The probable candidates that are likely to take advantage of the course has already been estimated ~~at the~~ as 100 and the same figure has been taken for purposes of calculation of the cost with reference to the orders issued by Government in para 2 of G.O.No.1937, dated 4-9-1947.

Sir,

Reference:-Government Memorandum No.75299 C-1/47-1 dated 30.9.1947 and 21.10.1947.

---

1. I have the honour to submit revised proposals for Refresher course for students appearing privately for the T.S.L.C. Examination of the Secondary Grade.

2. I propose that the refresher courses may be conducted in the following centres:

G. Memo p 1 ante

N

For the Tamil area	..	Government Training School, Tanjore
For Madras area	..	Government ~~X~~ Training School, Egmore
For Malabar area	..	Government Training School, Calicut
For Ceded Districts	..	Government Training School, Bellary
For Northern Telugu Districts.	..	Government Training College, Rajahmundry
For South Kanara	..	Government Training School, Mangalore

3. I suggest that the course may extend for a period of 4 weeks during the vacation commencing from the first week of April and that the teachers who will be engaged in the work be given the benefit of non-vacation. It will not be possible to arrange for separate courses for women students. Both the men and women teachers may attend a common course,

P

which will be in the nature of coaching for Examination rather than any training. These courses will be organised only if there are 20 students willing to join at each centre. There will be no extra cost to Government on this proposal.

, Stipends for the candidates will have to be given

4 Alternatively I recommend that these teachers may be permitted to join a Training School during the short term between January and March, which will be more helpful to them. In all the Training schools, the last term is mainly devoted to preparing the students for the Public Examination in addition to a little teaching practice. If these private students join the classes, they will get the benefit of the coaching as well as training in practical work. They will also be in the right atmosphere. If this is accepted, the number of students that will seek admission into any training school, may not exceed one or two and their presence will not seriously interfere with the normal work. It is left to Government either to pay them a stipend or not.

cf pp15-16 of ⑥

5 As already suggested the Examination may be held in September. I recommend that the Examination may be held in 6 centres one for each language area. The cost involved, if the proposals are accepted, as shown below:

Explanatory Note.

Higher elementary grade teachers who possess the requisite general educational qualification are at present allowed ~~xxx~~ to appear privately for the Training School Leaving Certificate Examination of the Secondary grade. After passing the Secondary Grade Examination they would automatically become secondary grade trained teachers. However, it is considered that they will not be fully equipped to handle higher classes by merely passing the secondary grade examination and that a refresher course is necessary for them. In this connection ~~Hon'ble~~ M(Education) has minuted as follows:-

A refresher course is necessary for obvious reasons. In fact, in other countries, refresher course is held even for fully qualified teachers once in a few years. For these teachers it is doubly necessary because they are merely qualifying themselves for higher grade of teaching and mere passing examinations are not of much use in understanding methods of education. To save finance as well as to avoid the difficulty for arranging for the refresher courses, these courses may be for 5 weeks. They may be conducted in one or other of our Training Schools during holidays, so that our own staff, without extra payment, may be utilised for the occasion. The stipends may be Rs.18/- per month or, rather it may be Rs.20/- for the 5 weeks. This may be put in as Part II Scheme for the next year.

P.T.O.

14

The Director of Public Instruction has accordingly proposed that is refresher course may be conducted for four weeks in April in the xxxx six Government Training Schools at Tanjore, Egmore, Calicut, Bellary, Rajahmandry and Mangalore. The Course will be common for both men and women. It is proposed to pay a stipend of Rs.20/- to each candidate for the entire cours.

The Director of Public Instruction has also proposed that a supplement Transfer School Leaving Certificate Examination of the xxxxxxxx Secondary Grade may be conducted in September for the benefit of the teachers who undergo the Refresher Course, as otherwise they will have to wait for about a year after taking the Refresher Course.

This Department accepts the proposals of the Director of Public Instruction. subject to this modification that the course may be for 5 weeks. and recommends that the provision may be made in the Budget Estimate for 1948-49 as shown in the summary at the top.

MEMORANDUM PRESENTED TO THE HONOURABLE. T.S.AVANASILINGAM CHETTIAR, B.A.B.L., EDUCATION MINISTER to the GOVERNMENT OF MADRAS by the S.S.L.C.passed ELEMENTARY HIGHER GRADE TEACHERS.

- : o : -

9

HONOURED SIR,

1 We the undersigned teachers of the Elementary Higher Grade beg leave to submit the following fact for your Honour's kind and sympathetic consideration and recommend the Director of Public Instruction for favourable orders.

2 We sat for the S.S.L.C. public Examination in April 1947 and came out successful.

3 We are not in any way better in salary or in status than the present Elementary Higher Grade Teachers and are classified along with them even when the new scales were given effect to from 1- 1- 1947.

4 It is needless to point out that only ~~200~~ 187 of us were declared eligible out of 2,000 teachers that sat for the Examination. This is deplorably a low percentage. This may be due to the fact that our financial, mental and physical worries stood in the way. In spite of these odds a small number of teachers have come out successful on account of their strenuous efforts.

