 Subject:- Inspection of the Coorg Education Department by
 Deputy Director of Public Instruction of the Madras
 Province.

94052

Prior to the retrocession of the Civil and Military Station of Bangalore to the Government of Mysore the Inspector of Schools (an officer of the Indian Educational Service), C & M Station, Bangalore, was conducting the annual inspection of the Coorg Education Department. The Government of India were addressed in December 1938, regarding the arrangements for the inspection of the Coorg Education Department after the retrocession of the C & M Station of Bangalore, and they stated that the question would be considered after retrocession took place. The C & M Station of Bangalore was retroceded to the Government of Mysore in July 1947. In order to maintain the efficiency of the Coorg Education Department it is considered desirable that an officer of the status of a Deputy Director of Public Instruction in the Madras Province should conduct the inspection in Coorg annually in future. The period of inspection will not normally exceed one month in a year. It is therefore requested that the Government of Madras might examine the proposal and communicate their views as early as possible in order that the previous sanction of the Government of India may be obtained for the proposed arrangement. The terms and conditions on which the Deputy Director of Public Instruction will be deputed to Coorg may kindly be specified.

SPARE COPIES

With reference to the request contained in the
letter No. 18910 dated 27-11-1947 from the Chief Commissioner
of Coorg, I have the honour to submit the following
remarks:

2. In the first place, I may submit that it will be
impossible to depute a Deputy Director for the inspection
of the Education Department of Coorg. However, a Senior
District Educational Officer or a Divisional Inspector of
Schools (who is on the same grade as Deputy Director of
Public Instruction) can be permitted to undertake the
annual inspection of the Coorg Education Department.

3. Regarding the terms and conditions of deputation,
I presume that it is not intended that the deputed Officer
should conduct a detailed inspection of every school -
elementary and secondary. This should be obviously done
by the inspection staff of the Coorg Education Department.
Since the precise nature of inspection that is to be
conducted by the deputed Officer is not known, I am unable
to state whether there will be need for the assistance
of a Deputy Inspector from this Department. It will be
necessary for the deputed officer to take with him an
experienced clerk, a stenographer and a peon.

4. On the basis that the Officer and his party will
have about four weeks' work at Coorg every year, I suggest
that the Officer may be paid an honorarium of Rs. 300/-
while the clerk and the stenographer may be paid Rs. 25/-
each and the peon Rs. 15/- Besides, the Officer and his
staff may be paid T.A. under the Madras Travelling Allowance
Rules for the journeys connected with the inspection work.

5. In deputing a suitable Officer for the inspection,
care will be taken to see that the Officer who is near
enough to Coorg is recommended, consistent with the public
interests.

Sir,
Inspection of the Coorg Edu. Dept. by a Dy. D.P.I.
of the Madras Province.

With reference to your letter no 18910 dated 2.7.11.47, I am directed to state that it will not be possible to depute for this Govt. to depute a Dy. D.P.I. for the inspection of the Edu. Dept. of Coorg. However, a Senior Dy. D.P.I. or a Divisional Inspector of Schools who is on the same grade as Dy. D.P.I. can be permitted to undertake the annual inspection of the Coorg Edu. Dept. I am to enquire in this connection, what the precise nature of the inspection to be done is. On hearing about this, this Govt. will let you

 of the Madras Province.

Sir,
 Please refer to your letter Ref.No.94052-A-3-Edn.,
 dated the 20th February 1948.

The officer to be deputed for the inspection of the Coorg Education Department has to visit the important schools in Coorg to give advice on teaching methods and conducting examinations. He has to look into the curriculum of studies in various stages of education. The suitability of text books and syllabuses has to be examined by him. In general, the work of both the administrative and tutorial branch of the department has to be examined and reported to the Government by him. He has to spend annually about a week in Coorg in touring.

I consider that it would be desirable to depute a Divisional Inspector of Schools to inspect the Coorg Education Department. As the medium of instruction in Coorg is Kannada, the deputation of a Kannada knowing officer is essential.

EDUCATION AND PUBLIC HEALTH Department.
FORT ST. GEORGE, MADRAS.

Sir,

With reference to the above Government
Endorsement I have the honour to state that the only
Divisional Inspector of Schools who knows Kannada is Sri
D. Ramayya, Officiating Divisional Inspector of Schools,
Godavari Division; but, I do not think that his present
knowledge of Kannada is adequate to inspect Coorg Schools.
I, therefore, recommend that Sri D. Narasimha Sastri, M.A.L.T.,
District Educational Officer, Bellary, who is a senior
Officer in the category of District Educational Officers and
who has adequate knowledge of Kannada may be deputed for
inspecting the Coorg Education Department.

P.T.O.

2. As regards the staff that should accompany him, I consider that it is essential that the inspecting Officer should have the assistance of a Senior Deputy Inspector of Schools, a Clerk and a Steno-grapher (or Typist). He may be allowed to take a peon with him. The total period of deputation may be restricted to 10 days (including the days spent on travelling to and from Coorg.)

3. In view of the fact that the period of deputation will not ordinarily exceed 10 days I recommend the following revised rates of remuneration for the persons deputed.

i. District Educational Officer.	..	Rs. 100/-
ii. Senior Deputy Inspector of Schools	..	25/-
iii. Clerk.	..	15/-
iv. Stenographer or (Typist).	..	15/-
v. Peon-	..	10/-

Besides the above remuneration, the officers of this Department may be paid by the Coorg Administration travelling allowance under the Madras Travelling Allowance Rules.

R.O.C. No. 443-C1/48 dated 7th January 1949.

Sir,
Sub: Deputation - Inspection of the Coorg Education Department by Sri D. Narasimha Sastri, District Educational Officer.

REF: G.O.MS.No.1911 Education dated 3--8--1948.

With reference to paragraph 2 of the G.O.cited above, the total period of deputation of Sri D. Narasimha Sastri who is now the District Educational Officer at Kakinada, should not exceed ten days (including the days spent on travelling to and from Coorg). As the journey to and from Coorg will occupy about eight days, the remaining period of deputation will not be sufficient to conduct satisfactory inspection of the Coorg Education Department. I, therefore, recommend that in the circumstances stated in the letter dated 2nd January 1949 from Sri D. Narasimha Sastri (copy enclosed) Government may kindly sanction his deputation for a period of ten days (excluding the days spent on travelling to and from Coorg).

2. I request the urgent orders of Government in the matter.

Yours faithfully,

Copy of letter dated 2-1-1949 from Sri D. Narasimha Sastri, District Educational Officer, East Godavari, to the Director.

It takes 4 days to reach Coorg from Kakinada and a similar period for return. Thus there will be only two days left for -- doing inspection work. From the Administration Report I find that there are 125 recognised schools of which 7 are High -- Schools. It therefore becomes impossible to do any work within the time limit prescribed in para 2 of G.O.No.1911 Education dated 3-8-1948 Viz. 10 days including days spent in travelling. So, I request you to permit me to spend 10 days for this work excluding the days spent in journey.
