EDUCATION DEPARTMENT.

FROM

SRI D.S. REDDI M.A., (OXON).,
DIRECTOR OF PUBLIC INSTRUCTION,
M A D R A S.

TO

THE SECRETARY TO GOVERNMENT,
Education and Public Health Department.

R.O.C.NO.103-A2/48 dated 8--7--1948.

SIR,

Sub: HOSTELS - Government Basic Training Schools -
Men students of the secondary grade - Exemp-
tion from payment of rent - Sanction reques-
ted.

With reference to G.O. No. MS. 30 Education and Public Health dated 6th January 1937, men students of the Elementary Grade living in the hostels attached to Government Training Schools for masters are exempted from payment of rent but those of the secondary grade have to pay rent for hostel accommodation. According to this order men student undergoing secondary grade basic training and living in the hostels attached to Government Basic Training Schools will have to pay ~~the~~ rent. But it does not seem proper to levy rent for the hostel accommodation provided to these students for the reasons that their ~~xx~~ residence in the hostels is compulsory, that, in Basic Training Schools, hostel life of students is integrated with school life and that the hostels are as much places of learning and training as the class-rooms. I, therefore, recommend that men students of the secondary grade (Basic) may be exempted from payment of rent for hostel accommodation including electric installations.

2. I request the early orders of Government on this reference.

Yours faithfully,

[Signature]
for Director of Public Instruction.

At present women students of both elementary and Secondary grades and men students of the elementary grade admitted for training in ordinary training schools are exempted from payment of rent for hostel accommodation. Men students of the secondary grade have to pay rent ranging from As.4 to As.12 per mensem per student for hostel accommodation. In 1937, the question whether the concession shown should be withdrawn was considered. It was decided not to interfere with the existing practice. For the reasons stated in the letter in the current file the Director recommends that men candidates undergoing Basic training of the Secondary grade should also be exempted from payment of rent for hostel accommodation. The loss to Government may not be much. There may be 500 teachers of the secondary grade receiving training and the rent payable will be Rs.250/- a month or Rs.3,000 a year. For orders whether the Director's recommendation will be accepted.

Finance may agree with the views of Secy, E.P.H. that the proposal to exempt men candidates undergoing Basic training of the Secondary grade from payment of rent for hostel accommodation should be repudiated. The amount of rent - 4 annas to 12 annas - is very small & the candidates can easily pay it. H.M. Fin. should see if it is proposed to grant the exemption.
