To

The Honourable Minister for Education,

Fort St., George, M A D R A S.

Sir,

I beg to submit the following for your kind consideration and favourable orders.

2. I was working as a Secondary Grade Assistant in the Government Training School at Cuddalore from 24-10-45 to 23-4-1947. The appointment was made under Rule 9 (a) (i) of the General Rules for the Madras Provincial and Subordinate Services as contemplated in the Proceedings No. Rec.625-G.1/44 dated 19-10-45 of the Divisional Inspector of Schools, Madura Division, Madura. Subsequently, in his Proceedings Rec. 100-A/47 dated 21-4-47, the Divisional Inspector has ordered tooust me as I was said to be not qualified for public service.

3. In this connection, I beg to submit that I have passed my S.S.I.C. Examination in the year 1936, and have been declared eligible for college courses of study. In the year 1938, I have passed parts I and II of the Intermediate examination in Arts and Science. Though I have passed parts I and II of the Intermediate Examination I was said to be not qualified as I have secured only 35 % in English in the S.S.I.C., Examination of 1936. In as much as I have passed parts I and II in the Intermediate Examination, I thought I have qualified myself for public service and that the failure to secure 40 per cent in English in my S.S.I.C., Examination was no bar to my entertainment in Public Service. Having learnt that this is not enough, I sat for the English S.S.I.C., Examination in 1947, and secured 57 per cent and have now qualified myself for Government service.

4. On the date of qualifying myself for the public service, my age is 30 years and 7 months (my date of birth being 24-8-1916). On account of my age, I am not eligible to apply for public service as a new entrant now.

5. I have served as a secondary grade assistant in the Government Training School for a period of 1½ years temporarily as mentioned above. I also held a Secondary Grade Teachers' Certificate and belong to a backward class of Yadhava community. In view of my long experience as assistant in

in the Government Training School and as I have qualified myself for public service in 1947, I request that the period of 7 months (30 years being the restriction of age for Government service) may kindly be condoned by relaxing the age limit in my favour and that I may be re-instated as a Secondary Grade Assistant in one of the Government Training Schools as a regular probationary candidate, taking my previous service into consideration. For this act of kindness, I shall feel ever grateful.

I beg to remain,
Sir,

Your most obedient servant,

V. Natarajan

Age rule for Sri V. Natarajan - Relaxed.

From the D.P.I. No. 4334 C6./47, dated 17-11-47.

G.O. (Ms.) 190 Edn., dated 27-1-48

Sri V. Natarajan, who was appointed as an officiating secondary grade teacher in the Government Training School, Cuddalore, could not be regularly appointed to that post as his age on the date of his becoming fully qualified for the post exceeded the ^{age} time-limit laid down in rule 6 (a) of the special rules relating to the M.E.S.S. It is stated that he belongs to the "Yadava" community which is educationally backward. In view of this, and in view of the dearth of trained teachers at present, H.E. the Governor of Madras, considers that the age rule should not stand in the way of Sri V. Natarajan's ^{regular} appointment as a secondary grade teacher in the M.E.S.S. He accordingly directs under sub-section (5) of section 241 of the G. of I. Act, 1935, that rule 6 of the Special Rules relating to the M.E.S.S. be relaxed in favour of Sri V. Natarajan so that he may be ^{regularly} appointed as a probationer in the ~~M.E.S.S. Service~~ category of secondary grade teachers in the M.E.S. Service.

 dpts note from the foot of p 1 ante may be
 perused. If there is a dearth of qualified candidates
 for any particular class of posts the appropriate
 course will be furnished to relax the rule and act in

respect of that class and not to relax the
 age or other particular rule in the case of an
 individual applicant. In this view there
 is no case for favourable treatment of the
 ptns. If E+M press this proposal to relax the
 age rule in this case H.P.T. may see the

Public need not perhaps
 object to relaxation of the
