Sub: Report on Public Instruction - Volume II - 1946-47 -
 continuance of two additional clerks for a
 further period of 3 months - requesting.

Ref: G.O.No.Ms.2448 Edn., dated 14-11-1947.

In the G.O. quoted above sanction was accorded for
 the continuance of the two posts of lower division clerks for a
 period of three months from 30-11-1947 and the posts therefore
 expire by 19-2-1948.

There is still much work to be done and the posting
 and consolidation of the Annual Returns are still in progress.
 Besides the tables to be drawn up and compiled for Vol.II -
 Parts I and II of the Public Instruction Report are numerous and
 voluminous and considerable time is required for the mere pre-
 paration of the tables from the statistics.

p.t.o

: 2 :

The tables have then to be compared and copied before they are sent to the press. The proofs sent from the press have again to be carefully compared and corrected before strike order for clean copies is issued. Apart from this, figures have to be separated and furnished from time to time to Government in connection with the reorganisation of secondary education.

As there is therefore considerable work yet to be turned out and the labour involved is voluminous, I request that Government may be pleased to sanction the continuance of the posts of the clerks for a further period of three months from 20-2-1948.
