To,

The Honourable T.Prakasam Pantulu garu

prime Minster, Fort, Madras.

SIR,

Please permit me to place before you the following about the Government BASIC Education ~~scheme~~ Teachers' Traing School recently opened here in the Vinayasram.

Not in file
p 3 infra

On the 13th. instant I received from the Director of Public instruction Madras letter C.No.11663/D4/46 dated 10-12-46. and on the 19th. instant I received from the Divisional Inspector of schools Godavari Division a copy of his letter R.C.343/A/46 dated 16th.Dec.,46. The first letter refers to the salaries of the principal~~s~~ and two assistants and the second letter refers to the salaries of the other members of the staff. These two have to be considered together.

pages
3+4 of (a)
CF

The first point that strikes me is that the scale of salaries proposed in the two letters under reference falls far short of the scales proposed by me in consultation with my friend Mr.L.Rajagopalrao at Konetipuram to the Divisional Inspector when he came there in September last.

The salaries we then proposed were moderate, considering the qualifications of the individuals proposed for the different posts and the soaring prices of the necessaries of life prevailing in these days.

These salaries are also at variance with scales proposed in the scheme of basic education presented by the Hon.Primier to and approved by the TALIMI SANGH. Though it proposed some modifications it did not object to the salaries. In spite of the moderate salaries we proposed we expected the staff to come and serve in the noble cause of BASIC EDUCATION at some sacrifice but there is a limit even to such sacrifice. The worker and his family should be kept above want and in decent comfort, if possible, as long as he is capable of turning out satisfactory work.

It is impossible to make them work on the minimum salarie now sanctioned. The graded scale sketched out does not afford any satisfaction as the school is sanctioned only for one year and the maximum salaries can be reached only at the end of the long period of tribulation. TO take but one instance even a novice Hindi teacher is paid RS.40/- at the very commencement and the Government in their scheme of Hindi expansion, have, I think, fixed a minimum salary of Rs.50/- in the secondary schools and the salary sanctioned here for the highly qualified Hindi teacher is only RS.35/-.

I may mention for your information that [illegible] labou
in these parts is getting Rs.30/- per month ord

ation and effect a satisfactory solution.

Copies of this letter are also sent to the Divisional Inspector and the Director of Public Instruction.

I am anxious that the question may be settled as early as possible.

Yours~~xx~~truly,

G. Sitaramasastry

MEMO.No. 385 B2/47-2 Dated 22.1.47

Pay of teachers in Basic Trg. School, Vinayasramam.

Ref:- From Sri G.Sitarama Sastry, dated 26-12-46

Sri G.Sitarama Sastry is informed that the pay of the Headmaster of the Basic Trg. School at Vinayasramam has been fixed at Rs.140, the minimum of the scale of pay of Rs.140-15/2-200 for Dy.Insprs. and School~~s~~ Assts., Grade I, and that the other teachers ~~of~~ in the school have been started on the minimum of the time scales of pay for corresponding classes of teachers in Govt. service.

2. In the case of the Headmaster, Basic Trg. School, Periyanaickenpalayam, the pay was fixed at Rs.140 in the scale of Rs.140-200 - although his pay in the Gandhi Trg. School of that place was Rs.90 (plus dearness allowance of Rs.20) - on consideration of the fact that he had been working in the Gandhi Trg. School at some sacrifice to himself but ~~and that there~~

6

& that he need not necessarily continue to work under Govt. also at that sacrifice. The pay of the other teachers in the Perinaickenpalayam School was fixed in the appropriate time-scales, taking into account their total service in the private institution~~s~~. If there are ~~xxx~~ ~~similar~~ any special circs. in respect of the teachers employed in the Vinayasramam School similar to those of the Headmaster Perinaickenpalayam referred to above, which would justify~~ing~~ the grant to them of higher starting pay, those circs. may be brought to the notice of Govt., when the matter will be reconsidered; otherwise, the Govt. do not consider there are sufficient grounds for altering the pays already fixed.

GOVERNMENT OF MADRAS

To

The Hon'ble Sri K. Bhashyam Avl.,
Minister for Law & Education,
Fort St. George,
Madras.

Sir,

The staff of the Government Basic Education Teachers' training School at Vinayashram, Guntur district, have not drawn their salary bill for the last three months - December, January and February. They are not satisfied with the scale of salaries fixed for them.

18892

The scale fixed now is short of the scale proposed by me to the Divisional Inspector of Schools, Rajahmundry, and is much less than the scale proposed in the scheme of Basic Education presented to Mahatmaji by the Hon'ble the Prime Minister. I moved the Government in December last and the matter is still pending.

There is another affair also -- the recognition of Basic Elementary Schools started in the Province.

I request you will kindly enquire into the matters and dispose of them as early as possible.

43665 Sir, with reference to your memorandum No 18892 B2/47 Edu dated 8th May 1947

Re: - Basic Education - Training school at Vinayashram.

