Municipal High School, P A L N I.
(Kavarayar Madam, West Car Street, Palni).

To

The Secretary to Government,
Education and Public Health Department,

Through

The Commissioner,
Palni Municipality, P A L N I.

Sir,

B1

I beg to bring the following to the kind consideration of the Government.

I beg to state that I was a clerk in the Municipal High School, Palni. I was to retire from service on 15-11-46 at the age of my superannuation. But I was allowed to continue till 30.11.46 by the Commissioner in his proceedings B1.No.3199/46 dated 14-11-46 (copy submitted) as I applied for extension of my service. As no orders were received from the Government on my application for extension of service I was retired on the afternoon of 30-11-46 according to the proceedings of the Commissioner No.3199/46 dated 29-11-46 (copy submitted) stating that I was considered to have been relieved on 15-11-46, the day on which I had completed my 55th year of age and I was paid upto end of 14-11-46. Consequently I requested the Commissioner in my application dated 2-12-46 (copy submitted) to disburse pay due to me for the period from 15-11-46 to 30-11-46 during which I actually worked as before. I received no reply till this date to my above request and I understand that the matter is still pending with the Government.

In the above circumstances I beg to request that the Government may be pleased to ratify the action of the Commissioner in having allowed me to continue in service from 15-11-46 to 30-11-46 and sanction and sanction the payment of salary due to me for the said

period, as a special case for which I am entitled in view of the fact that I actually worked as clerk during the period in question.

I beg to remain,
Sir,
Your Most Obedient Servant,

Palni,

Sir,

Sub:- Establishment-Education-Secondary
Sri D. Padmanaba Rao-Retired Clerk-
Extension of service-arrears of
pay for the period 15-11-46 to
30-11-46-payment-sanctioned-
requested.

In submitting herewith the petition dated 5-4-48 from Sri D. Padmanaba Rao, retired clerk, Municipal High School, Palni, requesting to ratify the action of the Commissioner in having allowed him to continue in service from 15-11-1946 to 30-11-46 and to sanction payment of salary due to him for the said period, I beg to offer my following remarks:-

2. The petitioner was to retire from service on 15-11-1946. He put in a petition on 3-6-1946 requesting to grant him extension of service till 15-6-1947 in consideration of his long and faithful service and in view of his domestic difficulties. His petition together with his service register was submitted to Government through the Inspector of Municipal Councils, Madras on 18-7-1946. As orders from Government were not received in time, the then Commissioner allowed him to continue in service provisionally subject to the condition that if no favourable orders were received from Government, he would be considered to have retired from service with effect from 15-11-1946. The petitioner was relieved from duty on 30-11-1946 since no orders were received from Government till then.

3. The Inspector of Municipal Councils, Madras, and the Government were reminded in this office Roc. No.B1 3199/46 dated 12-11-46. The Inspector in his N.Dis 38587/46 dated 16-11-46 informed this office, that the papers on the subject were forwarded to Government in his L.Dis 27018/46 dated 9-9-46. Subsequently there three reminders were sent to Government in this office Roc.No.B1 3199/46 dated 13-1-47, 15-5-47 and 27-6-1947. The Inspector in his L.Dis 30560/47 dated 10-12-1947 (copy enclosed) passed orders that as there was no order of Government sanctioning his continuance in service after 15-11-46, his request for the payment of salary for the period from 15-11-46 to 30-11-46 could not be complied with.

4. As the council had already resolved in Municipal Council Resolution No.680 dated 24-6-46 to grant an extension of service upto 15th June 1947 in the case of the petitioner (copy enclosed) and as he had already worked for 16 days from 15-11-1946, I request Government may be pleased to pass orders treating the said period as extension of service and sanctioning payment of salary due to him for the period, as a special case.

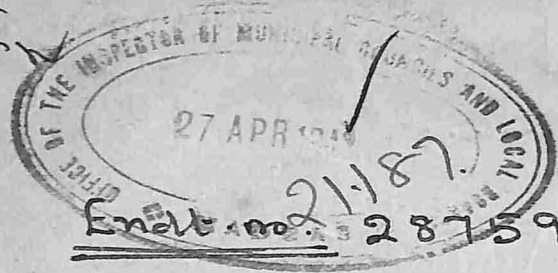

5. The service register of the retired clerk was already submitted to Government through the Inspector of Municipal Council, Madras in this office Roc.No.B1 3199/46 dated 18-7-46

and
The Commissioner, Palni Municipality,
PALNI.

Respected Sir,

With reference to the orders passed in G.O.No.Ms.
2005 Edn. dated 13-8-48, declining sanction for the payment of
salary for the period I was on duty from 15-11-46 to 30-11-46 as
clerk in the Municipal High School, Palni, I beg to submit this
humble memorial to your Honour's benign consideration and favourable
orders:-

I beg to state that I retired from service as clerk
of the Municipal High School, Palni after having put in an unblemished
service of about 31 years under the Municipal Council, Palni.

I should have, in the ordinary course, retired from
service and relieved from duty on 15-11-46; but I was allowed to
continue in service thereafter, as orders were awaited from Government
who were also reminded by a telegram about my application for
retention in service ~~for~~ till the end of the school year in 1947,
which was duly recommended by the Municipal Council, Palni and submitted
to Government sufficiently early.

My retention in service during the period as recomm-
ended by the Council was of course permitted by the then Commissioner

subject to the condition that if no favourable orders were received from Government, I would be considered to have retired from service on 15-11-46. In this regard I respectfully submit that no substitute was appointed in my post and I had continued in service from 15-11-46 to 30-11-46. I had been discharging my duties to the entire satisfaction of my superiors and had also signed the Attendance Register during the period in question. The Municipality has not incurred any expenditure towards pay etc of the clerk of the Municipal High School for the said period and the Council will not, in fact, be a loser or will in any way be incurring any additional expenditure, if ~~any~~ it pays me the salary for the period in question when I was actually on duty. The condition to the effect that I would be considered to have retired from service from 15-11-46 in case no favourable orders were received from Government for my retention in service as recommended by the Council till the end of the school year, cannot, in all fairness be viewed or construed in such a light as to deprive me, a poor public servant, of the temporary benefit earned by the performance of the duties of a clerk satisfactorily during the period between 15-11-46 to 30-11-46. As such, equity and justice would require that I should not be denied the payment of salary for the period, I had worked.

In the circumstances, I humbly pray your Honour to be graciously pleased to consider my request sympathetically and pass favourable orders sanctioning as a special case the payment of salary due to me for the period I was actually on duty from 15-11-46 to 30-11-46 and thus help me, a poor retired clerk, in these hard days.

For which act of kindness, I shall as in duty bound, ever remain grateful.

PALNI,

Respected Sir,
Yours faithfully,
