GOVERNMENT OF INDIA.
MINISTRY OF EDUCATION.

NEW DELHI 3, THE 15 APRIL '48.

From

Dr. Tara Chand, M.A., D.Phil.,
Secretary to the Govt. of India.

To

All Provincial Governments and State
Governments that have acceded to India.

Sir,

I am directed to say that, at the instance of the Government of India, Viswabharati, Santiniketan, have undertaken to train teachers in Arts & Crafts and Music & Dancing with an intake of 30 trainees every year to each school. The course will extend over a period of one year and will be open to both men and women. The minimum qualifications required will be Diploma in Arts and Crafts or in Music and Dancing of a recognised institution. It is desirable that all candidates should have had previous teaching experience or a marked aptitude for teaching. Candidates whose services will be required in connection with the Training Schools for Basic and Primary Teachers should be graduates or have equivalent qualifications. Candidates for the Arts & Crafts Section must also know something of any of the two major crafts (a) Gardening and Agriculture (b) Spinning and Weaving (c) Wood work (d) Clay work. Candidates for Music and Dancing should know something of instrumental music and/or any one of the four Indian Schools of Dancing.

For the session beginning in July, 1948, it will be possible only to offer accommodation to 24 women trainees for the Music and Dancing Section and 16 men trainees for the Arts and Crafts Section. A tuition fee of Rs.300/- per annum plus a seat rent of Rs.3/- per month per scholar will be charged from the Provincial Governments and Indian States who send their nominees for training. Maintenance expenses of students may be borne either by the students themselves or by Provincial Governments etc. sponsoring them. The Central Government have decided to pay a maintenance allowance of Rs.40/- per month to all candidates sponsored by them.

A
C.V. DM
1944/48

.....2

A number of seats will be reserved for candidates from Provincial Governments and Indian State who may like to take advantage of the training facilities provided at Viswabharati. I am to enquire whether your Government wish to take advantage of the facilities mentioned above. If so, the names of not more than 3 candidates for Music and Dancing and 2 for Arts and Crafts may be sent to this Ministry by the 30th of this month. The Ministry will make every effort to ensure that at least one trainee is selected from each Province or State.

I would suggest that the Provincial Governments may, when they select their candidates, appoint them on probation, so that the period of their training is regarded as part of their probationary service. Their emoluments during the period will be maintenance allowance and it would obviously be desirable that they should be the same as those sanctioned for candidates sponsored by the Central Government. They need not conform to the approved scale of pay for teachers, nor need this period be taken into account for calculating their seniority in service. On successful completion of the training, the candidates will be appointed on approved scales and the question of their seniority would arise only as from that date. Candidates who do not complete their training successfully, will automatically be rejected, while the Provincial Government may, if they so desire, have a further period of actual service during which qualified candidate will still be on probation.

I have the honour to be,
Sir,
Your most obedient servant,

for SECRETARY.

NEW DELHI 3, the 17th April, 1948.

Dear. H. M.,

I have today written officially to the Provincial Governments under letter No. F.53-4/47-E.I. dated 15th April '48 (copy enclosed) regarding the selection of certain candidates for training at Viswabharati in Arts & Crafts and Music and Dancing. The successful candidates may be employed as teacher either in Basic Training Schools, or in Secondary Schools or in Basic Schools. The Government of India will have their own candidates as well, who, during the period of training will be paid a maintenance allowance. They hope that the Provincial Government will do the same. The tuition fee will be paid by the Government concerned.

Experience has shown that if there is no assurance of appointment on successful completion of training, we do not get the desirable type of candidates. This is extremely necessary especially at this initial stage when the whole Basic and Secondary Education of the country is being reconstructed. At present, there is a great demand for trained teachers and the opportunities of training are totally inadequate. Under our proposed scheme at Viswabharat, it will not be possible to make more two or three persons from any one Province, and in some cases it may be even one. Since the number is so small and the Government would, in any case, be required to pay the maintenance allowance to trainees, I am suggesting that the candidates selected may be appointed on probation and their maintenance allowance treated as salary during the probationary period. After successful completion of their training these candidates will be appointed in the appropriate scales and the question of their seniority would arise only from that date. It would therefore, neither mean any additional financial commitment on the part of the Government nor would there be any likelihood of anyone's seniority being infringed.

