Minister for Education,
Government of Madras, Madras.

Dear Sir,

Dear Sir,

I wish to bring to your notice that the community known as MARAVARS in Tamilnad is described as MARAVANS in the Madras Educational rules, While describing the communities eligible for educational concessions. Possibly in other places also the same description is adhered to by Government. There is no community as MARAVANS in Tamilnad so far as I can see. The only community known by that nomenclature is the community of MARAVARS. The description MARAVANS adopted by the Government in the Madras Educational Rules has caused a good deal of resentment and dissatisfaction among the community though the present Government may not be responsible for this error. So it is prayed that with a view to allay the feelings of the community the name of the community known as MARAVANS in all official records be changed into MARAVARS. I hope to be favoured with a favourable reply at your earliest convenience.

Yours very sincerely,

D Dorat Ray Pandian