5 Elementary Higher Grade Teachers who had been declared eligible or who had completed the S.S.L.C.Course before 1-7-1940 had their Elementary Higher Grade Teachers Certificates converted to Secondary GRADE ones, without appearing for the Secondary Grade T.S.L.C.Examination. The present teachers who have passed the S.S.L.C.Examination are also eligible for such certificates. But it appears that the Government are considering to make them sit for the Secondary Grade T.S.L.C.Examination. This means another ordeal in their life.

6 The Teachers who have now secured eligibility in the S.S.L.C.Examination are in no way inferior to those who were before 1940. More-over they have secured a good amount of teaching experience on account of their long service at their credit. To add to this, recent methods in teaching the various subjects have been brought home to their minds through the departmental teachers' associations. Their knowledge in ENGLISH, LANGUAGE, MATHEMATICS, etc are far above the level in as much as they have passed the S. S. L. C. Hence they are now fit to receive the Secondary Grade Certificates without appearing for the T. S. L. C. Examination.

7 In the circumstances explained above we request YOU on our behalf and on behalf of the teachers who have secured eligibility to consider our case and pass early orders, for conversion of our Elementary Higher Grade Certificates to Secondary Grade Ones.

8 In this connection we beg to submit that we have represented this through an Appeal to the Director of Public Instruction and we learn that the same is under consideration.

9 Hoping to get favourable orders and thanking YOUR HONOUR in anticipation.

(Part II scheme for 1948-49)

In G.O. 1937 Edn dt 4-9-1947, the D.P.I was asked to bring forward ~~as Part II scheme~~ the proposal to conduct a refresher course for students appearing privately for the T.S.L.C Exam as Part II scheme for 1948-49. The D.P.I has now submitted proposals for the same accordingly to which about 100 ~~Higher~~ Elementary grade teachers will be admitted for refresher course in one or the other of the six ~~five~~ Government Training Schools mentioned at M on p1 c.f for a period of 5 weeks during the mid-summer vacations. Each candidate will be paid a stipend of Rs 20/- for the entire course and ~~that~~ the staff in the schools will be utilised for ~~the~~ conducting the course ~~purpose~~. The D.P.I also states that the teachers engaged in conducting the course should be given the non-vacation benefit (ie) they should be considered to have been on duty during the entire period. The extra cost involved is Rs 2,000 p.a. assuming that 100 such teachers will attend the course. ~~However the following remarks seem to be called for.~~

2/ **Stipends**:- While examining the proposal previously this deptt was not in favour of granting any stipend to the teachers for the reasons stated at 'A' on p 3 N.F of G.O. 1937 Edn dt 4-9-47. It would however be seen from the orders in circulation on p 4 N.F of the above G.O. that HM (Finance) was in favour of granting a stipend to the teachers. The Finance deptt may therefore agree to the

grant of a stipend of Rs 20 which is based on the minute of H.M(Edn) on p.5 N.F of G.O.1937 Edn dated 4-9-47, for each teacher for the entire ~~sex~~ course.

3/ Non-vacation benefit to the teachers conducting the course. The D.P.I has stated that teachers engaged in conducting the course should be given the non-vacation benefit (i.e.) they should be considered to have been on duty during the entire period and that the Govt. should extend such concession to them. Under F.R. 82(b) the total leave admissible to a Govt. servant in a vacation department is ordinarily reduced by one month for each year of duty in which he has availed himself of the vacation. If part only of the vacation has been taken in any year, the period to be ~~deduct~~ deducted will be a fraction of a month equal to the proportion which the part of a vacation taken bears to the full period of the vacation. If it is ordered by the Govt. that the existing teachers in the specified training schools ~~shold~~ should conduct referesher courses during vacation, it would seem that the latter will automatically be eligible for the concession mentioned in F.R. 82(b) (vide S.R 6 under F.R. 82(b)). It is not therefore clear what the D.P.I. means by the term 'non-vacation benefit'. E.P.H may be requested to clarify the point in consultation with the D.P.I.

Please see the Finance dept's note at pp 2-3 above. ~~While the position stated at A above is correct,~~ With ref to A above, the Director has apparently raised the question of vacation benefit specifically, in view of the instructions issued in para 2 of the G.O. 1937 Edn dt 4.9.47 wherein it has been definitely stated that no special remuneration should be paid to them ~~for~~ the work. The Director may however be consulted for clarification. Subject to orders a draft T.M. is submitted for appl.

Cp. A on p3 ante

A letter since recd. from the Director forwarding alternative proposals for ~~the~~ conducting the Refresher course is at pp. 5-6 cf. The main changes proposed are:-

M on p1 cf
N on p5 cf

I (a) change in the selection of trg. centres;
(b) Reducing the period of trg from 5 weeks, to 4 weeks, and commencing it from the first week of April, limiting the instruction to coaching only. — para 3 p5 cf, para 3 p6 cf
(c) Women and men candidates may be admitted into the same trg. centres. — para 3. p5 cf

II. Alternatively, the students may be permitted to join any trg. school during the short term. — para 4 p6 cf

Item I (a) above:- Originally the six centres specified at M on p1 cf were proposed. As the present proposal also restricts the no. of centres to 6, it may be accepted. For orders.