It was received here yesterday. I am sorry to state that the presumption referred to in para 1 of your letter is not correct. What is stated in column 2. is the pay at present sanctioned by the Government. What is stated under heading ! "proposed scale". is the scale which was proposed in the then premier's scheme submitted to Mahatmajee. It is that scale which I want to be sanctioned by the Government as the starting pay of the staff, in Basic Education Training Schools. I do not know how these was any scope for the presumption about referred to. I am really sorry for all the delay that is taking place in this simple matter. To take one small instance your memorandum dated 8th May has taken 12 days to travel from Madras to Vinayashram a distance of about 240 miles.

May I request that my proposals may be immediately accepted. The scale was proposed by the then premier and approved by the Thalimi Sangh. It was therefore a Government order and I do not see any reason for the delay in putting it into effect.

From the D.P.I., Rc.No.1604-B1/47 dated 15-6-48.

Order/Ms No. 1969 Edn. 9.8.48

Out of the seven teachers mentioned in the statement sent with Sri G. Seetharama Sastri's letter dated 17-4-47, only 4 teachers are now employed in the Basic Training School at Vinayasramam, viz. (1) Srimathi P.S. Saraswathi Devi, (2) Sri Rachakonda Narasimhamoorthy, (3) Sri Kurra Mutyam and (4) Sri Peetaraju Seetharama Rao. The pay of these teachers has been fixed in the minimum of the revised scales of pay admissible to them. The Govt. have considered the claims of these teachers for advance increments with reference to the service put in by them before they were appointed under Government. They do not see any justification for granting them advance increments.

Basic Training School, Vinayasramam:
Scales of pay for staff.

ASST. SECRETARY TO GOVERNMENT
28 DEC 1946
EDUCATION AND PUBLIC HEALTH DEPT.

Food Department,
Fort St. George,
28th December 1946.

Sri Sitarama Sastry has presented the enclosed representation to the H.P.M. in which he asks for a revisionof the salaries fixed for the Government Basic Education School at Vinayashramam. To deal with this representation, the H.P.M. desires that the following papers should be put up and information, where required, called for and put up to him urgently.

1. What is the amount sanctioned for the buildings at Perianaickenpalayam Basic Education Training School and what are the scales of pay, stipends, etc. paid in the school? H.P.M. remembers that some grant has been made for this school.
2. There is a similar ~~xxxx~~ training school recently opened in Malabar. What are the scales of pay sanctioned for that school and to what extent has Government committed themselves in support of this institution.
3. It would appear that Behar has proposals for legislation for introducing Basic Education. Sri Sitarama Sastri said he would try to get a copy himself from Srimati Usha Devi and send it on to the H.P.M. We may also try to get a copy, if possible, by writing to the authorities in Behar.// H.P.M. desires that a file may be opened for this and a comprehensive note prepared urgently to enable a proper decision to be reached in the matter.

Please see the note of the Secretary of the Food Department on page 1 ante. Orders regarding the opening of a Basic Training School at Vinayasramam were issued in G.O.No.2335, Education, dated 6-12-1946, while those relating to the school at Perianaickenpalayam, Coimbatore District, were issued in G.O.No.1363, Education, dated 15-7-46.

Para 1 of the Food Secretary's note:

The following expenditure has been sanctioned in connection with the opening of a Basic Training School at Perianaickenpalayam:-

Shed for craft section.	..	Rs. 3,500
~~Prxxixxxmxxf~~ Hostel.	..	" 3,500
Equipment.	..	" 2,000
Total		Rs. 9,000

The school is located in the premises of the Ramakrishna Vidyalaya. The management has agreed not to charge any rent for the Government school on condition that the buildings erected by Government on the premises of the school are handed over free of cost to the ~~m~~ management if the Government decide to close the Basic Training School. This condition has been accepted by the Government.

The scales of pay for the teachers in the Basic school are the same as those for corresponding classes of teachers in ordinary Government institutions. The pay of the persons appointed in the school has been fixed at an appropriate stage in the time-scales, taking into account their total private service, personal pay being given so that they may not lose in ~~any~~ emoluments by being taken into Government service. In the case of the headmaster (Mr. Arunachalam), however, the pay was fixed at Rs140/- plus dearness allowance although he was drawing only Rs.90/- plus 20/- dearness allowance, as a special case, for the reason stated in the minute of H.M.(Education) on

Para 2 of the Food Secretary's note:-

Attention is invited to the order on page ~~59~~ 7-8 cf of G.O.No. 1637, Education, dated 22-8-46, sanctioning the opening of a Basic Training School in Malabar. The scale of pay for the staff is the same as those in Government service and the Government are committed to meet the entire expenditure on account of the school. The school was not, however, actually opened as the D.P.I., reported that qualified teachers were not available.

