No letter from the Govt. of India at p/cf and no draft order on p/above may be pursued.

2/ It is observed from the Govt. of India's A on p/cf

letter, at p/cf, that Mr. Andrews was, by mistake, directly invited to serve on the committee, in connection with the establishment of a college of Physical education. Govt. of India now request that Mr. Andrews may be paid t.a. from the Provincial funds. X on p/cf

3/ It is submitted that Mr. Andrews should not have attended the meeting without obtaining the permission of this Govt., even if he was invited directly by the Govt. of India. He ~~appears to~~ have attended the meeting on 3rd May 1948. It is not known whether he took anybody's permission B on p/cf

at all. As he ~~under~~ took the journey presumably at the risk of having to meet the expenditure involved from his own pocket there appears to be no ^{necessity} for this Govt. interfering in the matter.

4/ E.P.H. may be requested to point out to Mr. Andrews the irregularity involved in his journey to New Delhi without the permission of this Govt. That Dept. may also consider how the period of the officers absence, in New Delhi, should be treated, i.e., whether as on duty or as on leave. For orders.

13. 3.6.48. I do not think X-X above is necessary, but I ~~see~~ think a reply may go to the Govt. of India that as this Government were not consulted in the matter and as Mr. Andrews attended the conference at the request of the Govt. of India, it is proper that the Govt. of India should bear his travelling allowance.

Please see the notes from 4 p2 under. The Committee on which Dr. Andrews served is for its objects the establishment of a college of Physical Edu. and the preparation of a programme of physical education for the country both of which will benefit the country as a whole and the provinces.

individually - please see in this connection
 'A' at p 7 of ©. ~~Further at p 1 of ©~~, the HM (Edn) has
 appeared this Govt's co-operation to the
 Govt. of India in carrying out any plan
 for the improvement of physical education
 in the country. Moreover the Secy. to the
 Govt. of India, Ministry of Edn. has mentioned
 casually at p 7 of © that the Govt. of
 India ^{has} ~~are~~ inviting Dr. Andrews to serve ^{be}
 on the Committee. In the circumstances it
 may be ^{presumed} ~~assumed~~ that if the A.O.S. had
 sought this Govt's permission to have Dr.
 Andrews on the Committee, such permission
 would not have been withheld and ~~that~~
 the expenses incidental to the deputation would
 also have been ^{ordered to be} met from the provincial
 funds. It being so, the question arises whether
 just because the Govt. of India invited
 Dr. Andrews directly by mistake - they
 acknowledge their mistake and Dr. Andrews
 accepted the invitation without ^{obtaining} the permission
 of ~~the~~ this Govt., probably again by mistake,
 this Govt. will be justified in asking the
 Govt. of India to meet the travelling expenses
 of Dr. Andrews. The suggestion at 'B' at p 3 ^{of} ~~and~~,
 it is submitted, would ~~not~~ give ~~to~~ ^{the} ~~the~~
 Govt. of India the impression ^{that the cooperation assured by the HM. Edn. was not sincere} ~~that more or less~~
 they are being penalised for an omission which
 they readily acknowledged which Dr. Andrews
^{is} ~~is~~ responsible for ^{the} ~~the~~ omission ⁱⁿ ~~in~~
 the circumstances, Fin. may
 kindly reconsider the matter and agree to the
 draft at p 1 ^{of} ~~of~~

 2/ It is submitted that ~~as the arguments~~
 at A+B on page 4 above are merely hypothetical
 there seems to be no harm in addressing the
 Govt. of India as advised by this department previously,
 at B on p. 3 above. It is for orders whether, in this
 view, EPH may be requested to take orders in

 In the view pointed out by EPH
