H.M. (P.I.H.U.)

The humble application of R. Ekambaram and V. Venkanna, (7. L class) of Andhra university Law college, Masulipatam, Kistna Dt.

Honoured Sir, We beg to state that we (Adi-Andhra students) are not exempted from payment of Tuition fee in this Law college of Andhra university; there is such exemption in the Law college, Madras, for our Scheduled caste students. We have already referred this matter to your honour.

We have sent an application to the Registrar, Andhra university, Waltair, requesting him to exempt us (Scheduled caste students) from payment of (full) Tuition fee. We have received a reply from the Registrar that there is no such concession (full fee concession) for Scheduled castes in this university and that we may apply for half fee concessions. The reply of the Registrar (Memorandum, No. L Dis. 6344-46, dated 30th, July, 1946) is herewith enclosed for your kind perusal.

We ~~request your~~ beg to submit that we cannot prosecute our studies here if we have to bear such a huge amount of expenditure towards our studies for the two years of the course. We have to depend on the Government if we are to prosecute our studies here.

We, therefore, request your honour to kindly consider our pitiable position favourably and grant such

R.T.

orders to the Andhra university authorities as to grant full Tuition fee concession to us or request your honour to grant Scholarships of ample amounts that will be sufficient to meet the ~~or~~ remaining half fee and the monthly expenditure (Rs 40/- per month) towards Boarding & lodging. For which act of benevolence, we shall be ever thankful to your honour. We wish to know in an early reply the steps taken by your honour regarding this matter.

We beg to remain,

Honoured Sir,

Yours most obediently,

Sirs,

Several students reading in the I & II year of the College classes of the Annamalai University have sent a communication to me informing me as President of the Vanniyakula Kshatriya Mahasangam that in that University, they are denied the half fee concessions that are granted to the students of the Vanniyakula Kshatriya Community under rule 92 of the M.E.R. of the Government of Madras, and that as a consequence of this action they are put to great hardship and find it impossible to continue their studies. This action of the University came as a great surprise and shock to me and the members of our Sangam.

You are aware that in South Arcot, the majority of the population belong to my community ; but though great in numbers they are very poor in wealth and very backward in education. We had great hopes, therefore, that after the establishment of the Annamalai University, by the benevolence of Rajah Sir Annamalai Chettiar of Chettinad, the young men of my community would avail themselves of the facilities offered by this great Institution and would become cultured and prosperous. But as if to prevent this very purpose, ~~they are~~

~~10~~ ~~8~~ 42

~~Page 2.~~ 93 H (12)

they are not given the help which the Government has recognised to be necessary for the uplift of my community.

A few Institutions in Madras, unwilling to undergo the trouble of foregoing the fees in the first instance and recouping them later, refused to allow the concessions. But when we made representations to the authorities, these mistakes were set right. I hope that the refusal to allow half fee concessions in this instance is due to some such cause. If so, I earnestly request you to issue orders allowing the concession to the students.

I am not aware that different rules or considerations apply to this University. If such be the case, then it is high time that the rules are modified giving the students the help which they have a right to expect from an Institution, philanthropic in character and aim.

I request that early and favourable orders may be passed so as to enable the students to prosecute their studies without worry or anxiety of any kind.

Yours faithfully,

T. S. Nataraja Pillai.

President, Vannikula Kshatriya Mahasangam regarding the grant of fee
concessions to the students of the University.
REF: Director of Public Instruction's Proceedings R.C.No.2387 E4/47 d/28-1-48.

In reply to your reference quoted above, I have to state that under the statutory Rules framed by the Syndicate the University awards, subject to the provision made therefor in the budget of the year, a certain number of scholarships annually to students of decided ability. Special consideration, however, is shown to students belonging to backward communities. In making the selections preference is given to those students who cannot continue their studies without such help.

As has already been explained in my letter ~~to~~ below the Director of Public Instruction, in reply to Ref.R.C.10448/K2/46 dated 15-1-1947 (copy enclosed) the University is already granting full fee concessions to students belonging to Harijan and Scheduled castes and in addition spends about Rs.25,000 to Rs. 35,000 a year on the grant of scholarships, fee concessions and stipends for which no compensation for loss of fee income is received.

Rule 92 of the Madras Educational Rules may not be applicable to this University as it does not get any special grant from Government as compensation for fees foregone in the shape of concessions to students of backward communites as Schools and Colleges in other parts of the Presidency get from Government.

