharge of her duties. I, therefore, recommend that the conveyance allowance paid to her, viz., Rs.31/- (Rs.25/- plus Rs.6/-) may be increased to Rs.50/- so long as the Sub-Assistant Inspectress maintains a motor car and does her inspection work by travelling in it.

I have the honour to be,
Sir,
Your most obedient servant,

for Director of Public Instruction, Madras

of all travelling allowances ordinarily admissible
for journeys in specified area. Under the latter
category the Sub. Post Inspectress, Madras Girls
Range gets a conveyance allowance of Rs 25 p.m. & the
temporary increase of Rs 6.

In the circumstances explained in his
letter in the of the D.P.S recommends that the
conveyance allowance sanctioned to the Sub. Post
Inspectress may be increased to Rs 50 p.m. 5-APP 38
It does not seem that a Sub. Post Inspectress is
expected to maintain a motor car. If she is able to
do it out of her private income all the incidental
expenditure connected with the maintenance of the
car should also be met from her private income; the
Dept cannot be expected to meet it. Further, the
argument that the extension of the city limits the of
distances she has to travel has increased cannot be
accepted. This argument was advanced for an increase

The Sub Assistant Inspectress I grade is eligible
for a revised scale of Rs 165--245 while that in
grade II can draw Rs 80--170. In either case it does
not appear that they can afford to purchase a car
and still less maintain it. In the circumstances
this Deptt. may agree with Edn. & P.H. that the proposal
be negatived.
