REF: = Government Memorandum No. 24846-B.1/47-1 Education, dated the 31st March 1947.

The following reply is submitted for the starred Assembly question No. 948 dated 6th March 1947.

The proposal for starting a Secondary School at Vedaranyam (Tanjore District) was received and ~~was~~ sent to the District Educational Officer and the Divisional Inspector of Schools for remarks. The Divisional Inspector reports as follows:

"The District Board has failed to satisfy the essential needs of the existing secondary schools and its

financial condition is very unsatisfactory. Further the Board wants subsidy from Provincial funds for running the proposed school. It is not the present policy of the Government to give aid to the local bodies for opening secondary schools = vide G.O.No.1157, L.E., dated the 12th June 1930.

In the circumstances, the proposal of the District Board to open a Secondary School at Vedaranyam is not recommended. The District Board may be asked to allow any private agency to start the school at Vedaranyam."

Payment of arrears of dearness allowance in aided training schools.

* 208 Q.—SRI PILLALAMARRI VENKATESWARLU: Will the Hon. the Minister for Education be pleased to state—

(a) why the Government have not directed the managements of aided training schools to pay the arrears of dearness allowance for 1945-46 as they have done in the case of aided secondary schools;

(b) whether it is a fact that dearness allowance at Rs. 16 per month the rate fixed by Government for all aided elementary schools from 1st February 1946 is not being paid in some of the model schools attached to training schools; and

(c) if so what steps the Government have taken to rectify this defect?

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

"(a) The special grant towards dearness allowance for 1945-46 has already been sanctioned.

"(b) (c) The hon. Member is referred to the answer given on 18th April 1947 to clauses (b) and (c) of Question No. 546-J."

SRI R. V. SWAMINATHAN:—"In order to get over all these difficulties and have effective control over elementary education may I ask why the Government should not take over all the elementary schools in the Province under their control?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

"It is a very big question."

SRI K. ANANDAN NAMBIYAR:—"May I know whether the Government will direct the managers to pay the extra pay to the teachers and not close the schools, I mean the extra pay of Rs. 5 and Rs. 2?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

"It would seem that the hon. Member is trying to speak both ways. The Government Order is that the managers must pay the five rupees. The threat of the managers is that they would close the schools if they are forced to pay. The hon. Member now wants that the managers should pay and continue the schools. I do not see what he wants us to do."

SRI K. ANANDAN NAMBIYAR:—"If the manager does not want to pay and if he closes the school, what will the Government do?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

"We will consider the matter when the occasion arises."

P. K. MOIDEEN KUTTY SAHIB BAHADUR:—"Have not the Government received many petitions saying that it would be a hardship if the managers were compelled to pay this Rs. 5?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

"Yes, Sir."

Earnest steps have been taken to provide all the essential requirements of existing board secondary schools and adequate funds have also been provided. There are however many practical difficulties in the way such as high cost of materials and labour and paucity of qualified men but the board has been making steady and adequate progress in every direction. The present condition of the board secondary schools in the matter of accommodation, staff, equipment, etc. cannot be considered so unsatisfactory as to prevent the taking up for consideration of proposals for the starting of new secondary schools in many parts of the district where they are absolutely and urgently necessary.

The financial position of the District Board would permit of the entire cost of the needs of existing schools being borne from its funds.

The minimum non-recurring expenditure in respect of the secondary school proposed for Vedaranniam can be met from the district board's funds. The net recurring expenditure can also be borne from the funds of the district board. It is presumed that as per G.O.No.975 Education dated 10-5-47, a recurring grant will be sanctioned by Government for all board secondary schools including schools to be newly opened.

 2. The question lapsed on the prorogation of the Assembly.
 Mr. A. Vedaratnam Pillai has renewed notice of the question.
 3. No representation has been received by Govt for the opening
 of a secondary school at Vedaranyam. The proposal of the Dt Bd,
 Tanjore, for the starting of a school in that place was vetoed
 by the SP⁹ for the reasons given in his letter on pp 4-5 of. He
 does not recommend the opening of a school in that place.

4. The policy of Govt now is to encourage the opening of
 new secondary schools for boys in taluks not served by such
 schools. 'Vedaranyam' cannot be selected as one of the centres
 in which new middle schools are to be opened in 1948-9 with the aid
 of Govt subsidy, as the taluk in which the village is situated is not
 one which is not served by any middle or high school. The SP⁹
 proposed that Arantangi in Tanjore may be selected as one of the
 centres in which new middle schools should be opened in 1947-8
 but the proposal was not approved on the ground that the
 Tanjore Dt cannot be said to be educationally backward and
 in selecting centres for the opening of new subsidised secondary
 schools, preference should be given to backward areas. If
 the Tanjore Dt Bd renews its proposal to open a secondary
 school at Vedaranyam at its own cost in connection with the budget
 for 1948-9, it may be considered on its merits.

But it can meet the cost of the opening of a middle school at Vedaranyam (Rs. 17,000) as it is reported that a provision of Rs. 8,000/ is on p18 of

Specific provision for opening three new schools -
for 1947-48 for Rs. 80,000 for opening three new schools -
for a capital expenditure of Rs. 1,47,000 for buildings, equipment etc.
for Secondary Schools -

has been made for the opening of new secondary schools in the P.E. for 1947-48. Further on the basis of the P.D. & P.E. for 1947-48 the General Acct. or dy is expected to work at a surplus of Rs. 5,37,364. [The P.E. of the D.B. for 47-48 and the P.E. for 48-49 have not yet been received]

With these remarks the file may be returned to E.P.H.
