Sir,

I have the honour to state that according to the
correction slip No. 63 to Appendix 23, Part B, S.No. 3,
Irrecoverable stipends etc. on page 252 of the Madras
Financial Code Volume II, I am authorised to sanction the
waiver of recovery of stipends in cases where students
under training in training institutions are enlisted in
the Army. As there is no mention in the rule about the
restriction of the concession for the duration of the war,
the Divisional Inspector of Schools, Madras Division has

submitted the case of a student, who was undergoing elementary grade training course in the Government Training School for Masters, Villupuram since 1.7.1946 and who joined the Army (No.5 S.T.Bn.2 S.T.C. Talahalli, Bangalore) on 14.11.1946 for waiver of a sum of Rs. 52-6-0.

2. Till now recoveries of stipends were waived only in the case of students under training and trained teachers, who joined the Army during the period of war.

3. In the above circumstances, I request Orders of Government as to whether the provisions of the correction slip referred to above is applicable to the cases of students under training, who joined the Army after the War was over.

Finance (Exp A)

The question for consideration is whether the provisions in the correction slip 63 to the Madras Financial Code, Vol II

are applicable to the case of students under training who joined the Army after the War was over. Without the original of the G.O. in which this delegation was made to the D.P.I., it is difficult to say whether the concession should be restricted to the duration of the war or not. D.P.H. may be requested to kindly put up the original of the G.O. referred to above and to deal with the question.

[The memo in which the ~~correction slip~~ amendment to M.F.C. Vol II was issued is not available. This memo will not be, however helpful as it would have ~~the~~ no discussions.]

Either the powers delegated are withdrawn

The correspondence in the current
file and the note of E.P.H. above may be
perused.

In the circumstances stated by
the E.P.H. Dept. above, their proposal at

A on p. 5 above may be agreed to in Finance. Please for below 13.7.48

On receipt of a copy of the orders to be issued in this case together with relevant extracts of notes, necessary action to amend M.F.C., Vol II (App. 23-B-3) will be taken in this Department.

The rules embodied in M.F.C., Vol II, are of a permanent nature. In the present case the delegation is proposed to be exercised only in many cases so far as the students who joined the Army during the last war are concerned. It does not seem necessary to retain this temporary delegation in the Code. The delegation appearing App. 23 B-3 may be cancelled and the D.P.D. may be authorized to deal with the stray cases that may come up in future as is being done now. S.P.H. may move forward accordingly.
