R.O.C. C.1. No. 10675/47 dated 14-6-48 16561

Sir,

Establishment - appointment - Spinning and weaving Instruction
the Kodappamund School - Provision of funds, - transfer from
the closing balance - requested-

On the recommendation of the District Educational Officer, Coimbatore,
the Municipal Council in its resolution No. 964 dated 15-1-48 sanctioned
the proposal to introduce spinning and weaving as pre-vocational
subject in the Municipal Kodappamund Higher Elementary school from
standards IV to VI. Accordingly, the articles required for introducing
the above subjects were purchased from the A.I.S.A. Tirupur, but the
subject could not be introduced during the school year 1947-48, as none of
the present staff in the school was able to impart instruction on the
subject. The District Educational Officer, who was addressed to state if
a full-time Higher Elementary grade pre-vocational Instructor is necessary
for employment in the school, has replied in the affirmative.

The Municipal Council in its resolution No. 157 dated 13-5-48
has sanctioned the proposal to appoint a Higher Elementary grade Pre-
vocational Instructor to the above school on Rs. 30-1-45 per mensem
from the school year 1948-49. A copy of the resolution quoted above
is submitted herewith.

No provision has been made in the Elementary education budget for the
year 1948-49 to meet the cost involved in the appointment of this
additional teacher. The additional cost during the next school year on
the employment of this teacher will be about Rs. 550/-. The budget estimate
of the Elementary Education Fund Account for the year 1948-49, as
revised with reference to the Government orders on the general budget
for 1948-49, is expected to close with a deficit of Rs. 8,819/- and in order
to avoid this deficit, the Government in G.O. Ms. No. 711, Education
dated 31-3-48 have ordered that a sum of Rs. 8,819/- should be adjusted
from toll compensation grant to be sanctioned during the current year.
The general funds account for the year 1948-49, as revised with reference
to the Government orders on the budget estimate, is expected to close
with a balance of Rs. 1,31,437/- and I request that Government may be
pleased to permit this Council to transfer a further sum of Rs. 600/-
from the closing balance under the General Funds account to the
Elementary Education Fund Account, so as to meet the additional cost of
the proposed pre-vocational instructor.

Commissioner,
Ootacamund Municipality.