..... 2.

I may point out that this is the principle on which the I.C.S. probationers were treated. During the period of probation, they had allowances which were lower than their basic pay and calculation of their seniority started only after they had joined service on passing the examination at the end of their probationary period. If the Provincial Government so desires, they may decide that the period of probation will be 18 months of which 12 months will be passed in training and six months in actual service.

As pointed out above, there would be no additional financial commitment on the part of the Government but, at the same time, the persons who are selected, would have an assurance of employment on successful completion of their training. This would give candidates the necessary incentive and is likely to attract the best type of candidates.

I hope you will excuse this intrusion upon your time and give the matter your personal attention. It is only because we consider the right selection of teachers at the outset a matter of primary importance for the success of our post-war Educational plans, that I am taking the liberty of addressing this letter to you personally.

Yours Sincerely,

Director of Public Instruction,

Dear Mr. Subramanian,

Sub: Training at viswabharathi - Deputation of teachers.

Ref: Your D.O.No. 28185-01/48-Edn., dated 1-5-48.

33374 pages 11-12 ante
p. 9 note

The reasons for my recommendation are these: I am advised by the Basic Education Officer that the training in viswabharathi will not be of much use for teachers in basic schools or basic Training schools. As for Dancing and Music, our syllabus under the bifurcated course for Dancing includes only Bharata Natyam and Kathakali and I am informed that neither of these is taught in any detail at viswabharathi. So far as I am aware, the training there is in Manipuri dance, which may not be of much help for schools in this Presidency, though it may have its own advantage. Similarly in the case of Music, Karnatic Music is the system adopted for schools in this Province, not the Hindustani system of Music which is taught at viswabharathi. It is for these reasons that I stated that there was no need to depute anybody from this Province. If, however, Government think that some people should be sent for training, I shall submit some names as desired by Government after consulting the inspectress. I may point out that the average music teacher is neither interested nor competent to take lessons in Dancing and among the teachers in service, there is hardly any one who has the necessary preliminary training in order that the deputation may be useful.

2. It will take a little time to consult people and make a selection. In the meantime if Government desire, they may inform the Government of India that one for Music and Dance and one for craft, preferably

spinning and weaving will be deputed.* The names of the selected candidates may be communicated later.

3. In this connection I wish to be informed if it will be in order to select outsiders, i.e., those who are not actually in the department and send them for training. If this is permitted, a guarantee of appointment after training will be necessary.

Yours sincerely,

With reference to the Government Endorsement cited above, I have the honour to state as follows:

The Inspectress of Girls Schools and the Principal, Lady Willingdon Training College were consulted regarding the selection of suitable candidates for the training in Music and Dancing at Viswa Bharathi. From the replies received so far it is found that the following candidates will be most suitable.

- (1) Miss C.S. Janaky, School Assistant, Government Secondary and Training School, Coimbatore.
- (2) Miss S. Girija, School Assistant, Government Secondary School, Mayavaram.

CTD
25/5/48

(3) Miss M. Sarojini, c/o The Principal, Lady Willingdon Training College, Madras.

This candidate is not in service now. She has appeared for the B.T. degree examination with Music as the optional this year, but she is said to have failed in the examination.

