ENCLOSURES _____

SPARE COPIES _____

In submitting herewith a copy of the letter ROC.No.90-E/48 dated 22-5-48 of the Dt.Edl.Officer, Kistna, I have the honour to report that in the circumstances explained therein, I am instructing the Dt.Edl.Officer to assess the teaching grant for the schools referred to therein on the basis of the monthly returns submitted to the Deputy Inspectors and to send the grant to managements by Money Orders if he thinks it to be the better course. These schools are either enclaved in or border the Nizam's territory to reach which the Inspecting Officers have to travel through the state territory. On an earlier report I have also permitted the Inspecting Officers to postpone their normal visits or inspections to these schools pending further instructions from me.

For Director of Public Instruction.

RVR 21/6/-

Letter ROC.No.90-E/48 dated 22-5-48 of the Dt.Edl.Officer, Kistna.

The Deputy Inspector of Schools, Nandigama, reported that he cannot visit the Elementary Schools in Nizam Territory owing to the communal disturbances and requested for exemption from visiting and conducting the inspecting of schools. The Director of Public Instruction, Madras, has been pleased to issue orders in his proceedings read above, that pending report from the District Magistrate, Kistna, the Deputy Inspector may postpone his visits and inspections to the schools in the Nizam Territory. Now the Deputy Inspector recommended quarterly grant on behalf of such schools for payment. But it is not known whether the schools are exactly working or closed. But the Deputy Inspector of Schools reports that the monthly returns of the schools are being received in his office. It is also not known as to how many of such schools will be closed due to the communal disturbances. I therefore request you to be good enough to

to let me know as to whether I may pay quarterly grants to such schools on the strength of the monthly returns received regularly in the Deputy Inspector's office, though the schools were not visited by the inspecting officers.

Rule (C84)

Please see the letter from the D.P.I. at p. 1 and ~~its~~ its enclosure above. It is suggested that it might not be possible to send the ~~grant~~ grant by air at all times. The D.P.I. officer, Kishna, might perhaps be asked to contact the D.P.I. and make special arrangements to send the grant by special messengers, accompanied by guards if necessary.

With the above remarks the file may be passed on to Finance.

May be perused and passed on to Fin.

In the circumstances reported by the D.P.I. Officer on pp 1-2 above, Finance may agree that the action of the D.P.I. may be ratified subject to the following remarks:-

With reference to K on page 1 above, S.P.H. may be requested to consider whether it will not be advisable to ask the D.P.I. to issue instructions to the effect that the reports sent by the managements of the schools, submitted to the Dy. Inspectors should contain a certificate that the schools were actually working during the period covered by the reports.

Please see the note of Fin. above. When the manager of an institution sends the 'monthly return' for a school in respect of a particular month, it only means that the school has been working in that month, and there seems to be no point in asking the manager again to give a certificate that the school has been working in that month. The D.P.I. action may be approved without this rider. The draft below is for approval.