Item I (b) above:- H.M. (Edn) has already ordered that the course shd. be for five weeks. and the original proposal now under examination ~~has~~ been made on this basis, ~~[illegible]~~ ~~[illegible]~~ and it may be allowed to stand. For orders. — M on p5 nf (G)

Item I (c) above:- As the Director reports that it will not be possible to arrange separate Refresher courses for women, this may be accepted. For orders. — P on p5 cf

Item II on p4 ante:- A more or less similar proposal was made last year by the Director - Please see his letter dt 3.12.46 at pp15-16 of (B). H.M. (Edn) was ~~has~~ however not in favour of this proposal; he ordered that a refresher course on the lines now under consideration shd. be conducted. In the circumstances, this alternative suggestion need not be pursued. For orders,

(With ref. to the memo. on p.2 cf, the Director has reported that the cost on account of the proposal for holding a Supplemental T.S.L.C. Exam. of the Secy. grade for the candidates who undergo the Refresher course, would be about Rs 2000/-. The proposal to hold an exam. may be accepted. ~~It may be noted here that in connection with the holding of a similar exam. in March 1948 the Director reported that it would result in a profit of about Rs 5000/- to govt. Please see his letter on p of f.o. 2179 Edn. dt 10.x.47. It is therefore further the no. of candidates expected for the Exam. is only about 100. In the circs. it is for orders whether the proposal may be negatived.~~

A Please see herewith a representation from the S.S.L.C. passed elementary school teachers. They say that the amendment of this rule has come after they have passed the examination. Before the recent amendment came, I understand, that it was sufficient for them to pass the examination to get the Secondary Grade Certificate. If that is the case, we must give them the benefit of the old rule. In these circumstances, they may be given the benefit of the old rule and Secondary Grade Certificates may be issued without their appearing for the Secondary Grade Training Examination. Instead a small refresher course may be given to them.

B We are now introducing Basic Education and it is necessary that we should give these teachers a retraining. This retraining may be ~~for~~ 45 days in basic education and may be made a condition for their being given a secondary

grade certificate instead of passing Secondary Grade Training examination. This may be done during the summer vacation at their own cost. We have only to organise the refresher camps. These may be done in our own training schools.

E&P. H (C1)

The minutes of H. M. (Edn) at pp1-2 above may be perused.

A on p 1 ante:- The position as stated in the representation is not correct. For a long time there was a provision in the M. E. R. (rule 138) whereunder a teacher holding a certificate of the lower grade who subsequently improved his general educational qualifn. might obtain without further trg. a teachers certificate of the

---

16

higher grade correpponding to his improved general educational qualification. By virtue of this rule, higher ele. grade ~~trai-~~ ~~ned~~ trained teachers could become secy. grade trained teachers by passing the Matriculation or the S.S.L.C.Public Exam. But in G.O.No. 1871 Edn., dt. 25-9-1940, this concession was withdrawn, and the higher ele. grade ~~tai~~ trained teachers were required to ~~pass thro'~~ undergo the secy. grade trg. course and pass the T.S.L.C.Exam . of the Secy-. grade training.

(W)

In 1944, the D.P.I. proposed that higher ele. trained teachers who ~~have~~ had the requisite general educational qualification might be allowed to appear privately for the T.S.L.C. Exam. of the Seconday grade. It was accepted in G.O.No. 1758 Edn. dt. 22-11-44. This concession has since been extended to such of the higher ele grade trained teachers who ~~have~~ have obtained marks in the S.S.L.C. Exam. which make them eligible for public service.

pp3-4 of (E)

cp para 1 of the G.O. at (a)

The request in the representation in the c.f. is for the reversion to the position which existed prior to 1940; and to sanction the conversion of the higher ele. grade certificates into Secy. grade certificates on passing the S.S.L.C. Exam. The reasons adduced by the Director for cancelling this concession during 1940 still holds good. It does not therefore appear necessary to reopen the question now. However, if it is decided that it should be examined again, the Director may be asked to offer his remarks ~~on the suggestion~~ request in the first instance. For orders.

Pl. see notes on pp 5-7 of (W)

Wy

Wy

'B' on pp 1-2 ante:- H.M(Edn.) has already ordered that a refresher course should be conducted for the higher ele. grade trained teachers before they are allowerd to appear as private candidates for the T.S.L.C.Examination of the Secy. grade; and the Director was asked to submit proposals for conducting a refresher course for a period of 5 weeks during the summer vacation, in one or other of the Govt, Trg. Schools. Please see para 2 of G.O.No. 1937 Edn. 4-9-1947. The Director has accordingly forwarded proposals for conducting the refresher course in six selected centres. He has also reported that the

Cp para 2 of (a)

first 15 days might be entirely devoted to teaching practice in handling higher classes and in the remaining period coaching in question and answer might be given. The proposal is under consideration as a Part II Scheme for 1948-49. Hence it ~~would~~ is ~~seem~~ enough if the Director is asked to include the training in "basic education" also as a subject for the refresher course.