2. I would personally like to recommend Miss C.S. Janaki (No.1 above) as she is reported to be good at Carnatic Music and can learn Dancing easily. If a person who is not now in service is to be selected then I recommend Miss M. Sarojini (No.3 above). It is not clear if those deputed will be eligible for maintenance allowance besides their salary. I expect it to be so as it is only fair. If Miss M. Sarojini is selected then it will cost less. Just as in the case of Sri Ayyaswami proposed to be selected from Perianaickenpalayam Gandhi Training School, Miss M. Sarojini also may be selected and after her training she may be appointed as a Music and Dancing teacher in one of the schools where these arts are taught as bifurcated courses. Sri Ayyaswami who has been recommended by the Hon'ble the Minister for Education, to undergo the Craft Training will revert to his private service after training.

whether this is the intention. The Gandhi Training School at Periyanaickenpalayam, where Sri Ayyaswami is now working, is a private school. It is not known whether the management of the school will be prepared to release Ayyaswami for the training and, if so, on what terms, and to relieve him from their service for app't. under the Govt. either immediately after he is released from the school or for the training, to accord with the wishes of the Govt. of India in the matter, or after the training is over. If he is to be appointed under the Govt. only after the training or if he is to revert back to the Periyanaickenpalayam school, it is not known who will bear the cost of his training. Presumably, the management of the school should meet the charges, as its school only will be benefited by the training. These points do not appear to have occurred to H.M. when he passed the orders at page 4 ante regarding Ayyaswami. His orders may be taken now.

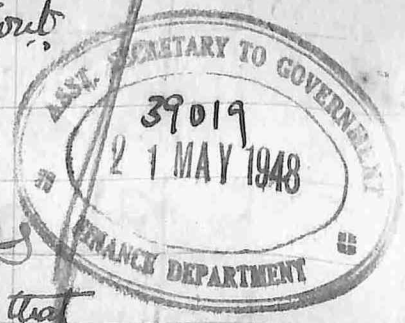

4. As for estimate of cost, the training is said to extend over a period of one year. As far as particulars are available, an estimate is furnished below :-

Tuition fee for two at Rs. 300/- each	Rs. 600
Seat rent for two at Rs. 3/- p.m. each	Rs. 72
Maintenance allowance " 40/- " "	Rs. 96 0
Total :	Rs. 768

In addition to this, the Govt. a. for journeys to and from Calcutta, the pay and allowances of the substitute in the place of Janaki will also have to be borne by the Govt. The pay and allowances of Ayyaswami's substitute will, it is presumed, be borne by the management of the school. If his pay and allowances are to be paid by the Govt. for the period of training, that will have also to be included in the estimate of cost.

The notes and minutes on pp.1-6 above may be perused.

2/ The proposal is to send Miss C.S. Janaki, School Asst., Govt., Secondary and Training School, Coimbatore, to Viswabarathi, Santiniketan, for training in music and dancing and to send one Ayyaswami, Teacher in the Basic School attached to the Gandhi Training School, (a private school at Periyanaickenpalayam) to the same institution for training in craft, spinning and weaving. The period of training is for 12 months.

Finance may agree to the deputation of Miss Janaki to the course in question.

3/ Regarding the training of Sri Ayyaswami, attention is invited to the remarks of E & P.H. in para 3(iii) of their note at pp.5-6 above, especially to portion marked S on p.6 above. No expenditure to the Govt. is involved in training Sri Ayyaswami. E & P.H. propose to take further orders in circulation on this.

If, however, it is finally decided that this Government should bear the expenditure on Sri Ayyaswami's account also, it seems desirable to take an agreement to the effect that he will serve the Government for a stipulated period, which may be fixed in consultation with the Director of Public Instruction. Finance may advise accordingly.

4/ The financial implications of the proposal are mentioned at X on p.6 above. It is also stated, at M on p.5 above, that Miss Janaki will draw the pay she now draws, in addition to the maintenance allowance of Rs. 40 per mensem. This may be regarded as the teacher will be paid for the expenditure on account of the deputation. The expenditure involved is one 'New Service' - Vide items (7) & (8) under Section B.I (c) of the New Services Pamphlet. However, as the total non-recurring expenditure is not likely to exceed Rs. 10,000, orders may issue after circulation to H.M. or H.Ms concerned, H.M (Fin.) and E & P.H. may also be requested to take further action with reference to the Instruction III (A) and IV (ii) in Finance U.O. Note No. 26978(A)-B.G-4, dated 21-12-47.

