Sub:-- Venkatanarayana (U) Sri - Acting Commercial --
Instructor, Board High School, Sulurpet - Fixation
of pay after introduction of the revised scales
of pay.

In their Memorandum No.18923-B1/47-2, Edn., dated 1-4-47, Government were pleased to accord sanction for the employment of onel Sri U.Venkatanarayana, an unqualified candidate, -- temporarily, as commercial instructor in the Board High School, - Sulurpet, on an initial pay of Rs.32/- per mensem from 1st February 1947 till the end of the school-year 1946-47. As the attempts made by the District Board to secure the services of a qualified hand -- even in 1947-48 proved unsuccessful, it became necessary to continue the unqualified candidate, Sri U.Venkatanarayana in service for the year 1947-48 also, and the District Educational Officer, Nellore, was pleased to accord his approval for the continuance of the teacher till the end of the school year 1947-48 (vide L.Dis.No.78-A/48 dated 22-2-48 of the District Educational Officer, Nellore +copy enclosed).

Steps were, however, again taken. ~~taken~~ early this year to secure the services of a fully qualified instructor, and the unqualified hand was replaced by a fully qualified instructor with effect from 23-6-48.

2. Sri U.Venkatanarayana, the unqualified instructor -- submitted a petition to the Director of Public ~~Instruction~~ -- Instruction, Madras, on 15-4-48 for grant of a higher pay to him with retrospective effect from the date of his appointment under the -- District Board in view of the recent revision of the scales of pay sanctioned to the other teachers employed in the secondary schools under the District Board, and the Director of Public Instruction, Madras, before disposing of the petition, referred to above, pointed out the need for getting the retention in service of the unqualified instructor for the year 1947-48 ratified by Government. I, therefore request that Government may be pleased to ratify the retention of -- U.Venkatanarayana, the unqualified commercial instructor of the Board High School, Sulurpet, in service till 22-6-48, and communicate their orders to me at an early date.

Copy of letter L.Dis.No.78-A/48, dated 22-2-48, from the District Educational Officer, Nellore, to the Special Officer, District -- Board, Nellore.

Sub:-- Sri U.Venkatanarayana - Commercial ~~Instruction~~ -- Instructor, Board High School, Sulurpet - Continu-
ance for the school year 1947-48 - Approved.
Ref:-- Your letter No.E1-11573-47, dated 6-2-48.

In the circumstances explained in your letter --
Re.No.E1-11573-47, dated 2-12-47, the continuance of the above --
instructor is approved till the end of the school year 1947-48.

Every effort should be taken to replace him by a
fully qualified instructor in the beginning of the next school-year.

Lastly I humbly submit that my request to sanction me Rs.50/- the minimum of the revised scale of pay of the Commercial Instructor, with effect from 1st February 1947 from the date of appointment, may be considered sympathetically, and that I may be saved of the sustained loss on my behalf.

(2)

In forwarding herewith the petition dated 15.4.1948 put in by Sri U.Venkatanarayana, I have to state that the petitioner is an unqualified instructor employed in the Board High School, Sulurpet with the approval of the District Educational Officer, Vellore as no qualified candidates was available. At the time of his appointment on 1st February 1947, he did not possess any technical qualification in Typewriting except that he was a S.S.L.C. holder with typewriting as his optional subject. Though according to the scales of pay then in force he was eligible for a fixed pay of Rs.20/- per mensem, prescribed for unqualified teachers in G.O.No.4619, L. & M. dated the 20th October 1934, he was granted a pay of Rs.32/- per mensem with the sanction of Government which was accorded in their Memorandum No.18923/B.1/47-2 Education, dated the 1st April 1947, in order to save him from loss of emoluments which he was earning as a Secondary Grade teacher in the Mission Middle School at Kanigiri before his appointment under the Board.

2. The petitioner recently passed the technical examination in typewriting of the lower grade. He appeared for the higher grade examination also but failed in it. It may, therefore, be seen that the petitioner still remains unqualified and is not eligible for the scale of pay prescribed for commercial instructors in the Secondary Schools. In these circumstances, the revision of the scales of pay ordered in G.O.No.975, Education, dated the 10th May 1947 did not benefit him to any extent; and he is thus obliged to continue to draw the same pay of Rs.32/- per mensem only even after the introduction of the revised scales.

3. The petitioner represents that he is sustaining a great loss in his emoluments after the introduction of the revised scales of pay, in view of the fact that he would have been eligible to earn pay at the rate of not less than Rs.45/- per mensem, had he continued as a Secondary Grade teacher without taking up his present appointment; and he requests that his pay may be raised to Rs.50 per mensem which is the minimum of the revised scale of Rs.50--2--90 fixed for the qualified commercial instructors with effect from 1st February 1947, the date of his appointment under the District Board. I have to state, in this connection, that on a similar application made by him to this office on 17th December 1947, he was informed on 24th February 1948 that his request for enhancement of pay could not be considered during the school year 1947-48.

Copies submitted.

2. In the circumstances stated by the Special Officer in his letter RC.No.E.1.13022/48 dated 30th June 1948, addressed to Government direct, the ratification of the action of the Special Officer in having retained Sri U. Venkatanarayana, the unqualified commercial instructor, from the beginning of the school year 1947--48 upto 22nd June 1948 the date when he was replaced by a qualified hand, is recommended.

3. With regard to fixation of his pay during the above period of his retention, it is recommended that he may be paid a salary of Rs.50/- per mensem (the minimum of the revised scale of pay for commercial instructors) in view of the hardship caused to him in spite of his qualification as a secondary grade teacher and by virtue of his having actually discharged the duties of the commercial instructor, though he was not fully qualified for the post.

Note
P.T.O

Please see the Director's remarks on p 9 of. In regard to for a
of pay it seems unnecessary to allow a pay of Rs 60 per m to the
unqualified Commercial Instructor. He is qualified for appointment
as a secondary grade teacher and if he had been employed in that

capacity he could have drawn pay at the rate of Rs 45 per m
only. It seems sufficient to allow Rs 45 per m.
