Arthur Hope College of Technology, Coimbatore -
Accommodation. ②

M
A
The Director of Public Instruction is informed that steps are being taken for the continuance of the College in its present premises even after June 1948. Orders have already been issued for the erection of the T.G. shed brought from Cochin in the site reserved for the College in the Agricultural College estate and the Chief Engineer has been asked to submit urgently an estimate for the work. The Director may now make arrangements for the admission of the 75 Coimbatore students in the Engineering College, Guindy, and also obtain the necessary permission for this from the University. Proposals for the employment of additional staff, if necessary, may be submitted in due course.

Copy of the letter from the Principal, Arthur Hope College of Technology, Coimbatore No. 86-A/48 dated 4-6-48 addressed to the Hon'ble the Minister for Education.

Arthur Hope College of Technology, Coimbatore -
Deficiency of Staff. --

I have the honour to bring to your kind notice that this College is deficient in the following Staff which has been sanctioned:

- 1) Professor in Electrical Engineering
- 2) Senior Workshop Instructor.
- 3) Junior Workshop Instructor.
- 4) Laboratory Assistant - Strength of Materials Laboratory
- 5) -do- - Mechanical Laboratory.
- 6) -do- - Hydraulic Laboratory.
- 7) Assistant Lecturer in Geology.

1. Sri K.N. Ramanathan, Professor of Electrical Engineering of this College was transferred to the College of Engineering, Coimbatore at the tail end of the academic year 1947-48 i.e., 9-2-48 and the post continues to be vacant. For arranging and equipping the Electrical Laboratory the personal supervision and direction of the Head of the Department is necessary. Mr. Ramanathan has placed orders for the most of the machinery and for continuity in planning and development and to avoid dislocation the same person should complete the erection and running of the machinery he has ordered. I would therefore request that Professor K.N. Ramanathan be transferred to this College to complete the works he has started.

ii. Senior workshop Instructor:- Mr. A.P. Jambulingam is expected to leave us shortly for prosecution of foreign studies. He is now awaiting passage.

iii. Mr. K.M. Sevanah, the Junior Workshop Instructor was relieved on 2nd March 1948 to join the post of the Technical Education Officer and the post remains unfilled for want of a suitable candidate.

iv. The posts of Laboratory Assistants, Strength of Materials and Mechanical are vacant from July 1947 for want of qualified and suitable candidates. The post of the Hydraulic Laboratory Assistant is also vacant from the 16th of May 1948 as the officiating incumbant (under Emergency Provision) has been recruited to the post of Supervisor, Public Works Department as a regular probationer and has been relieved.

v. The post of the Assistant Lecturer in Geology is vacant from

the 7th of May 1948 as the acting incumbant (under Emergency Provision) has to be relieved from the commencement of the Summer Vacation as per orders of the Director of Public Instruction.

The normal instructional work in the College and the heavy work involved in shifting the College and ~~erecting~~ erecting the equipment in the Prefabricated Steel Sheds that will be put up by the Public Works Department will suffer greatly if the posts are not filled immediately.

2nd June 1948 - Arthur Hope College of
Technology, Coimbatore - Admission of 75
students of the first year class in the
College of Engineering, Guindy.

I have the honour to inform you that the Syndicate considered your letter under reference and further correspondence thereon and resolved that permission be granted for the admission of 75 students this year only (1948-49) of the Arthur Hope College of Technology, Coimbatore into the College of Engineering, Guindy, Madras, subject to the employment of additional staff wherever necessary.

In this connection I am to request you to let me know for what period the present arrangement is to continue and what steps the Government have taken in regard to the final location and construction of permanent buildings for the College. The final orders passed regarding the permanent location of the Arthur Hope College of Technology, Coimbatore may kindly be communicated to me at a very early date. It is presumed that this question will be decided shortly.

Please forward a report early next month regarding admission

 of addl. Staff

The Eng College, Coimbatore, is now
 located in the premises of the Anglo. Eng.
 company. The original idea was to transfer
 the college to the Burma Evacuee camp from
 the current academic year. But this did
 not materialise as the camp was required
 by the Govt of India for their Forest College.
 The Eng. College is in its fourth year and
 the accommodation available in the
 present premises is not sufficient
 to accommodate the students of all the
 four Eng. classes. So, as a temporary measure
 the first year students will be admitted
 into the Eng college, Guindy. The existing
 staff in the Eng college, Guindy, cannot
 cope with the work involved by the admission
 of the Coimbatore students. For this addl
 work the D.P.S. proposed the appointment
 of the following addl staff: -

- 3 Asst. Instructors (2 Civil and 1 Mechanical)
- 1 Lower Division clerk.
- 1 Typist
- 1 Sec.

It was stated that one Asst. Lecturer
 in Mathematics and two Demonstrators
 could be transferred from the Coimbatore
 college to the Guindy college.

The sanction for the addl staff involved
 reference to the Standing Finance Committee.
 But as the college ~~was~~ ^{had} re-opened and as the
 addl staff was urgently required orders.

Please see the note of E.P.H on p1 above.

For want of accommodation, it is proposed to admit the 1st year students of the Engineering class of the Arthur Hope College of Technology, ^{Coinbatore} in the Engineering College, Guindy. The students number 75 and for the increase of work in respect of those students the D.P.I submitted proposals for the employment of the following additional staff in the Engineering College, Guindy:

- 3 Assistant Instructors (on Rs 180-280 (2 Civil and 1 Mechanical)
- 1 lower division clerk (45-90)
- 1 Typist (45-90 plus 9th pay of Rs 10)
- 1 Peon. (16-25)

The extra cost involved in the proposal is Rs 14,300 roundly per annum.

2. There is no information in the file as regards the details of staff that has already been sanctioned for the Arthur Hope College of Technology Coimbatore. The details of additional staff required for a class of 75 ^{1st year} students is given on p3 CF out of which the D.P.I proposes to transfer 1 Assistant Lecturer and 2 Demonstrators from Coimbatore to Guindy. The D.P.I further states that no Assistant Instructors ~~sanctioned~~ already sanctioned for the Coimbatore Engineering College can be transferred to Guindy as all of them are required at Coimbatore. Evidently the ministerial work connected with the admission of the 75 1 year students cannot be attended to by the existing ministerial staff in the Engg. College, Guindy. In the circumstances explained by the D.P.I on p 3-4 CF, the proposal may be agreed to in this Dept subject to the presumption at 'k' above.

3. Financial procedure: The proposal should normally go before the S.F.C and the Cabinet before issue of orders as the extra cost exceeds Rs 5,000 p.a recurring. But as the classes are to commence
