R.CL. No. 44/48, Dated the 30th of July 1948.

Sir,

Subject:- Madras Educational Service -Lecturers in Mathematics
Vacancies in the posts of - Proposals for filling.

Reference:- My R.R. CL.No.44/48-2, dated 14-6-1948 and my
Telephonic Reply (By Post), dated 28-6-1948.

IN his letter dated 12th July 1948 Sri P. Bhaktavatsal Patnaik
Lecturer in Mathematics (On study leave), has informed me that he was
sailing for India on the 22nd July and will rejoin duty by about the
15th of August 1948. I propose to post him as Officiating Professor
of Pure Mathematics in the Presidency College, Madras. Sri K. Ramanu-
jacharya, at present officiating as Professor of Applied Mathematics,
Presidency College, Madras, will be transferred to officiate as Lec-
turer in Mathematics, College of Engineering, Anantapur. In the
above circumstances there will be no vacancy in the Madras Educational
Service for the appointment of Mr. C.V. Lobo. I, therefore, request
P.T.O.

2.

request that my previous recommendations in so far as they relate to Sri C.V. Lobo may be treated as withdrawn.

2. I also solicit the favour of early orders in regard to the appointment of Sri S. Isaac as Officiating Lecturer in Mathematics, Government College, Mangalore, as the Principal of that College has reported that the work in the Mathematics Department of his College is suffering for want of a Lecturer.

Yours faithfully,

P. M. i.

Dear Mr. Reddy,

Appt. of Lecturers in Maths.

Pl. see your letter No. 44/48, dated 30.7.48. It is not definitely known when Sri P.B.Patnaik will rejoin duty. It is likely that he will avail himself of some joining time after his return to India. It is also likely that Sri K. Ramanujacharya, ^{the present} Prof. in the Presy. College, whom you propose to post as Lecturer in the College of Engg., Anantapur, will himself take some time to ^{to Anantapur} ~~join that~~ ^{after being relieved} ~~post on relief~~ by Sri Patnaik at the Presy. College.

The post at Anantapur will continue to be vacant until then. I am to say that, in view of the need to fill the post immediately, the Govt. desire that Sri Ramanujacharya shd. be transferred to Anantapur even now. You may issue orders of postings accordingly.

The Govt. have also decided that until Sri Patnaik ^{may act} ~~joins duty~~ & Mr. C.V. Lobo ^{may act} ~~may be promoted~~ as Prof. ^{appointing Mr. Lobo as Prof.} Orders in that regard ^{are} being issued separately. ^{He} Mr. Lobo can subsequently be reverted as Asst. Prof. in the Presy. College itself. This arrangement ^{will} ~~would~~ not lead to many changes, and Mr. Bhadrish also told me over the phone on the 6th ^{inst.} that there would be no objection to this.

Yours sincerely,

To
Sri D. Sadasiva Reddy,

Secretary, E. & P.H.

I am coming back from the Engineering College (Anantapur) just now. The Principal and the staff told me that they are very much short of staff. I think we have sanctioned the staff already a few weeks back. The Anantapur people are carrying on with much difficulty and since everything should be newly organised, we should not add to their difficulties by not appointing the staff. I would like to know why there is so much delay in the matter.

The Principal also said that a bus as well as a radio is very necessary and that he has sent up proposals for them. Those proposals may be put up for consideration.

The proposal to purchase a lorry for the college has been received and is separately under consideration. The proposal to supply a radio has not yet been received and it will be examined as soon as it is received.

2. Certain staff had been sanctioned for the Anantapur College even while it was at Guindy. This staff has been transferred to Anantapur. In G.O. No. 1726, Edn., dated 9-7-48, the Govt. sanctioned certain additional staff for the college. The Director was also informed that he should take steps to fill all the posts immediately so that college work may not suffer. So far, the Director has sent proposal to fill up the posts of Professor of Electrical Engineering only by the appointment of Sri A. Srinivasan. This is separately under consideration. The Director may be asked to report whether all the sanctioned posts in the Subordinate Service have been filled up and also to submit proposal for filling up the gazetted posts immediately.

memo is sent

+ he can do this himself

Incl. new proposal has been sent for appointment of Prof. of Mechanical Engg.

