No.Skr/Lino/48. Dated 23-7-1948.

Sir, 20 JUL 1948 Sub: Lino metal - Purchase of - Sanction requested.

I have to state that 10 tons of Lino metal of specification 3:15:84 are required very urgently for stock and use as my present stock has completely run out on account of efforts being made to stop High Court work being sent out to private presses. Quotations have therefore been called for from the local firms and the price quoted by Messrs. Heatly & Gresham Ltd., Madras - Rs.1,695/- per ton F.O.R. Madras - is cheapest. The total cost of 10 tons works out to Rs.17214-13-6 including Sales Tax. The firm offers 4 tons from immediate stock and the balance 6 tons in about 6 weeks from the date of receipt of order. I request that Government may be pleased to accord sanction for the purchase of 10 tons of lino metal at a cost not exceeding Rs.17,500/- including sales tax, etc.

2. I am purchasing 4 tons of lino metal which are stated to be readily available for supply to meet my immediate requirements as the lino department of this office is working day and night in two shifts. The order for the balance 6 tons would be placed on receipt of Government sanction. I request Government to ratify my action in having purchased 4 tons of metal in anticipation of Government sanction.

3. The expenditure will be met from the allotment under "56 Stationery and Printing - d. Government Presses Madras . F. Other expenditure 4. Stores purchased in India" or by re-appropriation.