If, however Government will be please to compensate the University by a Special grant to cover the fees foregone, it will have noobjection to grant the concessions mentioned in Rule 92 of the M.E.R. and prefer its claim later.

In the G.O. first cited Government ordered the payment of compensation to the Universities of Madras and Annamalai for the loss sustained by them on account of the grant of full fee concession to Hindu Harijan Students studying in these universities. While authorising the payment of compensation to the Annamalai University for the year 1953-54, it was found that the list of students furnished by the Registrar Annamalai University contained the names of Christians also. The Registrar who was addressed for clarification, has stated that full fee concessions are admissible to converts to christianity who satisfy the conditions of Rule 92 M.E.R. as amended by G.O.Ms.No.839, Edn. dated 6-4-1951 and therefore there is a claim for compensation under the orders first cited. (B)

(A) Although it was specifically stated in the G.O. dated 9-8-1948 referred to that the compensation is payable on account of the loss arising from the grant of concessions to Hindu Harijan Students only, it is presumed that the conditions laid down therein should be deemed to be subject to the amendments to Rule 92 of M.E.Rules, introduced in G.O.Ms.839 Edn. dated 6-4-1951. The presumption may kindly be confirmed. (B)

Sir,

Rc.1275 K2/55 dated 13-10-1955.

Sub:-Education-University-Payment of compensation to Universities for the grant of fee concession to students.

Ref:-Government Endt.No.82111 EV/55-1 Edn. dated 23-8-55.

A/p.61c6

With reference to G.O.Ms.1962 Edn. dated 9-8-48, the Annamalai University is eligible "for compensation for the loss sustained on account of ~~x~~ the grant of full fee concession to Hindu Harijan students". The Annamalai University is reported to have claimed compensation on behalf of converts to christianity and justified the claim with reference to rule 92(c) Madras Educational Rules which lays down that converts to christianity or any other religion from the communities included in group I of Appendix 17.A, shall be eligible for full fee concessions in colleges". The Accountant-General has expressed the presumption that the claim is not admissible as the G.O. quoted above contemplates the grant of concessions to 'Hindu Harijans' only. This presumption is correct for the following reasons:

(a) Rule 92 Madras Educational Rules in its entirety does not apply to Universities. For example Muslim-men students and women students are not granted the usual fee concessions in the Universities because the loss incurred on this account is not compensated by Government.

A/p.61

(b) The fee concessions granted by the University to Hindu Harijans is not under 92 Madras Educational Rules but under G.O.Ms.1962 Edn. dated 9-8-48. The conditions under which fee concessions are admissible to Hindu Harijans under Rule 92 Madras Educational Rules apply to the grant of the concessions under the G.O. cited. As this order does not contemplate the payment of compensation for the fee concessions granted to Harijans other than Hindus, the claim of the Annamalai University for compensation on behalf of Harijan converts is not in order.

Yours faithfully,

FEE Concession under Rule 92 - University Colleges - Compensation to ~~the~~ Universities for loss of fee income.

Under rule 92 of the M.E.R. poor students belonging to the scheduled castes (Harijans) are eligible for exemption from payment of fees in Arts and Professional Colleges. The Govt. are paying compensation for the loss of fee income sustained by the aided managements by the grant of the concession. No compensation is paid either to local bodies or to Universities for this purpose.

pp 1-2 cF
Two students belonging to the scheduled castes studying in the Andhra University Law College, Masulipatam, ~~have~~ brought to ~~the~~ notice that they are not exempted from payment of fees by the University authorities. In a letter addressed to the

p 9 cF
D.P.I., dated 1st Aug. 46, the Registrar, Andhra University, pointed out that as the Govt. did not make good the loss of fee income on account of the grant of fee concession, the University was not granting the concession. The D.P.I.

p 15 cF
in his telephonic message, dated 7-12-46, stated that the Annamalai University granted full fee concession to scheduled caste students. In the case of Madras University, he pointed out that there were two students eligible for fee concession under rule 92 in the Alagappa Chettiar's College of Technology. But he did not state whether they were being granted the concession. In a subsequent letter, dated 2-7-47, the Director

p 21 cF
stated that it was brought to his notice that the Annamalai University was not granting fee concession to the son~~s~~ of one Sri Iyakannu Chettiar reading in the Intermediate Class of the University, ~~that~~ as the University did not get any special grant as compensation for fee concession to students of backward communities. It is not, however, clear how this student is eligible for fee concession as he does not appear to belong to a backward community.