The various points raised by the B.P.2 in his letter on p 37 are examined below.

para 2 w/p 37

1. Treatment of the period of training

The Director recommends that the period of training or deputation of the two teachers and the period occupied by them in travelling to join and on return after completion of their course may be considered as duty and ^{might} be taken into account for increments.

A by

may be agreed to.

para 3 w/p 37

2. Maintenance charges

The Director says that the maintenance charge of Rs 40/- per month now offered to the trainees may not be sufficient and requests that it may be raised to Rs 100/- per month.

The central Govt have decided to pay only Rs 40/- per month to the candidates undergoing the training sponsored by them. It does not appear necessary to raise the amount.

A w/p 1

It may be stated that the payment of the maintenance allowance is in addition to the pay which the trainees are entitled to get during the period of their training. The recommendation of the Director ^{need not} be ~~the~~ ^{accepted}.

3. Travelling allowance.

The Director recommends that the two trainees may be allowed Second class railway fare for their journey to and from Sankhiketan as a special case on account of the long ~~distance~~ distance to be travelled by them.

The pay drawn by Mrs C.S. Janaki and Mrs Kalyani is Rs 95/- and Rs 80/- ~~respectively~~ respectively a month. According to travelling allowance rules both these teachers are eligible for one and a half third class fare for their railway journey. According to Note (b) ^{in the rules} ~~of the rules~~ these two officers being women officers will not be required to travel in a class below Intermediate by train. ~~before they are entitled to the class travelling as women, but the class allowed for officers drawing similar pay is only the third class. It does not appear necessary to agree to the proposal of the B.P.O.~~

I do not know when they have to join the class at Shantiniketan. Their training is only for about 3 months. If their joining will be very late, I rather wish them not to go. The D.P.I. may see to it that they join there in time but, if the joining time is over, they may join the next session.

It is respectfully submitted that the training in Viswabharati is for one year and not for about three months as stated at 'A' above. Please see 'X' on p. 1 of letter from the Govt of India No 7. 53. 4/47. E. D. 15.

The training scheme is sponsored by the Govt of India and it is presumed that the Govt of India will begin the course before they have selected any the required candidates from all the provinces.

The Govt of India letter says that the course will begin in July 1948 and it does not say that it would begin on the 15th July 1948. In their letter dated 15th April the Govt of India fixed 30th April as the last date for receiving applications for the course beginning in July 1948.

In their letter dated 25.5.48 they have extended the last date for receiving the applications to the 31st May 1948 or as soon as possible thereafter.

On account of the extension of time granted for the receipt of the application it may be presumed that the date of the opening of the course might also be extended. All the letters from the Govt of India stated that the course will open in July 1948. It does not appear that it has already opened. We may await the further instructions from the Govt of India. The S.P.D. may be addressed after that.

From the Govt of India Ministry of Edu. No F.53.2/48E1.2 29.7.48.

The Govt of India report that Miss C. S. Janakky who was recommended by the Govt for training in Music & Dancing at Visva-Bharati has been selected. and that Miss Kalyani the 2nd Candidate recommended for training in Arts and Crafts has not been selected. The Govt of India say that the admission for Arts and Crafts is reserved for male Candidates. But in the letter of 15th April no such mention has been made. If that had been so the B.P. I would have been asked to select a male Candidate in place of Miss Kalyani. For orders to the Govt of India may be asked to reserve a place for a male Candidate for training in Arts & Crafts in place of Miss Kalyani originally recommended and the B.P. I asked to select a suitable male Candidate. If so the B.P. may be asked to spare.

The Govt of India wish to know whether the Govt would require any undertaking to be taken on their behalf for Miss Janakky by the Visva-Bharati authorities on the lines taken by them in respect of Centrally Sponsored Candidates. To this Miss Janakky is a Govt servant and if any undertaking has to be taken for her the B.P. I himself may be asked to take it for the Visva-Bharati. It does not appear necessary to take any undertaking from her as suggested by the Govt of India.