3. In G.O. 1726, Edn., dated 9--7--48, the Govt. have sanctioned a post of Lecturer in Mathematics for the College.

Before this G.O. was issued the Director had submitted recommendations to fill two post of Lecturers in Mathematics by promotion:-

Sri S.Isaac, as Lecturer in Mathematics in the Anantapur Engineering College.

Mr. C.V. Lobo as Lecturer in Mathematics in the Govt. Arts College, Mangalore.

At the time the recommendations were received, the question of sanctioning a post of Lecturer in Mathematics for the Anantapur Engineering College was under consideration. So both these recommendations could not be considered at the same time. To avoid delay in the posting of a Lecturer to Mangalore where there was a sanctioned post, the Director was asked whether Mr.Isaac who was suggested for Anantapur College could be posted to Mangalore. The Director agreed and orders have just been issued appointing Mr.Isaac at Mangalore. The post of Lecturer in Mathematics in the Anantapur College is now available and Mr.Lobo can be appointed to that post. But the D.P.I. says that Mr.P.B.Patnaik, Lecturer in Mathematics, who was on study leave, has reported that he would be sailing for India on 22-7-48, that he would be joining duty by about 15-8-48, that consequently there will be no vacancy to which Mr.Lobo can be appointed and that the question of appointing Mr.Lobo need not be considered.

4. The Engineering College, Anantapur, reopened early last month. The College has been getting on without a Mathematics Lecturer since then. Mr.Patnaik says that he will rejoin about the 15th. It ordinarily takes 3 to 4 weeks to reach India by steamer from London. Then Mr.Patnaik may avail of the joining time of about 7 days. The Director's idea is that Mr.Patnaik should join the Presidency College and that Mr.Ramanujachariar who is now in that college should go to Anantapur. Mr.Ramanujachariar in turn will avail himself of the joining time of 7 days. In short there will not be any Lecturer in Mathematics in the Anantapur College for another month. In view of 'A' on the previous page it seem desirable to appoint Mr.Lobo straightaway

in the Anantapur College as otherwise College work will suffer. For orders.

5. The file may be circulated to H.M. (Edn.) after the issue of the memo. H.Pr. may also see if Mr.Lobo is to be promoted.

If Mr. Lobo is appointed, there will be dislocation in the Mangalore College. The University has been picking up ~~around~~ that we are having too many changes in the middle of the year and that also should be avoided. If Mr. Lobo can be permanently put in Anantapur for the whole year. that suggestion is worth consideration. But, if Mr. Lobo is to be re-transferred to Mangalore after Mr. Patnaik returns, it will be dislocation in both the institutions. The Secretary may talk it over with the D.P.I. either over the phone or in person and put up the best proposals possible under the circumstances, ~~from a point of view of present needs, but also permanently~~

To the Mangalore Arts College, Mr.S.Isaac ~~has~~ (who is senior to Mr.C.V.Lobo) has been posted--"B"/6--
now
and there is/no proposal at all to disturb that arrangement.

There will be changes only in the Anantapur Engg College. If Mr.C.V.Lobo is now apptd. at Anantapur, ~~he~~ cannot be continued there throughout the year but will be reverted for want of a vacancy, to the Subordinate Service, as Asst. Prof. or Asst.Lecturer, a few days after Sri P.B.Patnaik returns from U.K. This dept. has proposed on pp.2-3 above Mr.Lobo's appt. at Anantapur - ~~as filling the post there to leave the college without a Mathematics lecturer now and changing the incumbent later is preferable to keeping the post vacant for about a month.~~

Perhaps, the following alternative arrangement

is for consideration. Mr. Lobo is in the Presy. College as Asst. Prof. The D.O.'s intention is to post Mr. Patnaik as Prof. in the Presy. College when he returns to India and to transfer Sir Ramanujachariar, the present Prof., to Anantapur. Instead of that, Sir Ramanujachariar may be transferred to Anantapur even now. Mr. Lobo may be promoted as Prof. in the Presy. College. When Mr. Patnaik comes back, Mr. Lobo can vacate the Professorship in the Presy. College & work as ~~Prof~~ Asst. Prof. in the same College. There would not be any changes in so far as Anantapur is concerned.