P.T.O.

The question now for consideration is whether the Universities will be given compensation for the loss in fee income sustained by them by the grant of fee concession under Rule 92 of the M.E.R. The total cost involved in the grant of compensation is estimated at Rs.3,470/-. a year.

p15 CF

Attention, in this connection, is invited to the notes with G.O.No.333, Edn.; dated 3-3-44, in which it was decided that the Universities should be paid compensation for the loss in fee income sustained by them by the grant of educational concessions admissible to children and dependents of soldiers admitted into University colleges. On the analogy of this decision, it seems that the ~~[illegible]~~ Universities may be paid compensation for the loss in fee income sustained by them by the grant of fee concession under rule 92 also.

The notes of E&H on pp 1-2 above may be perused.

2/ No compensation is now paid to Universities for the loss of fee income on account of the grant of full fee remission in respect of students studying in the Universities belonging to the Scheduled caste. E&H propose that compensation may be paid to them now. The extra cost

to the Govt. in granting this compensation is estimated at Rs 3,470/- a year.

3. The E&H-Dept. have recommended the grant of compensation on the analogy of the compensation given to Universities for the loss in fee income by the grant of educational concessions admissible to children and dependents of soldiers admitted to the University Colleges. It is submitted that the ~~above analogy will not be~~ the above compensation could on all fours with that proposal in the present case; in the case of compensation paid in respect of waiver of fees to children and dependents of soldiers, the Govt. more or less made a promise of the concession and Collectors were asked to give wide publicity to it, in order to stimulate recruitment. As the terms of the promise clearly covered the case of University Colleges, the Govt. were under an obligation to ensure that the concession relating to tuition fees was given in those Colleges, and the only way in which they could do so was to bear the cost themselves by compensating the Universities concerned. In the present case, the position is different. The Govt. are helping only aided managements by giving compensation in respect of loss of fee income on account of full fee remission in the case of scheduled caste students. No special reasons in this case to grant compensation to Universities have been adduced in support of the proposal. It ~~is~~ has not ~~also~~ been shown that the Universities need any relief in this respect ~~from a~~ with reference to their present financial ~~point of view~~ condition. On the other hand, if the Govt. are committed to this expenditure on behalf of the Universities, the request of local bodies cannot also be resisted, as they are also denied the compensation at present. In that case, the total expenditure involved will be considerable.

In the circumstances detailed above, Finance may advise against the proposal.

If E&H press the proposal, they may be requested to circulate the case to H.M.(Fin).

Dev 31/1/48

Though the amount of compensation involved in giving compensation to Universities is estimated at only Rs 3,470 p.a. at present, it may become larger if the Govt. decide to grant compensation, as more students of the Scheduled castes may seek admission in colleges in the hope of getting fee concession. Further local bodies may claim similar com[illegible]

Yes; I remember the ~~previous file in which the matter~~ the proposal in ~~matter~~ of compensating the Andhra University for their Harijan students was taken up in another file. I see that in the colleges maintained by the Universities, we are not giving compensation for the loss of fee income. This matter may be put along with that and considered. / A

I believe there is also a question in the Assembly pending over this matter. It will be good if this matter could be finished before the question comes up for answer. / B

Please see the minutes of the H.M.(Edn.) and H.Pr. on page 8 ante. It is presumed that as the expenditure is to be met out of the Harijan ~~Welfare~~ uplift Fund, the compensation is to be paid only in respect of Hindu Harijans and that for a period of 10 years only. It is also presumed that compensation is to be paid in respect of Hindu Harijans admitted to all courses of studies conducted by the Universities, including diploma courses. A draft order is submitted for approval. Finance need see before issue.

In the ~~minute~~ minute of H.M. Edn. on page 12 ante he has faised the question of granting half fee concession to backward classes, that is non-Harijan students in University institutions. He has minuted that the question may be put up along with the question of payment of compensation to Universities for the grant of full fee concession to Harijan students. The estimate of expenditure given by the D.P.I. on page 15 c.f. takes into account the compensation payable for all classes of students eligible for fee concession under Rule 92 of the M.E.R. If no compensation is paid to the Universities towards the loss sustained by them for granting fee concession to students of the backward classes, the Universities may not grant the concession. ~~It is for orders whether orders sanctioning the grant of compensation in respect of backward classes also may be issued now, the expenditure being met from the Education Budget. Finance may see before circulation.~~ This point may be taken up separately after the orders ~~are~~ is issued.