A sum of Rs. 23,000/- has been sanctioned for the provision of accommodation and equipment for the Vinayasramam school. Stipend at the rate of Rs.18/- a month per student has also been sanctioned. The scales of pay sanctioned are the same as those for Government institutions and the persons appointed are to be started on the minimum of the scales. For the Headmaster a pay of Rs.140/- in the scale of Rs.140-15/2-200 as in the case of the Coimbatore school has been sanctioned. The pay proposed by Sri Sitharama Sastri for the staff of the school is indicated in pencil on pages 5 to 6 cf of 'd'. The Director of Public Instruction did not report the pay the teachers were already in receipt of and their length of service. It may in this connection be stated that the Cabinet has proposed revised scales of pay for all subordinate services with effect from 1-1-1947 and the teachers ~~w~~ in question will be getting the benefit of the enhanced scales of pay in due course. If there are any special circumstances for giving higher starting pay for the teachers as in the case of Mr. Arunachalam of the Coimbatore school, the ~~matter~~ question may be considered in consultation with the D.P.I.

[Letter No. 385 B2/47-3 Edn d. 5-2-47] p 9 cf

From Sri G. Sitarama Sastry no nil dated 6.3.1947. p 13 cf

Please see the communication from Sri. G. Sitharama Sastry on page 13 cf. and the orders of HM (Edn) there on. It is not known, why the salaries of teachers in the school at Vinayasramam have not been drawn. The reason presumably is that they are not willing to draw pay in the scales fixed for them. Sri. Sastry ~~has~~ also refers to the inadequacy of the scales of pay now fixed. He has already been informed, how the pay of teachers in the school at Vinayasramam ~~have~~ has been fixed. It may be noted that the scales originally fixed have been revised by Govt in connection with the general revision of salaries of teachers. The teachers in the Vinayasramam school are eligible to draw pay in the revised scales. If Sri Sastry considers that even these revised ~~revision of~~ scales are not adequate, if ~~it~~ is for him to report the spl circumstances, which require the ~~a~~ grant of higher pay to teachers in the ~~Vinayasram~~ school. As no concrete proposal has been made by him, no action seems called for in this point. p 13 cf pp 5-6 cf

Sri. Sastry refers to the question of ~~reg~~ recognition of Basic ele schools. Instructions have already been issued to the D.E.O., that Basic ele schools, may be recognised and aided as ordinary ele schools. p 13 cf

From. Sri. G. Sitharama Sastry no 14/54 S. dated 17.4.1947. p 19 cf

Sri. G. Sitharama Sastry was asked to submit concrete proposals for the revision of scales of pay of teachers in the Basic Training School at Vinayashramam. He has forwarded a statement containing the necessary particulars. From the statement it is not definitely known what the intention of G.S. Sastri is. He has suggested two rates of pay for ~~the~~ teachers. Presumabley the lower is the minimum and the higher is the maximum of the rate of pay. Nine posts of p 21 cf

A

teachers posts were sanctioned for the school. Sri. G. S. Sastri had forwarded proposals for the revision of pay of '7' seven teachers. Presumably he has nothing to comment about the pay allowed to the other 2 teachers. The question of revision of salaries is examined below:-

B

p 21 cf

Headmaster: The pay of the head master was fixed at Rs 140/- in the scale of Rs 140-15/2-200. Sri. Sastri suggests that it should be revised to Rs 160-250. Under the revision of scales of pay of teachers sanctioned by Govt. the pay of the head master will be revised to Rs 160-5-200-10-240. (new gr. scale) (Thus Sri Rajagopal Rao the present head master will get the minimum pay of Rs 160/- proposed by Sri Sastri. As regards the maximum the figure proposed by Sastri is slightly higher than the existing maximum and the difference is only Rs 10/-. No increase in the maximum need be allowed as suggested by Sastri.

p 5 cf (a) [illegible]

p 21 cf

L.T. Asst: Two posts have been sanctioned for the school on a pay of Rs 70-130. In his statement, Sastri refers to only one post.⊕ ~~the~~ He suggests that the pay of the Assistant be revised to Rs 80-100. Under the revision ordered by Govt the pay of the Asst will be Rs 80-5-100-10-170. The proposal of Sastri will amount to a reduction in the scale of pay. No action is called for.

p 5 cf (a)

p 21 cf

⊕ The incumbent of this post has not yet completed the B.Ed degree.

(28)

p 5 cf (a)

p 21 cf

Craft teachers:- The scale of pay originally sanctioned for the post was Rs 30-45. Sri. Sastri suggests that it should be revised from Rs 60-75. Under the revision of scales of pay ordered by Govt, craft teachers will be allowed a pay of ~~Rs~~ Rs 45-90. The need for starting the teachers on a higher initial pay (Rs 60/-) is not clear. There may be a case for granting an ~~init~~ initial pay of Rs 60/- to Sri Sitharama Rao, in view of his previous service ~~for~~ 6 years under private management.

p 21 cf

For orders, whether he should be given a higher starting pay.

p 5-6 cf (a)

for the pandit was Rs 35-55 and that

Two pandits and a music teacher:- The original scale~~s~~ of pay fixed for ~~these~~ the music teacher~~s~~ was Rs 30-55. The scales have been revised by Govt to Rs 45-90. Sri Sastri has suggested a maximum of Rs 75/- to these teachers and has proposed ~~a~~ different starting pay for each teacher (Rs 60, 45 & 40). All the teachers will be started on a pay of Rs 45/-.
