R.C. No. 3564-B2/L7. dated 21st May 19 48

Sir,

* SUBJECT: ELEMENTARY EDUCATION - Aided -
Grant of leave to teachers -
Assessment of grant.
X-X-X-X-X

I have the honour to state that most of the managements pay salary to their teachers only after the receipt of Government grant and that several other managements feel difficult to pay leave salary to teachers prior to the receipt of Government grants. Hence instructions to the subordinate inspecting officers were issued in my proceedings R.C. No.1113-B/44 dated 29th January 1946 to the effect that managements should ^{furnish} (finish) a certificate that the grant in respect of the leave periods will be paid after they receive Government grant, though payment of full pay is a pre-requisite condition for assessment of grant for leave periods with reference to Government Order "o. 233, Education dated 14th February 1945. The Accountant General, Madras, points out that the above procedure is not inorder.

2. To obviate the objection made by the Accountant-General, Madras the amendment to the Rules for aid of ^{Elementary} Secondary Schools suggested below in consultation with him (Accountant-General, Madras) is considered sufficient and may kindly be approved.

P. T. C.

3. For the last sentence of Sub-rule(5) of Rule 4 of the Rules for Aid, the following shall be substituted:-

"Teachers granted such leave are eligible for assessment of grant in addition to the grant admissible under sub-rules (3) and (4) above and the leave sanctioned at a time should not exceed the leave at credit. Such teachers should be paid full pay for the leave period".
