Doc. No. A-10159/77 dated 3-11-1947

Sir,

Sub: School building-Urgent repairs to the rented ground of the N.M. Board High School, Tirupathur. Incurring expenditure from District Board funds. Sanction requested.

As the accommodation in the school building of the N. M. Board High School, Tirupathur was insufficient, the adjacent vacant site belonging to the Kunnakudy Devasthanam is taken on lease for 5 years and used for the school purposes. On this ground, the public of Tirupathur have constructed a huge shed measuring 120' x 18' at a cost of Rs. 2000/- and donated the same freely for the school use. Since the level of this ground is low, water has stagnated in it and has affected the shed. The pillars are reported to be gradually sinking on the southern side and there is a likelihood of imminent danger to the shed. Since the shed is accommodating the lower classes of the school, it will be dangerous if necessary repairs are not undertaken.

The Headmaster of the school suggested to raise the level of the vacant site measuring 170' x 35' with gravel to a height of about 1 1/2' at an estimated cost of about Rs. 800/- roughly and also to put up strong props for the tilted pillars of the shed. I have called for an urgent estimate from the Divisional Engineer (Highways), Ramnad at Madras. Since the above repairs have to be done in the interest of the school on the private land and on the shed constructed by the public for the school use and donated to the school, I request you to kindly permit me to execute the same from the District Board funds.

As the work is an urgent one, I have to issue order to the Divisional Engineer (Highways), Ramnad to attend to it urgent. I shall intimate the estimated cost of the work, as soon as the estimated cost of the work, as soon as the estimate is received from the Divisional Engineer (Highways), Ramnad. I request you to kindly approve the same and permit me to incur the expenditure from the District Board Funds.