The concession proposed to be sanctioned in the draft order below is estimated to cost Rs. 3,470 per annum recurring. This is a new concession and the expenditure on it should be treated as on a 'new service'. As the cost exceeds Rs. 2,000 p.a. recurring, but not Rs. 5,000 p.a., it is enough if orders are obtained in circulation to H.Ms. concerned, H.M.(Fin.) and Hon'ble the Premier. The file has been seen by all these Ministers ~~and~~ in charge Hon'ble the Premier. The draft order may be accepted. After its issue, E.&P.H. may be requested to circulate a summarising note to all other H.Ms. who have not seen the case, to C.S. and to this Dept. They should also obtain a supplementary grant from the Legislature at the earliest opportunity for a token sum or the required amount. (The period of ten years proposed in the draft order is based on the analogy of the orders in G.O. 1667 Edn. of 29.6.48 and it may ~~perhaps~~ stand).

Summarising Note for circulation to H.Ms.

GRANT OF FULL FEE CONCESSION - Harijan students in University institutions - Payment of compensation to Universities.

According to Rule 92 of the M.E.R. Harijan students are eligible for exemption from payment of tuition fees in Arts and Professional colleges. The Govt. are paying compensation for the loss of fee income sustained by aided managements by the grant of this concession. The Universities are not compensated on this account.

pp1-2 cf

Two Harijan students in the Andhra University, Law College, Masulipatam, brought to the notice of Govt. that they were not exempted from payment of fees by the University authorities on the ground that the Govt. did not make good the loss of fee income sustained by the University by the grant of the concession. The Annamalai University also took a similar stand. The total expenditure that will have to be incurred if the loss in fee income incurred by the Universities by the admission of students ~~is made good~~ belonging to Backward classes--both Harijans and non-Harijans is reimbursed to them is estimated at Rs.3,470., a year.

p21 cf

It has been decided in circulation to H.Ms. Edn., R.D., and Finance and H.Pr. that the Universities may be compensated for a period of 10 years beginning with 1948-49 for the loss ~~that~~ incurred by them by the grant of full fee concession to Hindu Harijan students studying in University institutions, the cost being met from the Provincial Harijan Uplift Fund. Orders have been issued accordingly in G.O.No.1962, Edn., dated 9-8-48.

HELA(EV)

sub: Educational Rules – Rule 92 M.E.R. – Grant of full fee concession to Harijan pupils – Payment of compensation.

p1cf Ref: From the A.G. No. D.A. XXV Misc. Comp. 1.422 of 17-8-55

p5cf From the D.P.I. Rc. 1275 K2/55 of 13-10-55

In his letter at p 1c.f., the A.G. has raised the ~~a~~ point whether, the Annamalai University is eligible for compensation for the loss sustained on account of the grant of full fee concession to Harijan converts.

p 5cf 2. The D.P.I. who was consulted has stated that the claim of the Annamalai University for compensation on behalf of Harijan converts is not in order for the following reasons.

a) Rule 92 M.E.R. in its entirety does not apply to Universities. For example Muslim-men students and women students are not granted the usual fee concessions in the Universities because the loss incurred on this account is not compensated by Govt.

b) The fee concessions granted by the University to Hindu Harijans

20

Acc8

is not under 92 M.E.R. but under G.O. Ms 1962 Edn. of 9.8.48. The conditions under which fee concessions are admissible to Hindu Harijans under Rule 92 M.E.R. apply to the grant of the concessions under the G.O. cited. This order does not contemplate the payment of compensation for the fee concessions granted to Harijans other than Hindus.

(A) / p61 of

3. According to Rule 92 M.E.R. as amended by G.O. Ms 839 Edn of 6.4.51 Harijan converts are eligible for full fee concessions in colleges. Therefore the claim of the Annamalai University for compensation on behalf of Harijan converts seems to be in order. It is for orders whether the A.G. may be informed that the Annamalai University is eligible for compensation for the loss sustained on account of the grant of full fee concession to Harijan converts also provided the grant of concession conforms to the orders in M.E.R. 92.
