I beg to submit herewith a copy of the petition submitted by Sri T.V.Katchapeswaran, M.A.L.T., assistant, Municipal High School, Vellore requesting to fix his initial pay at Rs.90/- in the scale of Rs.75 - 5 - 145 together with a copy of the Council's resolution No.690 dated 22-3-1948 recommending his request.

The applicant entered service in this municipality on 25-6-47 on Rs.70/- per mensem. His pay was refixed at Rs.75/- in the revised scale of Rs.75 - 5 - 145 with effect from 25-6-47. The Council carefully considered the representations made by the teacher and decided that they deserved consideration and accordingly recommended his request especially in view of the fact that it was very difficult to get qualified hands to fill up the posts of L.T. assistants. Out of four L.T. assistants' posts in the municipal high school, only two are filled up by qualified hands. The remaining two posts are filled up by unqualified hands temporarily exempted by the District Educational Officer..

In these circumstances it is requested that the Government may be pleased to treat this as a special case and sanction the grant of the higher starting pay of Rs.90/- to the petitioner.

=====

I beg leave to bring my sad and miserable plight to your kind notice for favour of redressing my grievances.

1. The cost of living here is so enormous that I have, within a short stay of six weeks, contracted a huge debt to the tune of one hundred rupees at such usurious rate of interest as to preclude the possibility of my ever repaying the amount.

2. I have a very large family of five children, two of whom have been under medical treatment for over eight months under the Liver Cure Specialist. My meagre salary does not permit us even the barest necessities. There is an ever-widening gap between my income and expenditure.

3. I have not been able to secure a dwelling so far and the chances of securing one are so remote that I am more than tempted to give up my job in despair.

4. Had I but anticipated all this I would have demanded a higher initial start at the very outset. It is possible, though not certain, that I may secure a house if I pay Rs.25/- per mensem which I can ill afford with my present slender resources.

I understand that the North Arcot District Board obtained sanction from the Government to appoint some L.Ts on a higher initial start of Rs.90/- in view of the present dearth for trained teachers.

I was drawing a higher salaryⁱⁿ the past. I have drawn even Rs.105/- plus dearness allowance per mensem when I was Cordite Factor School, Aravankadu - Nilgiris.

In view of my long service, though elsewhere, as a trained teacher since 1937, and in view of my higher qualification and the present dearth for trained teachers, I humbly request you to give me a starting salary of Rs.90/- plus dearness allowance, if not more.

If this my humble petition is not considered with the sympathy that it deserves and if my prayer for a higher initial salary ~~and if my prayer for a higher~~ is not granted, I am afraid that I may be, though most reluctantly constrained, to resign my post.

I fondly hope that I may not be driven to that extreme course.
